Grand Master — 1954

PETER DAWSON was born at Slateford, Ayrshire, Scotland on April 11th, 1892, in the country that the famed poet Robert Burns has immortalised. Coming to Canada shortly after leaving school, Bro. Dawson followed his trade of butcher for a few years, but heeding the call of the ministry, he enrolled in St. Stephen's Theological College, Edmonton.

Following graduation from St. Stephen's College Bro. Dawson accepted a call to the United Church at Champion, Alberta, and has occupied the pulpit there for a quarter of a century.

He married Hildegard Hallonquist of Calgary and they have two sons, who have both graduated from the University of Alberta in Electrical Engineering.

Bro. Dawson was initiated in Champion Lodge No. 84 on the 12th of June, 1941, passed on July 10th, 1941 and raised on October 9th, 1941. He served as Worshipful Master of Champion Lodge in 1947. In 1949 and in 1950 he was elected Grand Chaplain of the Grand Lodge of Alberta, A. F. & A. M. and in 1951 to the Office of Grand Junior Warden, progressing through the Chairs to the Grand East.

OPENING

The Members having assembled in the Lodge Room — The Palliser Room of the Palliser Hotel at Calgary, Alberta, the Grand Director of Ceremonies, V.W. Bro. W. A. Noble (2) informed the M.W. the Grand Master, who with his Grand Officers, proceeded in procession and assumed their stations. The M.W. the Grand Master being advised that a constitutional number of Lodges were in attendance, the Fiftieth Annual Communication was then opened in AMPLE FORM at 9:10 a.m. and with the Prayer by the Grand Chaplain, R.W. Bro. Canon W. H. Morgan (165).

The Grand Master: I welcome you to this our Fiftieth Annual Communication of Grand Lodge. It is a pleasure to meet with you again and it gives all Grand Lodge Officers a feeling of satisfaction to see such a splendid attendance when you consider that work on the farm has been somewhat retarded by wet weather. I appreciate the effort put forth to be present and trust that your stay in the City of Calgary will be pleasant and Grand Lodge profitable to you and your Brethren.

RECEPTION OF DISTINGUISHED VISITORS

The Distinguished Visitors were then escorted into the Lodge Room by the Grand Director of Ceremonies.

M.W. Bro. F. P. Galbraith: M.W. Grand Master and Brethren of the Grand Lodge of Alberta, it is a very great pleasure indeed to

introduce to you such a distinguished body of leaders in Masonic life on the North American Continent as we have here before us today, and it gives me great pleasure to introduce to you and to all members and visitors present:

M.W. Bro. Nelson Hart, P.G.M. Grand Lodge of Canada A.F. & A.M. in the Province of Ontario.

M.W. Bro. R. E. Emmett, Grand Master, the Grand Lodge of Manitoba.

M.W. Bro. T. C. Jackson, Grand Secretary, Grand Lodge of Manitoba.

M.W. Bro. J. B. Tomhave, P.G.M. Grand Lodge of Minnesota.

R.W. Bro. Merle Kidder, D.G.M. Grand Lodge of North Dakota.

R.W. Bro. J. Russell Oliver, P.D.D.G.M., Grand Lodge of British Columbia, on their official visit to this Fiftieth Annual Communication of our Grand Lodge of Alberta.

The Grand Master: Thank you M.W. Bro. Galbraith. Brethren we are privileged in having you attend our Grand Communication this morning. We are honoured indeed for the opportunity of renewing your acquaintance again. I shall make it possible for you to bring a word of greeting from your respective Grand Lodges a little later.

The Distinguished Brethren were received with Grand Honours and were then escorted to the East.

The Grand Director of Ceremonies closed the V.S.L. and the M.W. the Grand Master requested M.W. Bro. Ireland to retire and introduce His Honour the Lieutenant Governor, the Hon. J. J. Bowlen.

His Honour was escorted into the Lodge Room by the Grand Director of Ceremonies preceded by the Flag Bearer W. Bro. Keyte (87).

M.W. Bro. W. Ireland: M.W. Grand Master it affords me very great pleasure to introduce to you and through you to the Masons of Alberta and our guests my good and esteemed friend the Hon. J. J. Bowlen, Lieutenant Governor of the Province of Alberta.

The Grand Master: It is a pleasure to have you introduced and received this morning as the Lieutenant Governor of this Province, we welcome you for the high position you hold and the good wishes you bring us. We also welcome you as one who has pioneered and broken trails with others during the Fifty years life of this Province. Your Honour, I extend to you a cordial welcome to come and be one with us, and we shall be glad to have a word from you. (Applause).

Lieutenant Governor: Gentlemen it is really a great pleasure for me to be here this morning. At one time I did not know if I was going to be here or not, because I just left Calgary last Saturday night for Edmonton, after attending the Annual Highland Ball, which in my business is a must always, because the whole Ball is surround-

ing the Lieutenant Governor and Mrs. Bowlen. When I got your communication I didn't know how I was going to arrange it, because after all I have an office. I have a good deal of business and that is my real duty to attend to the office, but after thinking it over and realizing that this is the Jubilee Year and this your Fiftieth, I think you call it "Communication", I don't really get that word so much, I understand Convention and Meeting and all that sort of thing, but I felt that I should be here and I am very delighted to be here. I want to say this though, that there is no other organization in this Province that I would have come down again for in such a short time, except you gentlemen here.

I have been associated with you for many many years. I have, as you know, been a little thick with public life in this city, and the good friends that I have made among you people here and not only here, but before I came here, in the Province of Saskatchewan, is something that I have never forgotten and never will. That is why I am here this morning and bring you greetings from the position I hold in this Province. Of course it makes me feel right at home when I see the Grand Master, he, after all, for some years has been in the Legislature and I have to obey his wishes. This morning when I was having breakfast around seven o'clock, I was delighted to see a good gentleman from Red Deer, Mr. Botterill, a man whom I have known for many years, and like myself he is not as young as he used to be, and then my old friend from Vermilion, Carl Heckbert. Last year I opened the Fair in his town and he treated me so well and we had such a pleasant time that I decided to go back and open the Fair again this year, something that I don't very often do. After all this is a big Province and I have to get around. It is a great pleasure to be here and I didn't come here to make a speech or talk because I know you have business to attend to. I think this is your Fiftieth Communication, meeting, or what I would call Grand Lodge meeting and that is very important and looking at some of the records I believe you became established in this Province in 1882, that's a long time. I must say this gentlemen, of all the people I have met in my lifetime, and I have been knocking about a good many years, I'm not just a boy, I have always received courtesy, assistance and friendliness from the Masons, not only in this Province but before I came here. The first thing I ever joined in my life was the Y.M.C.U. in the City of Boston. The Young Men's Christian Union, the same as the Y.M.C.A. here and I presume I am the oldest member in that organization in this Province today, because I joined in 1897, a good while ago. The man who sponsored me happened to be a Mason. So I say my associations with the Y.M.C.A. and with kind friendly Masons has been back to the '90's and has continued on ever since. So you see gentlemen how much at home I feel to come down to say a few words and bring you greetings. Now, Mr. Speaker, I think I have said enough. It is a great pleasure to be here and I wish you every success. (Applause).

The Grand Master: Your Honour, you see Brethren he has'nt got out of the habit of calling me 'Mr. Speaker', but I assure you he is quite in order today. It has been a pleasure to have you with us as the representative of Her Majesty the Queen. I know the Brethren

will join me in requesting you to extend to Her Majesty Queen Elizabeth the Second our assurance of the loyalty of this Grand Lodge and of every Freemason in this Province. We were delighted to have you. (Applause).

His Honour then retired, escorted by M.W. Bro. Ireland.

The Grand Master: I will ask M.W. Brother LeRoy Bond to retire and introduce His Worship the Mayor.

M.W. Bro. Bond: M.W. Grand Master it is my very rare privilege and great pleasure to present to you and through you to the Distinguished Guests and members of this Grand Lodge of Alberta, His Worship Don MacKay, the Mayor of the City of Calgary, the City of Sunshine, the City of Tall Buildings, the City of the Stampede, and you might say the city that contains the executive and financial centre of the great oil industry of this great Northwest. I might add a little story that "all those things that Edmonton says they is, Calgary am". His Worship Mayor MacKay is a young, active and progressive Mayor of a great city. He has brought great distinction to this city and made it known over the whole North American continent, as, I might say, the City of the Big Hat. The City has been honoured in that Mayor MacKay is serving his second term as President of the Association of Mayors of this great Dominion. I am happy to introduce him to you Most Worshipful Sir and I know we are very happy to have him here and at this time I will commend him to your care. (Applause).

Grand Master: Your Worship Mayor MacKay, we are pleased and happy to meet in the City of Calgary to hold our Fiftieth Annual Communication of the Grand Lodge of Alberta. The City of Calgary has been described as a City of Romance and Reality. A city where yet remain many Old Timers and Pioneers who blazed the trail for us and others fifty years ago. We are honoured in having you take time off from your busy schedule to come and extend to us greetings from the City of Calgary.

Mayor MacKay: Gentlemen of the Ancient Order of Masons, I feel nothing needs to be said of the City of Calgary; I had two of the finest Deputy Mayors I've ever heard speak for me this morning. The only hope, as I sat and listened to the wonderful things said about our city, the only hope I have gentlemen, is that the Big Hat doesn't signify we are going to develop a big head, we don't want anything along that line as far as our city is concerned. We want everything that is said about Calgary to be the absolute truth, that's what it is, no matter how these fellows from Edmonton hear it on an exaggerated basis. Gentlemen, this is a rather auspicious morning, both for your Order and for the City of Calgary. We are very happy to have you men here in the city and when we have your gathering in the year 1955 in our city we find ourselves actually wanting to say "thanks". Thanks, particularly not to the younger men who are here this morning, but to those men who can show a few grey hairs and can look back on a great number of years in the Province of Alberta, because this is 1955, the **Fiftieth Anniversary** of the Province of Alberta, and as we look back, or as we look at Calgary today or

Edmonton or Lethbridge or Medicine Hat, I don't care where we go in our Province of Alberta, we find evidences of a tremendous job having been completed in its early stages. Now we can feel the harness slipping off some of these senior shoulders and slipping down on to the younger men with the idea "now you try and do as good a job in the next fifty years" and Alberta won't have much to be ashamed of when we round the corner of the One Hundreth year. So, gentlemen, this morning as you men of the Masonic Order who have been here these fifty years, or the greater part of them, may I, as a younger man, express my sincere thanks to each and every one of you for the wonderful job you have done. I only hope that we shall be able to do as good a job in the years that lie ahead.

The other thought that I evince this morning, rather a significant one, is that it's this afternoon here in the City of Calgary, that a dream of some of our older citizens is actually coming true. Up on Lindsay Park site, on a site that overlooks the City of Calgary, on a site that looks over the old trails that came into the City of Calgary years ago, we are opening the Old Timers Hut, an effort that is the result of the love and expression and volunteer help of a lot of people here in the City of Calgary. This afternoon I can just visualize, before the hour even arrives, the very tender memories that are going to be floating through the minds of some of the senior people as this afternoon they throw open the doors of their little hospitality centre, that in the years that lie ahead will actually become a Shrine and a Museum of all that is good and golden in the olden original days of the West. So you are here in the Golden Anniversary the Old Timers are opening up this afternoon, so I say truly that this is one of the auspicious days in the story of the City of Calgary.

In so far as your work is concerned, let me commend you for everything that you are planning to do and that you will do in the future. I have always looked on the Masonic Order as one of the strongest organizations for good that we have in the whole wide world and I think that I can honestly say this, that we are in a double barreled way of life today, we have been in one all the time and I think, possibly, it is being promoted in a more subtle manner round this world of ours as we live in it at this moment, than at any time in history. Two worlds that come awfully close together yet they seem miles apart, one is the world of ideals and the other is the world of ideologies. Ideologies can be very constantly in the world of ideals, but it doesn't necessarily ring true. We have an ideology trying to wrap itself around this world of ours and I had the experience two weeks ago, in the City of New York, of hearing General Grunther who flew in from Paris especially to address the American Mayors organization, tell us that in this battle of minds that is now going on, you will find the Red way of life, making a tremendous bid to falsify and worm its way into the world of ideals, with the idea in mind that they will take every advantage of time in order to work out a pattern that is completely repulsive, the end result of which they have no doubts in their minds. He said that we had better be on guard and don't get worked into a pattern whereby ideologies get enmeshed with ideals and we lose out in the long run. Now you stand for the ideals, you stand for every fine thing there is in life

and I can say that while this is—what shall we say, a re-charging centre of the Masonic Order? When you meet as an Alberta organization like this, you come to re-charge the batteries, and send yourselves back into your own individual organizations. Then even more important send yourselves back into the Communities from which you came, with the thought in mind that you will be just a little better prepared to make sure in your Community that the best ideals and the best principles prevail. Now we don't like to think that it can happen, we are sure that it won't, but unless we are prepared to be On Guard even in your Community and mine, there are individuals and organizations, some quite innocently, who are contributing to the downfall of our own personal ideology of life under the guise of working for a better ideal. You have the ideals, you have the finest ones, make sure that in every phase of life you stand up for them, you stick up for them, live for them and work for them. If we will do that and consistently stay 'On Guard' we may forstall the day when many of these younger men, as they have done in two generations that we have been able to watch, have had to die for them. But if we live for them the way we should, maybe we can forstall and eliminate that other dreadful consequence.

We are happy to have you here Grand Master, with all your members in the City of Calgary. I hope that you have an enjoyable time and when you leave our City you take with you pleasant memories of the Foothills of the Rockies. Pleasant thoughts of our Golden Anniversary, realizing that, as the Mounties came in here and built up the original foundation of the Province of Alberta, in this section at least, that we are all dedicated to the idea that we will be worthy of the challenge and the opportunities, with their beautiful background that they are passing along to us in 1955. Thank you very much. (Applause).

The Grand Master: I would like to thank His Worship the Mayor for his words of wisdom and for the very hearty and warm welcome which he has extended to us today. (Applause).

The Mayor retired escorted by M.W. Bro. Bond.

V.S.L. opened by the Grand Director of Ceremonies.

Grand Secretary: M.W. Grand Master. The Deputy Grand Master and I visited the offices of the Dominion Regalia Co. in Toronto in February of this year, whilst attending the Biennial Conference of Canadian Grand Lodges and the Directors of the Company asked if we would accept an Altar Cloth as a gift from the Company in commemoration of the Fiftieth Communication of this Grand Lodge. I have now received this Altar Cloth on which has been embroidered the Crest of the Grand Lodge and on behalf of the Dominion Regalia Co. of Toronto, would like to present it to the Grand Lodge of Alberta, A.F. and A.M. (The Altar Cloth was placed on the Altar by the Grand Secretary and the Grand Registrar amid the applause of the Brethren).

Grand Master: As Grand Master, representing the Brethren of this Grand Jurisdiction, at this Communication, I do accept with

thanks, this Altar Cloth. I will now request the R.W. Grand Chaplain to Dedicate it.

The Altar Cloth was then Dedicated by the Grand Chaplain, R.W. Bro. Rev. Canon Morgan.

Grand Master: I shall ask the Grand Secretary to convey our grateful thanks to the Dominion Regalia Co. for this beautiful Altar Cloth.

The Grand Master's Address

To The Most Worshipful, The Grand Lodge of Alberta,
Ancient, Free and Accepted Masons:

Brethren:

It is a pleasure and a privilege to welcome you to this, our Fiftieth Annual Communication of the Grand Lodge of Alberta A.F. & A.M. That pleasure is increased by the fact that we are holding our Communication this year in the City of Calgary, where fifty years ago on October 12th organized Masonry in this Province came into being, when a new star in the Masonic Firmament appeared fulfilling a long and cherished dream.

This then, is the year of Jubilee, a year of Thanksgiving and Rejoicing, of Rededication and Reaffirming our faith in the principles of Freemasonry. We doubly rejoice in the fact that our Province also celebrates its "Golden Jubilee" commemorating its reception of Provincial autonomy and becoming one of the leading Provinces in our nation.

The idea of Jubilee goes back to the early practice of the Hebrew people. They numbered the years in cycles of seven and after seven such periods, kept the year of Jubilee. It was a time of restoration and forgiveness, burdens were eased and loads redistributed, it meant a beginning in freedom for man, and beast and land. "And you shall hallow the fiftieth year and proclaim liberty throughout the land unto all the inhabitants. It shall be a jubilee for you, when each of you shall return to his property and each of you shall return to his family." (Lev: 25/10 R. S. V.)

While it is fitting that we should rejoice as Freemasons and Citizens of this fair Province, there are matters of grave concern which disturb our peace of mind. The Second Assembly of the World Council of Churches at Evanston report: "In an hour of grave international crisis, Social and Political systems are in conflict. Opposing Ideologies compete for the minds and souls of men. Rival power blocks, imperil the peace of nations, large and small. An arms race of unprecedented dimensions casts its ominous shadow over the face of the earth. Natural and human resources intended by God for the enrichment of society are diverted to purposes alien to His Holy Will. Science is conscripted. Hydrogen weapons carry the threat of mass destruction on a scale hitherto unknown.

It is plain that the world our boys died to save is not saved yet. Can it be that we failed because we did not have the courage to put the principles of the Prince of Peace into practice. In all our planning did we leave out the Great Architect of the Universe. Surely there is a better way of settling international disputes than by recourse to murderous weapons. We believe in the Brotherhood of Man. No man can say "Our Father" until he has first learned to say "My Brother". The greatest of all arts is the art of living together. It is the mission of Masonry to teach that art. Thus Masonry must do its part in generating the will to Peace and in creating a new atmosphere and understanding in all our international relations.

The world has gone through many changes in the past fifty years and perhaps the next fifty years will show even greater changes. Will Masonry continue to be a force in an age so different from the present as ours is different from the past? The period when Masonry came into existence is well known. It was a different age than ours; it was an age of individual labor and simple life and of very close and intimate association in the communities where the people lived. Masonry has continued to live and will continually renew its vigor, because it is built upon the sure foundation of faith in God, and because it is vitalized and permeated with principles and ideals that are founded on the eternal law.

This is indeed a happy occasion for all Freemasons and we hope when our guests, whom we welcomed today, leave us, everyone will feel that it has been good to be here. What a splendid gathering we have in this communication. If the men here assembled are not the most distinguished Masons in the world, they are certainly the Masonic leaders of today. We cannot help but feel the inspiration of this great gathering of Freemasons. You are the rulers of the Craft. I want you to feel your responsibility for the maintenance of the Principles which form the basis of our Masonic influence upon the life of the community and of the world.

It is your privilege to take part in all the deliberations of this assembly. I don't want it to be said, everything is "cut and dried", no chance given for discussion on topics affecting subordinate lodges and Grand Lodge in particular. All items of business have been discussed by the Board of General Purposes, and will be presented for your discussion and action. Enter into the spirit of Grand Lodge, and into its fellowship and much good will come from its free discussions under Masonic procedure.

NECROLOGY

*

With the passing of the year there has also been the passing of many of our Beloved Brethren. May I ask you to rise and stand in silence for a moment while we pay a respectful tribute of regret to those of our members called to the Grand Lodge above. Freemasonry teaches that the soul of man is immortal, a living spirit, a spark from the Great Central Light, that has entered in and dwells in the body to be separated from it at death and returns to God who gave it. This does not disperse or vanish at death but still exists and possesses activity and intelligence, even as it existed in God before it was enveloped in the body. The Mason should have no fear of death for his faith in immortality should quicken within him the spirit of adventure and keen anticipation.

While this is our hope and our faith there is a sense of loss and sorrow when Brethren depart this life. With the passing of the years the numbers increase and heavy inroads were made into our ranks this past year. Our sympathy goes out to Sister Jurisdictions in the loss they, too, have suffered in the passing of many distinguished Brethren.

I feel that I should refer at this time to the great loss suffered by our Grand Jurisdiction in the passing of two distinguished Brethren in Masonry:

M. W. Bro. John Thomas Macdonald, Grand Master 1909, born September 6, 1874, at Charlottetown, P.E.I., who passed away August 23, 1954, in Calgary,

M. W. Bro. George Moore, Grand Master 1939; Grand Secretary 1943-1953; Grand Secretary Emeritus 1954. Born at Wigginton, England, February 10th, 1884, died at Kelowna, B.C., November 22nd, 1954.

Death came as a friend to these brethren. It had walked with them for some months. Its coming relieved them of all pain and suffering and sorrow. It brought peace and rest to their tired bodies. We extend our sincere sympathy to all their relatives and friends. Another link with the past has gone. In addition to these two distinguished brethren, whom I have mentioned, there are many distinguished P.D.D.G.M's and brethren who have completed their task on earth and gone to their reward. These will receive special mention by the Grand Chaplain in his report on the Fraternal Dead.

*"They never quite leave us
The brethren who pass
Through the shadow of death
To the sunlight above;
A thousand sweet memories are holding them fast
To the scenes they have blessed
With their presence and love."*

FIFTY YEAR JEWELS AND BARS

It is fitting in this "Golden Jubilee Year" that we should especially honor the pioneers in Freemasonry, men who have laid well the foundation of a new province and country. Freemasonry has been abundantly blessed in this Grand Jurisdiction. With increased prosperity within our Province during the past years has come expanding opportunities for Freemasonry through individual members consecrated to the service of the G.A.O.U. and their fellowmen. M. W. Bro. William Douglas, in his "Canadian West" sums it up when he says, "Do we realize today that men who unfurled the banners of Freemasonry were in truth Empire Builders. They unquestionably carried their obligations into daily practice by building Churches; Hospitals; Schools, and in organizing all necessary activities required in a civilized community". As Joseph Fort Newton also aptly puts it, "They were men of faith who builded better than they knew. They believed in the future, in the growth of large things from small beginnings".

Jewels with bars are for 60 years and 70 years in Freemasonry. The Grand Secretary will insert in the proceedings a list of names. Twenty-six in all were issued from May 1st, 1954, to April 30th, 1955.

I was extremely disappointed not to be present at Medicine Hat Lodge No. 2 on February 8th, 1955, when Jewels were presented to the Veterans of Freemasonry. I started out that morning when I intended taking along with me R. W. Geo. Lomas, but the icy condition of the roads and the snow storm forbade us from going further than Lethbridge. The following are the names of the Brethren who received their Jewel at that meeting. We extend to all our sincere congratulations.

W. Bro. Samuel William Sprague, (Age 97 years on October 19, 1955) Initiated Corinthian Lodge No. 13, Hampton, N.B. July 11/83, Passed Aug. 8/83. Raised Sept. 12/83. Was master of his Lodge six years (1887-88-89-90-91-92). Affiliated with Medicine Hat Lodge No. 2, July 7, 1908, (L.M. 1927) (70 year Jewel).

Bro. James Henry Wyatt, (Age 85 years on Feb. 24/55) Initiated Nov. 4/97 St. Thomas Lodge No. 44, St. Thomas, Ont. Passed Dec. 15/97, Raised April 20/98, Affiliated with Medicine Hat Lodge No. 2, February 14th/05. (L.M. 1930) (50 year Jewel).

Bro. Jeremiah Keohane, (Age 78 years on Jan. 6/55) Initiated Jun. 9/03. Passed Aug. 4/03. Raised Dec. 1/03. (L.M. 1928) (50 year Jewel).

Bro. Arthur Parson Burns, (Age 81 years Dec. 3/54) Initiated Jan. 26/04. Passed Mar. 29/04. Raised June 2/04. (L.M. 1929) (50 year Jewel).

R. W. Bro. William H. Williams was honored on this occasion by being presented with a Past Secretary's Jewel in recognition of 31 years as Secretary of Medicine Hat Lodge No. 2. He was Secretary from 1922 - 1953.

DISTRICT MEETINGS

At the close of proceedings last year the Grand Secretary and myself met with the newly installed District Deputy Grand Masters and prepared the agenda for the district meetings, and at the same time outlined the duties and responsibilities of D.D.G.M's. There were nineteen Masonic district meetings held from Sexsmith, July 14th, 1954, through to the final meeting at Carbon, on November 18th, 1954. These meetings were arranged so that your Grand Master could be home for his Sunday work and to allow the Grand Secretary an opportunity to catch up on his office duties. It can be said that these meetings were most successful, with one exception, and that was on account of the conditions of the roads, and a meeting of a Concordant Lodge held in the City of Calgary.

The meetings in the afternoons were well attended, and at each meeting a lively spirit of inquiry prevailed. Much Masonic information was given regarding the Constitution and Masonry in general. After some time spent in open forum, your Grand Master met with the Masters and Wardens of the constituent lodges and discussed their problems, suggesting ways and means of coping with such problems. At the same time the Grand Secretary met with the secretaries of the various lodges in the Masonic district and outlined their duties. The evening session's programs, arranged by the D.D.G.M's, were both interesting and informative. An exemplification of "An examination of a visitor" was instructive and much appreciated.

To the D.D.G.M's I must pass a word of praise and my sincere thanks for a job well done and for the efficient way in which they discharged their duties, for the kindness shown and the hospitality extended to me and all Grand Lodge Officers. At each of the

district meetings the local brethren entertained the Grand Lodge Officers, and attending brethren at a banquet which was followed by an interesting program of addresses and music which was much enjoyed by all.

One cannot estimate the value of these district meetings to constituent lodges. They are not only a means of establishing uniformity of work in each of our lodges, but also means of educating the brethren as to what masonry is, and what it stands for. It is my opinion that members of constituent lodges look forward to these meetings with as much interest as they do to their Grand Lodge Annual Communication.

The district meetings were held as follows:

Rivers, dealt with the function of his office and cleared away many difficulties regarding insurance policies for lodges, and being well versed in the Canadian Rite ritual, he was in a position to set right many discrepancies that had crept into the work. I take this opportunity to express my thanks and appreciation to M.W. Bro. W. H. Jackson, when he was Grand Master for the privilege of visiting with him Yellowknife Lodge No. 162, on May 18th, 1954, and seeing for myself what splendid work this lodge was doing in that far Northern outpost. I found that they were not only teaching the Principles and Ideals of the good life, as found in Freemasonry, but were out in the community applying that knowledge in practice and service.

VISITATIONS TO OTHER GRAND JURISDICTIONS

Shortly after my appointment as Your Grand Master I was privileged to attend the 48th Annual Communication of the Grand Lodge of Saskatchewan, held in the beautiful city of Saskatoon, on the 16th day of June, 1954. Accompanying me on that fraternal visit were M.W. Bro. Geo. F. Ellis and R.W. Bro. E. H. Rivers, Grand Secretary. I was able to express to the brethren of Saskatchewan our appreciation of the honor their Grand Master, M.W. Bro. R. L. Hanbidge and Grand Secretary, M.W. Bro. Robert A. Tate, had conferred on us by visiting our communication. I had the honor of addressing the brethren at their evening banquet on the subject "The Grand Design in Freemasonry". I also had the honor of receiving their Grand Lodge Certificate of Honorary Membership from the hands of their Grand Representative, our own M.W. Bro. W. J. Botterill. I wish to express my sincere thanks to M.W. Bro. C. Hayes, for his kindness and hospitality, in whose special care I was placed while in Saskatoon.

In July, I attended the Annual Communication of the Grand Lodge, A.F. and A.M. of Canada in the Province of Ontario at Toronto, and conveyed to them the greetings of Grand Lodge.

In August, accompanied by a number of our brethren, I attended the Communication of the Grand Lodge of Montana in the city of Great Falls. There I was honored by being made an honorary Past Grand Master.

Being unable to attend, owing to the pressure of other business, M.W. Bro. G. E. Cruickshank and M.W. Bro. A. D. Cumming, represented your Grand Master at the Grand Lodge of North Dakota. M.W. Bro. W. H. Jackson at the Grand Lodge of B.C., at Victoria. M.W. G. F. Ellis at the Grand Lodge of Minnesota at St. Paul. And again, the Immediate Past Grand Master, M.W. W. H. Jackson, represented your Grand Master at the funeral service of the late M.W. Bro. George Moore at Kelowna, B.C.

I requested M.W. Bro. W. H. Jackson to attend the 80th Annual Communication of the Grand Lodge of Manitoba during the first week in June and convey to them your greetings.

BANFF CONFERENCE

The Fourteenth Annual Inter-Provincial Conference of the Officers of the Four Western Masonic Jurisdictions was held at Banff, Alberta, on the 9th, 10th, and 11th of September, 1954. There were twenty-one representatives from the Four Western Jurisdictions; Eight distinguished visitors from Grand Jurisdictions in the United States, and twelve distinguished visitors at Fraternal meetings among them, W. Bro. J. Torrance, Paisley, Scotland. We are indebted to M.W. Bro. G. M. Blackstock, for his timely address on the subject "What of Tomorrow." We are also indebted to M.W. Bro. G. F. Ellis for his labor of love in keeping alive the enthusiasm and fellowship of this conference. The general program will be dealt with in the report of the M.W. Bro. G. F. Ellis. I recommend these proceedings to all lodges as part of their educational program.

RULINGS

No rulings were made during the past year — the Committee on the Work being in session. Its findings will be presented for your consideration and action. I commend the members of this Committee for the splendid work they have done during the past year.

MASONRY, A MORAL AND SPIRITUAL POWER

Masonry as a Moral and Spiritual Power was the dominant note in my addresses to the brethren at all meetings. I stressed, particularly, the dignity of a man and his relationship to his brethren, and the need of a new apprehension of the Grand Architect of the Universe.

I laid emphasis on the necessity of building an "esprit de corps" in every lodge, where men in the same competitive business can clasp hands as brethren and call each other by their first names, and at the same time rejoice in the fact that they belong "to the best lodge." The ability to get along with other people is not an inherited trait, like countless necessary qualities, such as loyalty, patriotism, religion, and so forth. It has to be acquired and after being acquired you have to work hard to hold it.

Men are lured to Freemasonry because of its ethical perception. Masonry explicitly teaches that one mason must not wrong another — to say the least — and points to the broader brotherhood of mankind, which requires that "You do unto others what you would have them do unto you."

It cannot be disputed that the teaching of the Masonic Ritual does create an atmosphere of benevolence and toleration and that masonry definitely enforces on every brother the duty of practicing outside of the lodge the duties they have been taught within. If all Freemasons caught this vision and lived it out, what a tremendous power for good it would become. The result would be that every trace of hate and suspicion would vanish and the spirit of brotherhood would capture and bind together men of every class and creed. Freemasonry reminds us of the swift passing of time and any good we desire to do should be done without delay. "To perform the allotted task while it is yet day." Carlyle says, "I pass this way but once, therefore, any good that I can do, or any kindness shown, let me do it now, let me not neglect it, nor defer it, for I shall not pass this way again."

While Freemasonry is not a religion, yet there is a religious spirit underlying the symbolic teachings of masonry. It is not linked up with any ecclesiastical system, nor as I have stated, is it in itself a religion. There are many people who cannot understand how I, minister of the gospel, can be a mason. They imagine that when a man becomes a mason he loses his religion. This is particularly the criticism of a section of the Christian church who makes its opposition to the Masonic Order one of its fundamental objectives. This is done through sheer ignorance of our principles and precepts. They imply that it is impossible for a Christian to be a mason and vice versa.

Freemasonry exalts the Protestant Bible, and looks upon it as its Great Light. It does not lay stress so much upon those theological teachings of the Scripture that divide men, as it does upon those things that unite them. It emphasises the ethical and symbolic truths of the V.O.S.L. upon which we all agree, and cares not so much about the theological doctrines that fundamentalists and modernists insist upon.

There is nothing in Freemasonry derogatory to the Christian faith, the Jewish faith, or any other faith that stands for a belief in a Supreme Being, or the spread of Righteousness. The V.O.S.L., which includes the New Testament as well as the Old Testament on the altar of a Masonic Lodge, is at least an abiding witness of the regard members of the Craft have for the illumination and teaching offered by the Sacred Law.

Because I have come to the conclusion that a man's religion is the most important factor in his life, I recommend that emphasis be continued to be placed on the religious character of Masonry upon the Craft at large, its help in developing a better man. Freemasonry instructs men in the fundamentals of life and conduct, but

leaves every man to choose his own religious belief, and in effect says:

"To thine own self be true
and it must follow as the night
the day; Thou can'st not be
false to any man."

CONDITION OF MASONRY

How shall we estimate the condition of Masonry in this Grand Jurisdiction? Surely not by its membership for there has been a large increase in initiations. Since the close of World War II young men have been seeking entrance into our Craft, many of them returned men who saw action and who had high ideals for a better world. They suffered and sacrificed and continued in the fight that out of it would come justice and righteousness supreme. The world has failed them and now they lay hold of something that might correspond to the high idealism which had become part of their lives. In Masonry they saw the institution which survives war and revolutions, economic booms and depressions and they sought the stabilizing influence of Masonry as an anchor to their troubled lives. We welcome such prospective material in order that we may get the best in mind and heart for Masonry.

The Earl of Elgin and Kincardine of the Grand Lodge of Scotland has created a slogan, which might well be posted in the ante-room of every lodge. "Numbers do count, numbers are good but quality and good grounding are important — A Candidate well founded is better than a legion."

The splendid spirit of co-operation and good fellowship as well as the enthusiasm shown by a large number of brethren present at all our meetings, speaks well for the harmony prevailing throughout the Grand Jurisdiction. True, there were a few unpleasant incidents, which are to be expected in a membership of over seventeen thousand, but with a little patience, and by "spreading the cement of Brotherly Love and Affection" harmony once more prevails.

I strongly urge all officers of a lodge as they may advance year by year to make it their aim to acquire a thorough mastery of the masonic work in all its aspects, and to familiarize themselves with the provisions of the Book of Constitution. By reason of the failure to do so, considerable unnecessary correspondence is entailed by the Grand Secretary and all concerned, and it is definitely harmful both to the lodge and to Freemasonry.

THREE IMPORTANT PROBLEMS

Every lodge is confronted with three important problems regarding its membership; namely, lodge attendance, suspensions and non-resident members.

Lodge Attendance:

Membership of the average lodge is cosmopolitan as to likes and dislikes. A diversified program is necessary to appeal to all so that

the membership will attend because they want to attend. No institution can solicit or long retain the active support of thinking men unless it has a forward looking constructive, energizing program, worthy of the best thought of the age. Very often lodges lag, lose in attendance and interest because they have no definite aim, no purpose and no program. Active and forward leadership is a prime necessity and I am pleased to note we have such leadership in many of our lodges. The Fraternal visit is extremely pleasant and desirable. We are so apt to get into a rut and nothing broadens a lodge so much as to visit another lodge and receive a visit. It has been well said:

"Therefore be ye steadfast in your attendance at lodge, unmovable in your enthusiasm for greater activity, always abounding in the works of fraternal love." Perhaps the formation of an attendance committee, showing a human interest in absentee members, might be the solution to the problem. In a lodge a man comes forward of his own free will and accord. He is free. His obligations, however, tie him down for all time to come.

Suspensions

While there is a slight decrease in the number of suspensions for non-payment of dues, this is something which should not occur in a Province such as this, so favorably situated. Perhaps it can be put down to the lack of interest and that they had nothing to give to Masonry — so took the easy way out after enjoying its privileges for a short season. Masonry is a house of spiritual values, a place where one gives more than one takes, and if one is not willing to spend and be spent, then there is no place for that one in Masonry.

Non-Resident Members:

It is alarming the number of non-resident members that are reported each year from constituent lodges. Now that the Grand Secretary has made a revision of the membership roll, you will find that many of the members listed as non-resident have passed on and should be erased from the lodge records. I would recommend that all lodges reporting non-resident members get in touch with as many as possible and see that their interests in Masonry are kept alive.

DISPENSATIONS

Dispensations have been granted in routine manner which you will find in the Grand Secretary's report. In addition, I granted six dispensations to lodges to receive and act upon the petition of candidates for initiation with physical defects: two as a result of polio and four as a result of amputations. All cases were submitted to D.D.G.M.'s and received favorable recommendations. I feel that the time has come when we must give heed and practical application to the principle that Masonry regards the internal and not the external qualifications of a candidate as of prime importance.

CHARTERS

In compliance with instructions of the last Grand Communication, charters were granted to the following lodges:

Milo—September 16th, 1954.

Barrhead—September 29th, 1954.

I appreciate the assistance given me by Grand Lodge Officers and others in constituting and consecrating these two lodges. A goodly number were present from neighboring lodges, joining with the Grand Lodge in wishing them well, praying that Divine blessing would follow them in the practice of Freemasonry.

THE GRAND LODGE BULLETIN

Congratulations are in order to the M.W. Bro. Sam Harris, the editor of our Grand Lodge Bulletin, for the splendid publication on Freemasonry that is issued each month. The material presented in our bulletin is informative enough and inspirational enough to form the background for a series of masonic programs for our lodges. The subscription list is now 15,800. May he reach his objective "all lodges in our Grand Jurisdiction receiving the bulletin."

COMMITTEES

During the year I appointed the following Committees: The Committee to "Review the Ceremonials of Grand Lodge" consisted of M.W. Bro. W. H. Jackson, Chairman, M.W. Bro. C. C. Hartman and M.W. Bro. F. P. Galbraith.

The Committee to "Review any changes necessary in the Constitution" prior to reprinting, M.W. Bro. G. M. Blackstock.

The Committee on the "50th Anniversary of the Establishment of Grand Lodge of Alberta". The chairman, M.W. Bro. Harry E. Howard, will give the final report of that committee.

I thank all the chairmen and each individual member of all Committees for the splendid work they have done on behalf of Grand Lodge.

Other Committees appointed for work at this Communication will be found in the Grand Secretary's report.

GRAND REPRESENTATIVES

I had the pleasure of recommending the appointment as Grand Representative, near the Grand Lodge of Alberta, of the following Brethren:—

V.W. Bro. C. D. Nelson, representing Vienna for Austria.

R.W. Bro. D. D. McQueen, representing Kentucky.

V.W. Bro. W. S. Kent, representing New Jersey.

R.W. Bro. R. E. Patterson, representing North Dakota.

I also had the pleasure of appointing the following as Grand

Representatives of the Grand Lodge of Alberta near their respective Grand Lodges:—

V.W. Bro. Paul Burnstein, Vienna from Austria.

W. Bro. George H. Robison, Kansas.

R.W. Bro. J. R. Oliver, British Columbia.

CHANGE IN CHAPLAINCY

Wor. Bro. The Rev. H. A. Cantelon, Evergreen Lodge No. 166, who had been installed as Grand Chaplain, found it necessary to resign his position as Grand Chaplain, having been transferred to the Province of Saskatchewan. I requested R.W. Bro. Canon William H. Morgan, Canada Lodge No. 165, Calgary, to fill the vacancy and complete W. Bro. Cantelon's term. R.W. Bro. Canon Morgan is a faithful servant of Freemasonry, and I thank him for taking over the duties of Chaplain.

LAYING A CORNERSTONE

The members of Red Deer Lodge, No. 12 and of Kenilworth Lodge No. 29 are to be congratulated on their efforts toward bringing to completion the splendid edifice erected to Masonry. It reflects great credit on the lodges concerned and Grand Lodge in particular, also the city of Red Deer. In the laying of the cornerstone of this new Masonic Temple on May 18th, 1955, I was assisted by Grand Lodge officers and several members of Grand Lodge. The ceremony was under the direction of R.W. Bro. John Booth, Unity 51. The ceremony was attended by a large number of brethren from the south of the Province, as well as from the north and nearby lodges.

Following the ceremony there was a banquet in the evening. Red Deer Lodge No. 12 and Kenilworth Lodge No. 29 held a joint meeting for the purpose of receiving the Grand Master and Grand Lodge officers. This was indeed a "red letter" day for Masonry in the city of Red Deer.

FIFTIETH ANNIVERSARY

Brethren, mark well the 50th Celebration of our Grand Lodge in October of this year. Endeavor to be present and make it the most outstanding event that has ever taken place in your Masonic career. You will be well repaid for every effort you put forth to be at this memorable Masonic Assembly.

CONCLUSION

When being officially received at one of our meetings, I was introduced as one "young in Masonry." I accepted this as a compliment, for with it is implied — vigor, enthusiasm and the desire for knowledge pertaining to the Craft. I wish I had had greater Masonic experience before taking over the duties of the office of Grand Master, but with study and hard work in Masonic endeavors, and with the support and encouragement given me by Grand Lodge Officers, Past Grand Lodge Officers and other Brethren, it has made me feel that something worthwhile has been accomplished. I am

grateful for the aid, wise counsel and timely suggestions given me by those brethren who have been my strong support throughout the year.

In the discharge of my duties as your Grand Master, I ever sought to uphold the dignity of the Office and the prestige accorded our Craft. You have given me a year filled with pleasant associations in all parts of the Province, and work which will be a lasting joy and satisfaction throughout the years.

I am about to hand on the "Gavel of Leadership" to another, that he may lead you to greater heights in Masonry. My year has been an arduous one. I am sorry that I could not fulfill every request. It has been a year crowded with enjoyable incidents, which have resulted in so many new friendships formed. I am grateful to the G.A.O.U. for the strength given me in the performance of my duties.

In conclusion, permit me to express my sincere thanks to all for the opportunity of serving you as Grand Master. I bespeak for the incoming Grand Master the same loyal co-operation and helpful assistance which you have given me. May the blessing of the G.A.O.U. be with you all.

Fraternally submitted,

PETER DAWSON, Grand Master.

MOVED by R.W. Bro. S. C. Heckbert (24), Seconded by M.W. Bro. Botterill (29) that the Grand Master's address be received and referred to the Committee on the Grand Master's Address. Carried.

On the completion of this, the first year I have had the honour to serve you as your Grand Treasurer, I would like to observe that, in attending all the meetings of the Committee on Finance and the

Board of Benevolence, I have been much impressed by the careful consideration which is given to matters of finance by the members of the Boards.

I would also like to express my appreciation of the excellent work performed during the year by R.W. Bro. E. H. Rivers, who as Grand Secretary has had the responsibility of maintaining the records pertaining to finance.

GRAND SECRETARY'S REPORT

To the M.W. The Grand Master, Officers and Brethren
of the Grand Lodge of Alberta A.F. & A.M.

M.W. Sir and Brethren:

It is my privilege to present to you the Grand Secretary's report for the period May 1st, 1954 to April 30th, 1955. This report will cover the activities of the Grand Lodge Office, a statement of monies received from the Lodges, Lodge Balances and statistical data. The Statement of Receipts and Expenditures, Assets and Liabilities will be found in the Auditors report.

LODGES

There are now 159 Chartered Lodges in this Jurisdiction. During the year Barrhead Lodge No. 171 and Milo Lodge No. 172 were Consecrated and Constituted as recorded in the Minutes of the Special Communications. There are no Lodges under Dispensation.

PROCEEDINGS

Six hundred copies of the Proceedings of the last Annual Communication were printed and distributed in accordance with the instructions of Grand Lodge. Two copies have been mailed to the Secretary of each Lodge and copies are mailed to each Grand Lodge with whom we are in Fraternal relations and to a small Complimentary list, as well as to Grand Lodge Officers. During the past year many instances have been found where Lodge Officers have stated that they did not know of the existence of the Proceedings and it would appear that a majority of the Lodges fail to carry out the directions of Grand Lodge that selected portions be read in open Lodge. A great many letters are written to the Grand Lodge office requesting information that is published each year in the Proceedings. Indeed, last year three District Deputy Grand Masters wrote in to this office to obtain a list of Lodges in their District and the names and addresses of the Secretaries. I would recommend that each Lodge, as soon as the Proceedings are received, appoint one or more Brethren to read all the reports and etc. and prepare a report for his Lodge on the material at hand.

CERTIFICATES

Certificates required by Section 75 of the Constitution have been provided all Elected and Appointed Grand Lodge Officers. In addition I have issued 847 Master Masons Certificates to Brethren Raised during the year. Several Duplicate Certificates were issued to Brethren who had lost their original Certificates by fire or from other causes.

At the request of the Lodges concerned, after the provisions of the Constitution had been followed, I issued Honorary Life Membership Certificates to 10 Members and Life Membership Certificates to 120 members.

Past Masters Certificates, which are only issued when requested by the Lodge, were issued to 156 Past Masters.

FIFTY YEAR JEWELS

The M.W. The Grand Master has referred in his Address to the Fifty Year Jewels issued. During the year it was found that several Members were entitled to recognition for 60 years and one Member for 70 years. With the approval of the M.W. The Grand Master a Bar for the Fifty Year Jewel was obtained on which is inscribed '60 years' or '70 years' as the case may be and this has been made available. The approval of this Grand Lodge is requested, for the issuance of the Bar.

The following is a list of Jewels issued, by Lodges:

Bow River No. 1	Bro. E. J. Gregory
Bow River No. 1	Bro. J. R. Manson

Cornerstone No. 19	W Bro. H. E. Beddingfield
Cornerstone No. 19	Bro. A. Stewart
Apollo No. 27	R.W. Bro. A. Scotland
Gleichen No. 36	R.W. Bro. Canon H. W. Gibbon
	Stocken
Gleichen No. 36	R.W. Bro. W. F. Durston
Gleichen No. 36	R.W. Bro. A. R. Yates
King George No. 59	V.W Bro. W. Flett
Hussar No. 130	W. Bro. H. D. Brown
Hussar No. 130	W. Bro. E. J. Bell
Jasper Park No. 143	Bro. T. Nelson

The Jewel for W. Bro. S. W. Sprague, as has been recorded, also had Bars for 60 years and for 70 years. He now has 73 years service in the Craft.

In addition to the above Jewels issued in our own Jurisdiction we had the honour and privilege of presenting three Jewels for Sister Grand Jurisdictions as follows:

June 16th, 1954, Tawatinaw Lodge No. 71 at Athabasca, Alberta. R.W. Bro. N. O. Jack, on behalf of Wilder Lodge and the Grand Lodge of Massachusetts presented W. BRO. CALVIN J. CARTER, now of Colinton, Alberta with Veterans Medal of the Grand Lodge of Massachusetts, signifying Fifty years continuous membership.

September 7th, 1954, Quarry Lodge No. 70, Redcliff. BRO. A. McCOLEMAN of Avonlea Lodge No. 156, Saskatchewan and formerly a Member (charter) of Quarry Lodge, was presented with his Fifty year Button and Certificate on behalf of Avonlea Lodge and the Grand Lodge of Saskatchewan..

November 25th, 1954, Ashlar Lodge No. 28, Calgary, M.W. Bro. H. E. Howard presented W. BRO. WALTER F. McNEILL of Cascade Lodge No. 61, Grand Lodge of Washington, F. & A.M. with his Fifty Year Certificate and Button on behalf of the Grand Lodge of Washington.

A check of records has indicated that some Lodges are not recognizing the fact that one or more of their members have been members for Fifty Years or more. It is the responsibility of the Lodges to attend to this matter, but it would seem to be a great pity that any Member should serve for Fifty Years and not receive the Jewel that has been approved by this Grand Jurisdiction.

Many of the Members mentioned above have been very active throughout their membership, in some cases it is only recently that the toll of years has restricted active participation. I am sure that we all feel that it is a great privilege to salute our Brethren.

Whilst dealing with Membership I wish to report that during the past year a complete review of the Membership of the Grand Jurisdiction has been made. A list of all names carried on the "live" cards in the Grand Lodge office was typed and two copies were sent to every Secretary, with the request that he check his lists and report the discrepancies. From the cross-checking that has been completed the lists for the printing of the Roster, as an appendix to the 1955 Proceedings, have been made up. All possible effort has been made to avoid any error.

It was found necessary that the membership of 47 of the 159 Lodges had to be corrected. Some had too many on their list and were paying dues for too many members. Others had failed to report Affiliated members or had reported wrong names for Degrees, resulting in a duplication of entry. One Lodge had an Affiliated member from 1941 who had not been reported to Grand Lodge and for whom no fees had ever been paid. It also appeared that in the years 1914 to 1920 many Lodge Secretaries lost touch with some members and did not advise Grand Lodge. Some had been made Life Members on joining the Forces of the First World War and had not been heard of since. All those shown on the list who had not been heard of for upwards of five years have been struck off and it is hoped that as a result of the comparison of the records of Grand Lodge with the Constituent Lodges, which entailed a very great deal of extra work, the records will now be accurate.

COURTESY DEGREES

During the period under review we received requests from Sister Jurisdictions to confer Degrees on 24 Candidates, which was done by Lodges at or near their place of residence.

The Grand Lodge of Alberta requested Sister Jurisdictions to confer Degrees in 10 instances. One of these was for a member of Unity Lodge No. 51 who has paid his dues as a Fellowcraft since January 29th, 1913 and who was Raised in Maritime Lodge No. 193, Portland, Oregon. The Brother has been a resident of Oregon for a great many years.

CONSTITUTION AND CONSECRATION OF NEW LODGES

Barrhead Lodge No. 171 was Constituted and Consecrated on September 29th, 1954.

Milo Lodge No. 172 was Constituted and Consecrated on September 16th, 1954.

Reports of the Especial Communications held will be found in the front of the Proceedings.

DISTRICT MEETINGS AND CONFERENCES

I attended the M.W. the Grand Master at each of the nineteen District Meetings and at the two ceremonies of Constituting and Consecrating noted above. I accompanied the Deputy Grand Master, R.W. Bro. S. C. Heckbert and M.W. Bro. Sam Harris to the All Canada Conference in Toronto and the Washington Conference in Washington, D.C. in February, as well as attending the Conference of the four Western Jurisdictions at Banff in September, 1954. This latter Conference will be the subject of a special report by M.W. Bro. G. F. Ellis and each of the District Meetings has been covered by the District Deputy Grand Master concerned.

FOURTH BIENNIAL CONFERENCE OF GRAND AND DISTRICT GRAND LODGES A.F. & A.M. OF CANADA

I was honoured by being appointed to the Agenda Committee of this Conference, together with the Grand Secretaries of Manitoba and Saskatchewan. We met as a Committee in Regina on December 17th, 1954 and drew up the Agenda for the Meeting held February 17th to 19th inclusive in Toronto.

The Meeting was attended by all but one of the Grand Lodges and District Grand Lodges of Canada and met under the Chairmanship of M.W. Bro. R. E. Partridge of the G.L. of Saskatchewan. Papers were presented as follows:

1. The Attitude of Grand Lodges to Organizations Predicating Membership in the Craft and the Effect that such Organizations have on Craft Masonry; Presented by Alberta (R.W. Bro. S. C. Heckbert).

Discussion led by Saskatchewan.

2. Is it advisable to have a Board of General Purposes and if so, What should be its Composition and Duties? Presented by Ontario. Discussion led by New Brunswick.

3. My Church, My Service Club, My Home, My Community and My Lodge. Presented by Nova Scotia.

Discussion led by Manitoba.

4. What is the best Approach to Masonic Research Activities? Presented by Quebec.

Discussion led by Newfoundland (English Constitution).

5. The Desirability of elimination of Reduced Non-Resident Dues.
Presented by Ontario.

Discussion led by Prince Edward Island.

In addition, a very comprehensive report on Fraternal Relations was presented by M.W. Bro. R. V. Harris of Nova Scotia.

During 'Open Forum' many matters of interest were discussed and much information was exchanged. During the evening of the Second day there was a meeting of the Canadian Masonic Research Association, which, whilst not a part of the Conference, proved most interesting. M.W. Bro. R. V. Harris is Secretary.

The Conference presents a grand opportunity for Officers of the Canadian Grand Lodges to get together and discuss mutual problems as well as to get acquainted. On the first evening all members were guests of M.W. Bro. J. A. Hearn, Grand Master of the Grand Lodge of Canada in the province of Ontario, at a very enjoyable banquet.

WASHINGTON CONFERENCES

There are four separate Conferences held in Washington on or about February 22nd each year. This date is, of course, the Birthday of George Washington and is widely celebrated in the U.S.A.

The Conferences are:—

George Washington National Memorial Association.

The Masonic Service Association.

Grand Masters of Masons of North America.

Grand Lodge Secretaries of North America.

The first two are for the United States Grand Lodges, but the Canadians attending are welcomed as visitors. The third and fourth are Conferences in which representatives of the Canadian Grand Lodges are expected to take an active part. The Papers presented were as follows:—

Grand Masters:—

Freemasonry in a Troubled World.

M.W. Bro. Leroy E. Matson—Minnesota.

Freemasonry in Europe.

M.W. Bro. O. H. G. Jacobsen—Wyoming.

Getting Initiates to Continue.

M.W. Bro. George Moffett—Texas.

Masonic History and Education.

M.W. Bro. F. J. Scully—Arkansas.

Report of the Commission on Information for Recognition.

M.W. Bro. Thomas S. Roy, P.G.M.—Massachusetts.

Prohibition of Politics and Religion in Freemasonry.

M.W. Bro. Roscoe Pound, Hon. P.G.M.—Nebraska.

Grand Secretaries: -

Uniformity of Minutes and Records in Subordinate Lodges.
Geo. A. Avery—Pennsylvania.

Life Membership in various Lodges and Jurisdictions.
Harry D. Proudfoot—Oregon.

Summary of Proceedings in Cases Involving Differences in
Grand Lodge Rules and Regulations.
Aaron H. Grout—Vermont.

Each of the Papers in the Grand Secretaries Conference provoked lively discussion. It is remarkable how similar systems can vary!

SEMI-ANNUAL RETURNS

In my report last year I mentioned the fact that great many Secretaries fail to get their returns in on time. Section 132 of the Constitution makes it obligatory for all Fees and Dues to be paid within **one week** of the end of the period, viz.: June 30th and December 31st each year. Section 133 directs that a fine of \$5.00 SHALL be imposed on all Lodges whose returns are not in by February 1st and August 1st, etc.

I beg leave to bring to your attention a situation that makes the work of tabulating the returns very difficult. There were FIFTY Lodges whose December 31st, 1954 returns had not been received by February 1st. Twenty-eight of these were received between February 1st and 15th, 1955. Fourteen between February 16th and 28th, five between March 1st and 15th, one on March 16th, one on March 25th and one not until April 14th, 1955. In the case of the latter two fines of \$10.00 were imposed. Each Lodge was written to, two collect telegrams were sent followed by phone calls and in the last instance—the Secretary was seen personally.

In the June 1954 Returns TWENTY-TWO Lodges did not have their returns filed by August 1st and the last one was received on October 5th, 1954. In 1953 for June returns forty-eight were late. Twenty-three were received in August, thirteen in September and two in October. For December forty-five were received in February and eleven in March 1954.

The work of the Grand Lodge Office is by no means light and it is impossible to clean up a great many items until all Returns are in. Therefore it is essential that the Secretaries of the Constituent Lodges get the returns in at least by August 1st and February 1st each year. I may say that I have enquired of two other Grand Lodges as to their experiences and find that in one the Secretaries are given TEN DAYS to get the Returns in, after which there is a fine of \$1.50 PER DIEM for delay. This is strictly enforced but seldom has to be used. Another Grand Lodge advises that any failure to make returns and pay the fees within ten days deprives the Worshipful Master and the two Wardens of their votes at Grand Lodge.

If all returns were received by August 1st and February 1st in each year, the work of Grand Lodge Office can be properly organized, but I see no excuse at all for the matter to be dragged out for three and a half months. Brother Secretaries, I request your co-operation.

I would like to express my thanks to W. Bro. J. G. Niddrie (11) for his labours in checking and correcting, where necessary, the Latin translations of Lodge names throughout the Jurisdiction.

The Rulings of the Committee on the Work at present authorize copies of the Work, in each Rite, to be presented to the Five Senior Officers of the Lodge and also to be made available to Past Masters. There is very considerable difficulty in keeping track of the copies issued to the officers each year and some Lodges have failed to send in the receipts of the work for many years. I would recommend that a Copy of the Work be issued to the Junior Deacon on his assuming office and that it remain his property. In the event that the Junior Deacon does not carry on through the Chairs, the Lodge Secretary could collect the Work for his successor. In this manner the need to record the transfer of copies of the Work at each Installation would be eliminated.

At the direction of the Committee on the Work, copies of all Rulings were made and mailed to the Secretary of every Lodge and to all Past Grand Masters, I have no doubt that the Brethren will be heard from when the Committee's report is presented.

In September 1954 the Finance Committee accepted the Agency of the Dominion Regalia Co. for supplies for Constituent Lodges. All Regalia and Lodge Supplies can now be obtained through Grand Lodge Office. A great many Lodges have availed themselves of this service and I trust that they have been satisfied with the attention given their needs.

Supplies. To facilitate the ordering of Supplies and to provide the Lodge Secretaries with a current price list, all Forms used by Grand Lodge were numbered, and a descriptive sheet, with the prices thereon, was sent to every Lodge Secretary. The price of these forms and other Supplies is being kept to an absolute minimum. The cost of sales, as shown in the Finance Sheet does not include the postage, which in many cases is more than the profit on the article. The object is to make supplies available to all Lodges as reasonably as possible.

During the year I adopted a practice of sending out informative letters to the Lodges, covering a number of items that had come to notice. Six such circular letters were sent out, they covered such matters as errors noted in Lodge Notices (many do not have the Lodge seal). Amendments to By-laws; Life Membership; District Meetings; Regalia; Supplies; Accounts; Liability Insurance; The Bulletin and Returns. I hope that these letters may have been of some assistance to the Secretaries. During the year also the directions of the Finance Committee were implemented in that Quarterly Statements are now sent to every Lodge and they are requested to pay their accounts on receipt of the Statements. I believe the system is working well and will improve when all have become accustomed to it.

Public Liability Insurance. On July 5th, 1954 the Finance Committee carried out the Direction of Grand Lodge and took out two Public Liability Insurance Policies, one for General Liability and the other for Non-owned Automobile Liability. In each case these are Master Policies and all Constituent Lodges have the right to be joined in the protection offered. Particulars of the Policies were contained in last years Proceedings. A copy of each Policy has been provided to every Lodge. At April 30th, 1955, 62 Lodges have taken the General Liability Policy and 57 have taken the Non-owned Automobile Policy.

Each of the above Lodges is Incorporated under the ACT TO INCORPORATE THE GRAND LODGE OF ALBERTA, A.F. & A.M., being Chapter 22 of the Statutes of Alberta 1908. It is strongly recommended that those Lodges that are not now Incorporated should be Incorporated under our own Act. The cost is \$10.00 and no returns are required. I would also recommend that future Lodges should be Incorporated as soon as Consecrated.

Section 240 of the Constitution requires Lodge Secretaries to submit a list of Masters, Wardens and Past Masters of the Lodge entitled to vote at Grand Lodge, to the office of the Grand Secretary fourteen days before Grand Lodge. Some Secretaries have listed all Past Masters whether dead or alive and much confusion results in the making of the Grand Lodge Registers. As Section 162 requires all Secretaries to submit the list of Officers Installed and Invested each year I consider Section 240 is superfluous and recommend that it be deleted. I believe that an accurate list of Past Masters can be maintained in the Grand Lodge Office and the Certificate required in Section 162 will suffice to prepare an accurate Register. The only Brethren who might be missed would be those Past Masters who might Affiliate with a Lodge between January 1 and June 1 in any year.

I would recommend that the Grand Secretary be authorized to issue one copy of the newly printed Constitution to each Lodge, without charge, so that we can be sure that each Lodge will be using an up-to-date reference.

Brethren, as the Membership of this Grand Jurisdiction increases the work of your Grand Lodge office increases. During the past year a very great deal has been accomplished. My thanks are due to the Lodge Secretaries for their assistance in making a check of membership and their help in many other matters. My thanks also to the District Deputies, who have ever been ready when called on. It is the endeavor of the Grand Lodge office to be of service in any way possible and my thanks are due to Miss Butler for her interest in the work and efforts to give attention to the needs of all members.

Fraternally and respectfully submitted,

E. H. RIVERS, Grand Secretary.

MOVED by R.W. Bro. E. H. Rivers (51), seconded by R.W. Brother M. W. Robertson (14). That the Report of the Grand Secretary,

except the Financial Statement, be received and referred to the Committee on the Grand Secretary's Report and the Financial Statement, including the Auditor's Report, be referred to the Committee on Finance. Carried.

The Grand Master: Brethren, it is now 11:30 a.m. and I do not think that we will start another order of business. We will now adjourn and will call on again sharply at 2:00 o'clock p.m. Brother Grand Director of Ceremonies you will close the V. S. L.

FIRST DAY (Afternoon Session)

Grand Master: Brethren I declare Labour resumed in this Grand Lodge. Brother Grand Director of Ceremonies please attend the V. S. L. (Time 2:00 p.m.). M.W. Bro. Sam Harris (88) introduced R.W. Bro. R. C. Hodsman Senior Grand Warden of the Grand Lodge of Saskatchewan, who was received with Honours and escorted to the East.

The Grand Master: R.W. Bro. Hodsman, we are very happy to have you here today and we extend you a very hearty welcome.

INTRODUCTION OF TWO OLD MEMBERS

M.W. Bro. M. M. Downey: M.W. Grand Master, on the occasion of the Fiftieth Communication of this Grand Lodge, I think it is fitting that recognition should be made of these Brethren who associated with this Grand Lodge previous to 1905, W. Bro. R. J. Esplen, was Master of Nanton Lodge No. 17 in 1906 and the then Grand Master M.W. Bro. G. MacDonald left the Installation until the Grand Lodge Communication so that W. Bro. Esplen was Installed as Master of Nanton Lodge No. 17 at Grand Lodge in Medicine Hat in 1906. Later after serving Masonry in Nanton for some years he left for B.C. and helped to form and was master of Ancient Light Lodge No. 88 at Ladner, B.C.

I also wish to introduce W. Bro. James Cook who came to Canada in 1899 and who joined Medicine Hat Lodge No. 31 under the Grand Lodge of Manitoba and was Master in 1901. I was there at the time he was Master and was an Affiliated member of Medicine Hat Lodge. Bro. Cook went to Creston, B.C. and it so happened that I was in Creston, B.C. the night he was installed as Wor. Master of the Lodge there. You will recall that Bro. Cook was introduced to Grand Lodge last year and is one of the two members alive who were present at the formation of the Grand Lodge of Alberta. M.W. Grand Master I present these two old timers to you.

M.W. Grand Master: M.W. Bro. Downey and Distinguished Brethren, we are very happy to have you here with us today and we extend to you a very hearty welcome and I will ask the Brethren to show their appreciation. (Applause).

REPORT OF THE COMMITTEE ON FRATERNAL DEAD

To the M.W. the Grand Master, Officers and Members of the
Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren:

Once again we pay respect to the memory of, and give thanks for, the examples set by the many Members of our Order who have during the year, passed to the Eternal Light of the Grand Lodge above.

No man who has been raised in the sublime Degree of a Master Mason can fail to believe in the future life. Our whole system is based on that grand truth. So while we miss our Brethren in our

communications, we rejoice that they have entered into that fuller light where they no longer need the signs and symbols of this transitory life.

We mourn the loss of 315 Brethren of our Jurisdiction during the past year. It is not possible to mention them all here. They will be recarded in our Proceedings.

We must, however, mention the names of some of our Past Grand Officers who have departed to the Grand Lodge above during the year 1954. Some others have passed on since January 1st last, their names will be mentioned in next year's Proceedings. The M.W. the Grand Master has already mentioned M.W. Bro. John Thomas MacDonald and M.W. Brother George Moore of whom special pages will be printed in the Proceedings.

To Sister Grand Jurisdictions we offer our most sincere sympathy for those they mourn. To the relatives and Lodges who mourn the loss of loved ones we express our sorrow and heartfelt sympathy in their bereavement.

Let us Pray:

Almighty God with who do live the spirits of them that depart hence in the Lord and with whom the souls of the faithful, after they are delivered from the burden of the flesh are in joy and felicity. We praise and magnify Thy Holy Name for all Thy servants who have finished their course in Thy faith and fear. Help us, O Heavenly Father, to trust our loved ones to Thy care. When sorrow darkens our lives help us to look up to Thee, knowing that they have entered into a fuller and more perfect life; and grant that we who remain may so dedicate ourselves to Thy service that we may finally be reunited with them in Thy Eternal Presence through Jesus Christ our Lord. Amen.

So mote it be.

Respectfully submitted,
W. H. MORGAN,
Grand Chaplain.

MOVED by R.W. Brother Canon W. H. Morgan that the Report of the Committee on Fraternal Dead be received and the sympathy of this Grand Lodge be extended to those Lodges and Grand Lodges concerned. Seconded by R.W. Bro. T. S. Jeffery. Carried.

Grand Master: Brethren, we have a number of Distinguished Guests with us and I think it opportune for us to receive a word from the representative of our Mother Grand Lodge — Manitoba. We have their Grand Master, M.W. Bro. R. E. Emmett and their Grand Secretary, M.W. Bro. T. C. Jackson. I will call on M.W. Bro. Emmett.

M.W. Bro. R. E. Emmett: M.W. Grand Master, visiting Brethren and Brethren of the Grand Lodge of Alberta. On behalf of the Fifteen thousand Masons of the Grand Lodge of Manitoba I bring the most sincere, warm, hearty and enthusiastic fraternal greetings. It has been a heart-warming experience for me, in this my first visit to your Grand Lodge to hear in reference to some of the early Lodges, the pride with which they refer to the fact that they were, in the first place, affiliated with the Grand Lodge of Manitoba. I was also interested in the reference to the elderly members of your Grand Jurisdiction and to the two Brethren who were presented at the Altar a few minutes ago. It is wonderful to find so many receiving the Fifty Year Jewel. I think I should tell you of an experience we just had in Manitoba. It certainly is unique as far as Manitoba is concerned. In the Neepawa Lodge the Immediate Past Grand Master had the distinct honour of presenting three Fifty Year Jewels to three Brethren who were initiated together, that is unique in itself, however, two of the Brethren were brothers and their father, now nearing the century mark, was present to see them receive the Jewels. Both men are past the seventy year mark and I tell you that story to

emphasize that you in Alberta do not have the sole prerogative of longevity. I am happy indeed to be here and would like to say 'thank you' for your hospitality. (Applause).

M.W. Bro. T. C. Jackson, Grand Secretary also expressed his appreciation at being present and pointed out that it was just as important that the Brethren of today should adhere to the principles of Freemasonry as it was fifty years ago.

Grand Master: Brethren it is indeed a pleasure to hear the remarks and greetings of these distinguished visitors.

Grand Master: Brethren the reports of the D.D.G.M.'s have been printed and are in your hands but I will call on them for just a word, just a minute please. The District Deputy Grand Masters all spoke briefly. Their reports follow:

Reports of District Deputy Grand Masters

The Reports of the 19 District Deputy Grand Masters and the Grand Master's Representative in the N.W.T. are presented herewith. Each and every report is addressed to the **M.W. The Grand Master of the Grand Lodge of Alberta A.F. & A.M.**, it commences '**Dear Sir and M.W. Bro.**' and correctly ends '**Respectfully and Fraternally submitted.**' To conserve space these formalities have been omitted from each report.

DISTRICT No. 1

I submit herewith my report as District Deputy Grand Master of Masonic District No. 1 for the year 1954-55.

With one exception I have officially visited each lodge twice, the exception being my own lodge, Bow River No. 1 which I officially visited once. I regularly attend this lodge twice monthly. Unofficial visits have been made to most of the lodges on various occasions. Upon my visit to Cascade Lodge No. 5 at Banff on 11th November 1954, it was my privilege to present a Fifty Year Jewel to R.W. Bro. Robert E. Campbell, a member of Cascade Lodge since 31st October 1901. I also attended a banquet tendered by Perfection Lodge No. 9 to M.W. Bro. W. M. Connacher to mark his Diamond Jubilee as a Mason. I deem it a great honor to have had an opportunity to pay tribute to this stalwart member of the Craft and Grand Lodge.

The District Meeting was held in St. Mark's Hall, Calgary, on 10th November, 1954, and was well attended. At the afternoon session, informal and very helpful discussions took place under the guidance of Most Worshipful the Grand Master and the Grand Secretary. After an early banquet the evening meeting was opened in regular form when "Examination of a Visiting Brother" was exemplified by W. Bro. John Begg and members of Perfection Lodge No. 9 and a paper entitled "Topics of General Information and Interest to Masons" was given by W. Bro. Rix of Ashlar Lodge No. 28. These timely subjects were well received and elicited many questions and much comment by the brethren, out of which considerable useful information was gained for the guidance of the Craft. M.W. Bro. Rev. Peter Dawson addressed the meeting taking as his topic "An Alarm at the Door." The Grand Masters' remarks proved of great interest to the brethren who expressed their appreciation in a generous manner. At this meeting W. Bro. W. Lloyd McPhee of Perfection Lodge No. 9 was elected District Deputy Grand Master for the year 1955-56 subject to the approval of the Grand Master.

On November 28th, 1954 the brethren of District No. 1 joined with those of District No. 18 in attending divine service at Grace Presby-

terian Church, Calgary, when Bro. the Rev. Dr. Frank S. Morley occupied the pulpit and extended a cordial welcome to the brethren. Regalia was worn.

All lodges in the District are in sound financial condition and, generally, the records and historical registers are well kept. From my observations all the lodges do not follow the same bookkeeping method. May I suggest that a uniform and simple system be prepared under the guidance of say — a qualified accountant — and adopted by each lodge. This might be of help to Secretaries and also to District Deputies and others, who may not always be experienced in this line. All lodges are busy conferring degrees and the ritualistic work is performed with dignity and a high degree of efficiency.

Lodges practising in the Canadian Right are not all in agreement as to procedure when conferring the third degree on more than one candidate. It would be helpful if the Committee on the Work would rule how far or to what extent in the ceremony candidates may be taken collectively or singly when being raised to the Master Mason degree.

On the whole Masonry in District No. 1 is in sound condition. There has been a nominal net increase in membership during the year, ninety-eight new Masons being received. These are generally of good quality and prospects are favorable for continued healthy growth. The average attendance appears to be on the up-swing but, in some respects, this is attributable to a higher percentage of attendance at emergent communications, the attendance at regular meetings being very disappointing in some instances. This lack of interest in the business administration of the lodges is to be regretted and it would seem highly desirable to find a way of bolstering the attendance at regular meetings. The Bulletin is distributed in each lodge and is widely read but more emphasis could be placed on Masonic Research by some of the lodges.

I consider it an honor to have had the opportunity to represent you in District No. 1. The courteous and generous welcome I have received from the lodges on my visitations have been much appreciated. I would like to thank the Grand Secretary, R.W. Bro. E. H. Rivers, for advice readily and pleasantly given when requested and to convey to the District Secretary, W. Bro. D. F. McKeague, my thanks for a happy association fraternally carried on throughout the year.

D. S. BAREHAM, D.D.G.M.

DISTRICT No. 2

I have the honor to submit for your consideration and approval my report as your District Deputy of Masonic District No. 2 for the year 1954-55.

My first official duty as your representative was on June 24th when I was privileged to act as installing master for my own lodge Grassy Lake No. 57 and was assisted by W. Bro. D. Burns, W. Bro. W. Tardiff and W. Bro. T. Helland.

I am very pleased to state that I was able to make my official visits to all lodges in District No. 2 before the district meeting. I feel this had a great bearing on the good attendance we had and we were favored with good weather. The lodges in District No. 2 have made great advancement in Masonic education. Before the two Medicine Hat lodges had had Research Nights, but this policy has now been taken up by all the country lodges and they are setting special nights for this work. I am more than pleased by the work of the country lodges as two lodges have seen fit to have Past Masters take the chair in the East for the betterment of the lodge.

One thing I would like to mention at this time is that on my official visit to Medicine Hat Lodge No. 2, W. Bro. Cook from Creston, B.C. was there, he was honored at Grand Lodge last year and hopes to be there again this year as he is one of the original members to help form Grand Lodge. It was also the birthday of W. Bro. S. Sprague who was celebrating his 96th birthday and still takes a keen interest, seldom missing lodge.

Visitations — My official visits were as follows: Brooks Lodge No. 73, Sept. 21st; Quarry Lodge No. 70, Redcliff, Oct. 5th; Medicine Hat Lodge No. 2, Oct. 12th; Bassano Lodge No. 55, Oct. 14th; Mizpah Lodge No. 35, Medicine Hat, Oct. 19th; Bow Island Lodge No. 64, Oct. 20; Manyberries Lodge No. 133, Oct. 21 and Grassy Lake Lodge No. 57, Nov. 11th.

District Meeting — The District meeting was held in Masonic Temple at Medicine Hat on Nov. 3rd. The afternoon meeting of Masters, Wardens and Secretaries was the largest in many years. A great deal of information was given by the Grand Master Rev. P. Dawson and Grand Secretary E. H. Rivers to help the officers to carry on uniform work.

The banquet was held at six o'clock and the meeting opened at 7.30 p.m. with W. Bro. Turnbull in the chair assisted by officers of Grassy Lake Lodge No. 57. As your D.D.G.M., I was officially welcomed and declared the meeting opened. Most Worshipful Grand Master Rev. P. Dawson, Grand Secretary R.W. Bro. E. H. Rivers and other Grand Lodge officers were received with Grand Honors and welcomed to the East. The Masters of the different lodges gave favorable reports of the activities and showed all lodges in good financial standing. The exemplification on the examination of a visitor was very ably carried out by Mizpah Lodge No. 35 in the Canadian Rite and Brooks Lodge No. 73 in the York Rite. Wor. Bro. E. J. Fooks of Mizpah Lodge No. 35, Medicine Hat, was elected D.D.G.M. for the year 1955-56 subject to approval of the Grand Master. By open vote Medicine Hat was chosen for the next District Meeting. Most Worshipful Sir you left a great deal of food for thought with the brethren in your fine address.

Special Occasions — I had the privilege to attend Pincher Creek Lodge with several Grassy Lake members to present W. Bro. Oddie, our second Master with his life membership as he is the only living charter member of Grassy Lake Lodge. I also had the honor of accompanying the Grand Master and R.W. Bro. Hay of District No. 7 to Foremost No. 103 on his official visit.

I was highly honored on my visit to Medicine Hat Lodge No. 2 on Feb. 8th. Owing to your absence on account of bad roads, W. Master Bro. B. McKenzie asked me to present several jewels to members of their lodge. The first to W. Bro. S. Sprague who was initiated in Corinthian Lodge No. 13, Hampton, N.B., on July 11th, 1883, seventy two years ago and he acted as W. Master for six years, 1887 to 1892, and affiliated with Medicine Hat Lodge No. 2 in 1908. He has been a very active member and still attends lodge every month. I presented him with his 70 year jewel which I feel was the highest honor that can be given any D.D.G.M. I was also called upon to present three 50-year jewels to Bro. J. Kochane, Bro. J. H. Wyatt and Bro. A. P. Burns. On the same occasion your Director of Ceremonies V.W. Bro. W. Noble, presented R.W. Bro. W. H. Williams with a Secretaries Jewel for his 31 years of service as secretary of the lodge and the work which this distinguished brother has given to Masonry.

I also had the honor of being Installing Master at Medicine Hat for four lodges, Medicine Hat No. 2, Mizpah No. 35, Bow Island No. 64 and Quarry Lodge No. 70, and was ably assisted by several of the Past D.D.G.M's.

Before closing this report I wish to express my very sincere thanks to the officers and members of all the lodges in the district, for the assistance and kindness given me and especially to the Past D.D.G.M's for their help and advice during my term of office. I also want to say thanks to my most faithful secretary V.W. Bro. W. A. Noble who has a great knowledge of the work and who has been District Secretary for over ten years.

On finishing my report there came a note of sadness on receiving word this morning of the terrible fire which destroyed the Lodge Room and all furnishings and Lodge Regalia at Bassano. It indeed was a blow but if all of us can come to the assistance of these brethren they will soon be able to rebuild.

It has been a pleasure and a great privilege M.W. Sir to have served as your D.D.G.M. in District No. 2.

MAURICE J. S. LLOYD, D.D.G.M.

DISTRICT No. 3

It is indeed an honor to submit, for your approval and consideration, my report on the condition of Freemasonry in the 3rd Masonic District, for the year 1954-55.

The District meeting was held in Jasper Park on Saturday, Sept. 4th, and was well attended. A number of lodges in the District were without representation at this meeting, due principally to the poor condition of the roads leading to Jasper Park. However, there were 61 present, which indicates an active interest.

An informal discussion period was held from 3 to 5 p.m. to permit those present to meet the M.W. Grand Master and R.W. Grand Secre-

tary, who were present for the occasion. This informal discussion produced many topics of particular interest to those assembled, and questions asked were very well received and replied to by the M.W. Grand Master and R.W. Grand Secretary.

A fine banquet was served in Tekarra Lodge at 6 p.m. after which all adjourned to the lodge room where the District meeting was opened at 8 p.m. by the officers of Jasper Park Lodge No. 143. The D.D.G.M. was received, introduced, accorded the customary honors, and assumed the gavel. The M.W. Grand Master and R.W. Grand Secretary were then received and accorded the honors so justly their due.

V.W. Bro. A. J. Lauder, Evergreen No. 166 was elected D.D.G.M. for the ensuing year, subject to the approval of the M.W. Grand Master. Members of Jasper Park Lodge exemplified, in a very capable manner the "Examination of a Visitor" and were congratulated by the M.W. Grand Master for their efforts.

One of the memorable events of the meeting was the presentation of a 50 year jewel to Bro. Thos. Nelson of Jasper Park Lodge No. 143. This presentation was made by the M.W. Grand Master in a most fitting manner.

All those present were very sorry that R.W. Bro. Haliburton, immediate Past D.D.G.M. was not able to attend this meeting due to ill health. However, I am pleased to report that he has now recovered and is again taking an active part in Freemasonry.

The R.W. Grand Secretary addressed the meeting on several matters of vital interest which were well received and of great benefit to those present.

The highlight of this meeting was the Grand Master's address which left us without any doubt as to what our duties and responsibilities were as Master Masons in the Community, and was an inspiration to all present.

The meeting was then brought to a close and lunch served in the banquet room.

I made one official visit, and several unofficial to the Lodges in my jurisdiction and find that Freemasonry is flourishing throughout District No. 3, not only in numbers but in a sincere desire to obtain further Masonic knowledge. I was particularly impressed by the number of young men who are seeking admission to our Order, and the active part being taken by them in our deliberations and ceremonies. This, in my opinion, is conclusive evidence that those who have gone before have been fulfilling their duties, not only in Masonic matters but have been living exemplary lives, so that candidates of the proper calibre are seeking admission to our Order, and too, that those so charged are exercising due caution in the selection of candidates, which is essential to the welfare of Freemasonry.

I find that the lodges in District No. 3 are on a sound financial basis, books and historical records well kept, and up to date. All lodges are active and a gradual increase in membership is evident

throughout the District. I was indeed grateful to find that a very fine spirit of co-operation, fellowship and respect exists in the District, and in every instance a keen interest and sincere desire to increase in Masonic knowledge is prevalent, which speaks well for the continued success of Freemasonry in general.

It is with sincere regret that I mention the passing to the Grand Lodge above, of several officers and members during my term of office. Our sincere sympathy is extended to the bereaved and to the Lodges which suffered the loss of these members.

I noticed, during my official visits to the various lodges in the jurisdiction, that the membership fees, in some instances were very low, particularly with regard to non-resident members, and while we cannot place any monetary value on membership in such a wonderful society as it is our pleasure to enjoy, I do think, and would recommend that Lodges set a minimum fee of \$10.00 for either resident or non-resident members.

It has been a privilege and a pleasure to serve as D.D.G.M. in this District for the year just ended, and I would like to express my sincere thanks to all for the honor conferred on me, and for the many courtesies shown and kindness extended on every occasion. Just a little special thanks to Jasper Park Lodge for their wholehearted support and efficient handling of arrangements for the District meeting and the fine spirit of co-operation and Brotherly Love extended during my term of office.

In conclusion M.W. Sir, please accept my sincere thanks for the confidence placed in me by approving my election as your representative. I am indeed grateful for this honor and my sincere wish is continued success and happiness to all.

V. R. SPEARE, D.D.G.M.

DISTRICT No. 4

I beg to submit for your approval my report as District Deputy Grand Master of District No. 4 for the year 1954-55.

The annual District Meeting of District No. 4 was held at Carstairs on Wednesday, October 20th, 1954, with a very good representation of the different Lodges in the District.

The M.W. the Grand Master, M.W. Bro. Peter Dawson and the Grand Secretary, R.W. Bro. E. H. Rivers, held an informal meeting before the regular meeting, when several questions were brought up and discussed. The meeting proved of considerable benefit to the officers of the lodges participating.

The District Meeting was called to order at 4 p.m. The Grand Master and other Grand Lodge Officers were received in due and ancient form and invited to the East.

The Masters or delegated representatives of the different lodges

gave their report of the activities during the past year, which showed a distinct interest in and progress of Masonry and were commended by the M.W. the Grand Master.

V.W. Bro. Hugh McPail gave a very interesting address, after which the brethren attended a banquet held in the United Church Hall, with the catering being done by the members of the O.E.S.

At 7.30 p.m. the meeting was reconvened and the report of the District Deputy Grand Master, R.W. Bro. J. J. Letcher, was received.

Only one nomination having been received for D.D.G.M., V.W. Bro. Hugh McPhail of Mountain View Lodge No. 16 was declared elected, subject to the approval of the Grand Master. Although Mountain View Lodge No. 16 offered to have the next annual District Meeting at Olds, they kindly acceded to the request of the two Red Deer Lodges, to hold the meeting in their new Temple, which would be completed in time during the year 1955.

It was my privilege, when making my official visit to Kenilworth Lodge No. 29 on March 1st, 1955, to attend the first meeting to be held in the new Temple, which at that time was sufficiently completed. The Red Deer Lodges can be justly proud of their achievement and it is my sincere hope, that their meetings in this beautiful building, will bring beauty to their hearts.

Exemplification of the "Examination of Visitors" in both the York and Canadian Rite were given and proved very interesting.

The meeting was completed with an inspiring address from the M.W. the Grand Master.

Visitations — I made my official visits to all lodges in the District and at this time wish again to express my appreciation for their kind and co-operative reception.

The Degree Work was done in a good and understandable manner and in some cases I considered it excellent. The books and records were well kept with the exception of a few Historical Registers. I urged the Masters and Secretaries to give the matter of keeping the Historical Register their special attention.

Adequate insurance is being carried and in practically all cases the Grand Lodge Bulletins are sent to the brethren.

One Lodge failed to send their Financial Statement and Record of Activities and this matter is now under consideration by Grand Lodge. This is very regrettable.

I feel that District No. 4 as a whole is doing excellent work and making progress and I sincerely trust that the matter of selection of Masters and Junior Officers will at all times have the serious consideration of all brethren.

May I at this time express my thanks and appreciation to R.W. Bro. R. F. Anderson for his help and support as my District Secretary and bespeak for V.W. Bro. Hugh McPail the same kind courtesy the brethren so liberally extended to me.

G. Z. H. VAN HAAFTEN, D.D.G.M.

DISTRICT No. 5

I have the honor and the pleasure to submit to you and to the M.W. the Grand Lodge my report as D.D.G.M., District No. 5, for the year 1954-55.

The District Meeting was held at Hughenden on August 4, 1954, with you, M.W. Sir, and R.W. Bro. Rivers attending. I wish to express my respect for your courage in coming from Castor to Hughenden on the morning of the meeting, as it was raining heavily and the roads were very bad.

The afternoon meeting was informal and you, M.W. Sir, met with the Masters of the Lodges, while R.W. Bro. Rivers conferred with the Secretaries. All these brethren were satisfied that this get-together was very instructive.

In spite of the bad weather, 90 brothers sat down to a banquet at 5.30 p.m., served by the ladies of the W.A. in their usual splendid manner.

Efficiency Lodge No. 141 opened at 8.00 p.m., with W. Bro. Beck in the East. I was then received, introduced by R.W. Bro. Cochrane, given the grand honors, escorted to the East, assumed the gavel and opened the District Meeting. The Grand Master, M.W. Bro. Peter Dawson, and the Grand Secretary, R.W. Bro. E. H. Rivers, were then received, introduced, honored and escorted to their places in the East.

All lodges of District No. 5, except one, were represented.

R.W. Bro. E. Butcher, I.P.D.D.G.M., gave a very good report of the progress made during his year of office.

W. Bro. A. Lissack was then elected to act as D.D.G.M. for the year 1955-1956, subject to confirmation by the Grand Master. I know that Brother Lissack will have the co-operation of all the brothers. The next meeting of District No. 5 will be held in Forestburg.

I visited all the Lodges in my District at least once, and I am pleased to report that the Masonic spirit among the brethren is very good indeed. At all the meetings I was received with friendship and goodwill, and I have made many new friends.

Provost Lodge No. 61 had the misfortune to lose, by death, their W. Master, W. Bro. C. Fox. He will be greatly missed.

One lodge was unfortunate in having elected and installed a brother who did not seem to appreciate the honor conferred upon him. He attended only two meetings during the year.

However, both the above Lodges have very capable senior wardens and the work was carried on efficiently.

At your request, forwarded to me by R.W. Bro. Rivers, I made a special visit to Melrose Lodge No. 62, where there was some misunderstanding about jurisdiction. I went there with some trepidation, but the brethren were so friendly, and all misunderstandings were settled so amicably, that I really enjoyed the visit.

On my visit to one Lodge, I found that a meeting of a service club preceded that of the Lodge, and, in consequence, the Lodge was not opened until 9.30. Not so good for the farmer brothers.

There were enough new brothers coming in to keep all Lodges reasonably busy.

Most Lodges neglect the Historical Register.

I was fortunate in having good weather for all my official visits, and I thank all brothers of Efficiency Lodge who accompanied me on my trips.

My thanks to Bro. D. McKenzie for very ably acting as my secretary, and to R.W. Bro. Cochrane for his help and advice during the year.

It has been a great pleasure to serve as your D.D.G.M. for District No. 5, and I thank all the brothers for electing me to this office.

E. K. KIRBERG, D.D.G.M.

DISTRICT No. 6

I beg to submit for your approval my report as D.D.G.M. for the year 1954-55. The 36th annual meeting of District No. 6 was held in Nanton on Wednesday, Sept. 22nd, 1954. All six lodges in the district except Joppa Lodge No. 40 were present. Registration was at 2 p.m. and at 3 p.m. the meeting was opened by Nanton Lodge after which I was received in form. The Grand Master M.W. Bro. Peter Dawson, accompanied by R.W. Bro. Rivers, were then received and invited to the East.

The minutes of the previous District Meeting were read and approved, Secretary R.W. Bro. Stanley being ill, W. Bro. Hitchener of Cornerstone Lodge substituted for him.

The reports of the constituent lodges were then received and all indicated that Masonry in this District was in a healthy condition. The Grand Master then introduced visiting Grand Lodge Officers: M.W. Bro. Cruickshank, P.G.M., Hillcrest; R.W. Bro. Bannan, J.G.W., Blairmore; R.W. Bro. Harper, D.D.G.M., Blairmore; R.W. Bro. Thurber, D.D.G.M., Blackie, and R.W. Bro. Galbraith of Bowness. The meeting was then recessed and an informal get-together was held, when items of interest to the various lodges were discussed, followed by a question period, where a lot of information was received. At 6.30 p.m. a banquet was held in the United Church, served by the ladies of the church. Toasts, and a short program were well received.

Labor was resumed at 8 p.m. and a paper was given by W. Bro. Dais of Nanton Lodge No. 17 on "Entered Apprentices." A paper was also given by W. Bro. Osborne of Corinthian Lodge No. 22 on "What Masonry Means To Me." W. Bro. Goodwin of Cornerstone Lodge No. 19, exemplified "Examination of a Visitor."

W. Bro. C. W. Johnson of Corinthian Lodge No. 22 was elected D.D.G.M. of District No. 6 for the ensuing year subject to the approval

of the Grand Master. The next District Meeting will be held in Okotoks.

Our Grand Secretary was then called on for a few remarks, which were well received. The meeting closed with a most inspiring address by our M.W. Grand Master, M.W. Bro. Peter Dawson.

Official Visits — Stavely Lodge No. 33: My first official visit in the district was to Stavely on Nov. 2nd. The W.M. and his officers conferred the Master Mason degree in a very efficient manner. There was a large attendance. The officers take pride in their work and I am pleased at the way the lodge is getting along.

Cornerstone Lodge No. 19: I made my official visit to Cornerstone Lodge on Nov. 18th. There was no degree work at this meeting, but I have seen these officers put on work, which would be a credit to any lodge. At this meeting the members had a discussion on Masonic work, which was very educational to all. There was a good attendance, and this lodge is doing fine work and is in a healthy condition.

Joppa Lodge No. 40: I made my official visit to Joppa Lodge on Dec. 9th. The W.M. and his officers put on the Fellowcraft degree in a splendid manner. There was a good attendance. This lodge is handicapped by a very small lodge membership, but I'm sure they will hold their own with the other lodges of the District.

Cairo Lodge No. 32: My official visit to Cairo Lodge was made just before Christmas on Dec. 21st. There was a good attendance. The W.M. conferred the Fellowcraft Degree on three candidates at this meeting in a very capable manner. Their secretary gave a very informative paper. Cairo lodge is doing fine work and are receiving quite a number of new candidates.

Nanton Lodge No. 17: This is my mother lodge and I paid my official visit on Feb. 10th. There was a large attendance. There was no degree work but the Master and his Officers are very efficient and capable in their work, and the lodge is in good hands. A Brother passed his examination in the Master Mason degree and received his apron. Five new applicants were balloted on that night, and from the number of new candidates received so far this year Nanton Lodge will be busy with degree work for the rest of the year.

Corinthian Lodge No. 22: My last official visit in the District was to Corinthian Lodge on March 1st. The Master and his Officers conferred the Master Mason degree in a very capable manner. There was a large attendance. Corinthian Lodge is the largest and best lodge in my District, all work is performed in a most efficient manner, with good attendance at all meetings and they have a wonderful hall.

General — I visited all the lodges in my District officially once and made one or more unofficial visits to most of them. I also attended the Joint Installation of Nanton and Cornerstone Lodges at High River.

All the Lodges in No. 6 are fairly old Lodges, Nanton Lodge No. 17 celebrated her 50th anniversary last year, our Grand Master being present. It was instituted under Manitoba Charter, Cornerstone Lodge

No. 19 will celebrate her 50th anniversary this year and Corinthian Lodge No. 22 next year. The rest follow in a few years. Of the six Lodges in District No. 6 all but one own their own lodge halls. Three have the York Rite and three have the Canadian Rite. Three elect their officers in June and three in November. I would suggest that the Brethren of this District should do more visiting, especially with the Lodges of the other Rite, to become more familiar with the work of both Rites and, consequently, feel at home at all times.

All the Lodges in District No. 6 are in fairly good financial condition and are definitely on the upward grade. They are all efficient in their work, active, and for the most part are taking in a goodly number of new candidates.

I have enjoyed my year in office as District Deputy and would like to take this opportunity to thank the Masons of District No. 6 for the honor they have conferred on me in electing me to this high office, also for the courtesies they have shown me on my visits.

This year will always remain a pleasant memory to me, it has been a pleasure and an honor to have served you, Most Worshipful Sir.

I would also extend my thanks to R.W. Bro. Rivers for his help and guidance and I wish for my successor the best in his term of office.

M. H. WAGNER, D.D.G.M.

DISTRICT No. 7

It is my duty and pleasure to submit to you my report for 1954-55 on the condition of Freemasonry in District No. 7.

On June 24th I had the pleasure and honor of acting as Installing Master at a Joint Installation of Diamond City Lodge No. 65, Nobleford Lodge No. 111, and Sharon Lodge No. 157, which was held in Picture Butte. Excellent assistance was received from W. Bro. A. Branch, who was Director of Ceremonies, and from R.W. Bro. G. N. McLean, R.W. Bro. Paul Jones, R.W. Bro. Joe Melling, R.W. Bro. H. Arthur and R.W. Bro. Joe Watson.

District Meeting — The District Meeting was held in Milk River on November 4th, with a good attendance and representation from all Lodges in the District.

Registration commenced at 4 p.m. The Grand Master met with the Masters and Wardens of the various Lodges for an informal discussion on various Masonic problems, while the Grand Secretary discussed matters with the various Lodge secretaries. The brethren all felt that these discussions were very beneficial, particularly on the question of "Public Liability Insurance."

At six o'clock the members of the Eastern Star served a very delightful dinner in the Lodge banquet room.

After the banquet, and a short period for registration, the Lodge was opened at 7.45 by the members of Century Lodge. M.W. Bro.

Peter Dawson, Grand Master and R.W. Bro. E. H. Rivers, Grand Secretary, were then received in form and escorted to the East.

After a brief period of silence in memory of our departed brethren, the Grand Master presented R.W. Bro. Chas. Linn with his Past District Deputy Grand Master's regalia.

The brief reports given by the Masters or other representatives, indicated that all lodges in the district had been active and were in a sound financial position.

A number of written questions had been given to the Grand Secretary before the evening session and his answers to these proved very interesting and instructive.

Following the question period, Lethbridge Lodge No. 39 exemplified the "Examination of a Visitor" in the Canadian Rite and Diamond City Lodge No. 65 exemplified it in the York Rite.

W. Bro. R. M. Christie of Chief Mountain Lodge No. 58, and W. Bro. Wesley Smith of Doric Lodge No. 31 of Taber, were nominated for the position of D.D.G.M. for 1955-56. The vote proved to be in favor of W. Bro. Wesley Smith and he was declared elected for the ensuing year, subject to approval by the Grand Master.

The meeting then agreed to accept the invitation of Doric Lodge No. 31 to hold the next District Meeting at Taber.

The final item and highlight of the meeting was a most interesting and informative address by the Grand Master, M.W. Bro. Rev. Peter Dawson, in which he urged that certain weakening influences be avoided in order to keep our lodges in a strong condition.

Installation and Investiture of the City Lodges — North Star Lodge No. 4, Lethbridge Lodge No. 39, Charity Lodge No. 67, and York Lodge No. 119 held a Joint Installation of officers in the Lethbridge Masonic Hall on Monday, December 27th, the Festival of St. John the Evangelist, and it was my honor and pleasure to act as Installing Master for them.

The Lodge was opened at 4.30 p.m. by Charity Lodge No. 67 and R.W. Bro. G. N. McLean installed W. Bros. I. T. Hendry, S. Worboys, T. Spanos, and R. E. Faulds in the chair of King Solomon, according to ancient custom.

The Brethren were then called from labor to refreshment at 5.45 to attend the banquet, which was handled so efficiently in every way by the ladies of Laurel Chapter, and W. Bro. A. E. Dupen as toastmaster. Work was then resumed at 8 p.m. when the investiture of the officers was completed. W. Bro. E. H. Fleetwood acted as Director of Ceremonies, and R.W. Bro. Joe Melling, R.W. Bro. H. G. Stretton, and R.W. Bro. H. Arthur also rendered important assistance.

Your presence with us that evening, M.W. Sir, was greatly appreciated by everyone and your short address on "St. John's Night" was very appropriate and highly instructive.

Installation and Investiture of Lucerne Lodge No. 159 — On Dec. 29th I had the honor and pleasure of installing the officers of Lucerne Lodge No. 159 in Vauxhall and was very ably assisted by several

brethren. R.W. Bro. G. N. McLean installed the Master, W. Bro. Wesley Smith of Taber gave the General Charge, and others assisting were W. Bro. M. Grant, R.W. Bro. H. G. Stretton, and R.W. Bro. Joe Melling.

Official Visits — Doric Lodge No. 31: Oct. 15th: Illness prevented me from making this visit. P.D.D.G.M. Chas. Linn kindly substituted for me and has reported to me as follows: "Initiation of a father and son. The father was an older brother of the Master and Senior Warden. It was indeed a "Fletcher" night. The four city lodges were all represented and in particular your own lodge had 14 visiting members which had, no doubt, been arranged as a mark of honor and respect to you, Sir. V.W. Bro. Chisholm of Wrentham was in attendance. He has reached the grand age of 93. Bro. Prowse, a charter member, was present and received the acclaim of his former members and brethren.

"In 1953, when I was D.D.G.M., they were discussing plans for an additional room to their present hall and in 1954 I found this a reality and indeed a great deal of credit is due this lodge on their very fine improvement. The officers were well qualified and expert in their degree work. Their presentation of a small Bible to all brothers who complete their examinations of the three degrees is a worthwhile idea."

Lucerne Lodge No. 159: November 2nd: Lodge opened at 8.30. Short business meeting, dealing particularly with a case for benevolence, was followed by a second degree. Both business and degree work were well conducted. Black Book and Historical Register are being kept up-to-date, and the financial condition of the Lodge appears satisfactory.

Sharon Lodge No. 157: November 24th: Lodge opened at 8:15. General business conducted speedily and efficiently. District meeting well reported by Senior Warden. Grand Lodge Proceedings, and Report of Banff Conferences being used in educational program. Black Book and Historical Record up-to-date and books are audited annually.

Foremost Lodge No. 103: December 1st: Lodge opened at 8.20. Work: General business and election of officers, both were conducted efficiently. Black Book and Historical Register are being kept up-to-date and books are audited annually. Lodge is in good financial position. Your presence with me, M.W. Sir, on this visit was greatly appreciated by myself and all others present, as it was thought to be the first time a Grand Master had visited Foremost Lodge.

Lethbridge Lodge No. 39: December 16th: Meeting opened at 8.15. Work: General business, which was conducted quickly and efficiently. Black Book and Historical Register are up-to-date and books are audited annually. Lodge is in good financial position.

Charity Lodge No. 67: December 20th: Meeting opened at 8.10. Work: General business and conferring of First Degree; both were carried out very efficiently. Black Book is up-to-date. Historical Register has not been kept up for several years. Financial position is satisfactory.

Chief Mountain No. 58: December 21st: Meeting opened at 8.10. General business, chiefly concerned repairing of lodge building, was carried out speedily and efficiently. Election of officers was conducted and practically all moved up. Financial position of the lodge appears good.

Diamond City No. 65: January 6th: Lodge opened at 8:25. Delay in opening was due to renovating of building not being completed on time. This was a regular meeting and the business was conducted speedily and efficiently. Past District Deputy Joe Melling is a big help to this lodge. The Black Book has been kept up-to-date, but the Historical Register has not. The lodge is in a sound financial position and is noted for its good fellowship.

North Star Lodge No. 4: January 14th: Lodge opened at 8.10. This meeting consisted of regular business, appointment of committees and outlining plans for improving the attendance and educational program of the lodge. A desire to improve the attendance and make the meetings more interesting and instructive was quite evident. Books are all in good order. Lodge work is in the hands of efficient officers.

Century Lodge No. 100: January 18th: Lodge opened at 8.35. Work consisted of general business, with a keen and thorough discussion of "Public Liability Insurance." Black Book is up-to-date, but Historical Register contains no entries since 1950. A very active lodge, in good financial position, with a comparatively high record of attendance.

York Lodge No. 119: February 1st: Lodge opened at 8.10. This was a regular meeting and after the disposal of the general business the Master called upon one of the brethren to give a brief summary of the information contained in the last Grand Lodge Bulletin. Through the unfortunate passing of W. Bro. T. H. Llewellyn, this lodge lost their very able Secretary and W. Bro. E. H. Risler was elected at this meeting to that office. With the exception of the Historical Register, all books are in good shape. Financial position is good, the lodge is very active and equipped with efficient officers.

Masonry in General: Degree work in the lodges of District No. 7 is generally conducted in a very efficient and impressive manner. However, there is reason to believe that many of our lodges have given insufficient attention to educational work or other activities that might tend to increase the interest of the brethren. This is probably largely responsible for the poor attendance record on the part of many of our younger members, and our present conditions are probably the natural outcome of a rapid increase in membership over the past decade.

On my official visits, I stressed the need for strengthening our lodges in these respects, and suggested that we aim to get more activity on the part of individual members, particularly the younger members.

The year has been particularly interesting and enjoyable and I have had excellent support and co-operation from all sources.

I want to thank all the P.D.D.G.M's and others who accompanied me on my official visits and especially my predecessor, R.W. Bro. Chas. Linn, who helped me over an emergency by taking my official visit to Doric Lodge No. 31.

My special thanks also go to my efficient Secretary, W. Bro. M. Grant, who helped me greatly with the District Meeting and accompanied me on several visits.

W. D. HAY, D.D.G.M.

DISTRICT No. 8

As the year 1954-55 is now almost ended it is my duty and pleasure to submit to you an accounting of my stewardship in District No. 8.

District Meeting — The District Meeting was held in the Masonic Hall at Blairmore on Wednesday, September 15th. The informal discussion period, commencing at 4 p.m., was well attended and greatly enjoyed by those present. M.W. Bro. Rev. Peter Dawson, Grand Master, ably directed the discussion, ably assisted by the Grand Secretary, R.W. Bro. E. H. Rivers. I feel these informal discussions not only tend to enlighten the Brethren on many important Masonic questions, but also have the added advantage of permitting those present to become better acquainted with their Grand Lodge officers.

A splendid dinner was served at 5.30 p.m. by the ladies of Leta Chapter O.E.S. and during the dinner hour suitable music was provided by the Crows Nest Pass Piano Quintet.

The evening meeting was opened promptly at 7.30 p.m. by the officers of Rocky Mountain Lodge No. 86. Your D.D.G.M. was received in form and introduced by R.W. Bro. W. H. Chappell.

M.W. Bro. Dawson, Grand Master, accompanied by R.W. Bro. Rivers, Grand Secretary, together with other past and present Grand Lodge Officers were received in form and invited to the East.

A brief silence was observed in memory of departed brethren. W. Bro. E. C. Cosstick of Sentinel Lodge No. 26 was the unanimous choice of the Brethren as D.D.G.M. elect for the year 1955-56 and Sentinel Lodge No. 26 was selected as the meeting place for our next District Meeting.

The highlight of the day was the address of the M.W. the Grand Master who chose as his subject "There is an alarm at the door." This address was ably given and provided a good quantity of thought provoking subject matter.

We were happy to have as our guests on this occasion M.W. Bro. Waldo F. Empey, P.G.M. of the Grand Lodge of Alberta, and R.W. Bro. Hay, D.D.G.M., of District No. 7.

Official Visits — Alberta Lodge No. 3, Fort Macleod: October 20: This is one of the oldest lodges in the Grand Jurisdiction and it maintains a very high standard. It is in good financial condition and the

books and records are well kept. The ritualistic work and the business of the evening were both conducted in a most capable and pleasing manner.

Spitzie Lodge No. 6, Pincher Creek: October 5th: A very good Lodge, well supported by a number of older Brethren. Business of the evening and the opening and closing were well done. Records now appear to be in good order and I have impressed upon the W.M. and Secretary the necessity of being more punctual in submitting their Grand Lodge returns. The Historical Register has not been written up for several years, but this is now being done by R.W. Bro. Geering and should be completed shortly. The Lodge is in good financial condition and prospects are bright for the coming year.

Sentinel Lodge No. 26, Hillcrest: November 18th: All books and records are in excellent condition, this work being ably done by R.W. Bro. F. Padgett. Business was well conducted and the M.M. Degree was very capably conferred. The officers are well skilled in their work and the membership generally take a keen interest in the business of the Lodge. They are purchasing their lodge hall, have made a number of improvements and are making financial progress.

Summit Lodge No. 30, Coleman: November 5th: Due to industrial difficulties in the area this Lodge has suffered the loss of a number of valuable Brethren who found it necessary to seek employment elsewhere, however, they now have several applications for initiation on hand and it would appear they have an active year ahead. Considerable educational work has been done during the quiet period, this has helped to stimulate attendance and has created a keen interest especially among the younger brethren. Books are in excellent condition with the exception of the historical register which is being brought up to date. The Officers do their work well and I feel confident they can look forward to a good year.

Chinook Lodge No. 47, Cowley: October 18th: Although small in numbers this Lodge is enthusiastic and very active. The E.A. Degree was well conferred and business conducted in a capable manner. Records are well kept and the Lodge is in sound financial condition. Attendance is good and prospects for the future are bright.

Rocky Mountain Lodge No. 86, Blairmore: November 9th: This Lodge is officered by young, energetic and capable officers. All work is very well done and the records are in excellent condition. Considerable volunteer work has been done on the lodge hall and furnishings. They are maintaining a sound, healthy growth and may justly look forward with confidence.

General — On the invitation of R.W. Bro. Wagner of District No. 6 and R.W. Bro. Hay of District No. 7, I had the privilege of attending the district meetings of both these districts. I enjoyed the meetings very much and wish to express my appreciation to the Brethren concerned.

I also wish to extend my thanks to R.W. Bro. S. G. Bannan, Junior Grand Warden, and other Brethren who accompanied me on all my official visits. Their presence on these occasions added greatly to the enjoyment of the visits.

I have visited all Lodges in the District at least twice during my year of office and feel I may state with confidence that Masonry has never been at a higher level in District No. 8 than it is today. Candidates are of excellent material and work is of a very high order, but above all, the true spirit of Masonry prevails throughout, with splendid harmony being evident in every Lodge.

I have thoroughly enjoyed my year and take this opportunity to thank the Brethren of District No. 8 for the honor they have conferred on me and also for the abundant courtesy and hospitality extended to me throughout the entire District.

To my successor, W. Bro. E. C. Cosstick, who has been a faithful friend and brother for over thirty years, I request the same courtesy and hospitality and extend my best wishes for another successful year in District No. 8.

E. A. HARPER, D.D.G.M.

DISTRICT No. 9

I have the honor to submit for your consideration my report as D.D.G.M. of District 9 for the year 1954-55.

The Annual District Meeting was held at Beaver Lodge, Castor, on Tuesday, August 3rd, 1954. Four lodges were represented at the meeting with no representation from two lodges. Attendance was below average as a result of very poor road and weather conditions.

An informal meeting was held in the afternoon at four o'clock with the Grand Master, M.M. Bro. Peter Dawson and the Grand Secretary, R.W. Bro. E. H. Rivers in attendance. Informal discussion covering many phases of Masonic work was participated in by most of the members present and the assistance and guidance of both the Grand Master and the Grand Secretary proved very helpful indeed.

Lodge was opened at 5:30 p.m. by the officers of Beaver Lodge No. 56. The D.D.G.M. was then officially introduced by R.W. Bros. Marshall and Stone and was accorded the usual honors. W. Bro. Brown, Master of Beaver Lodge invited the D.D.G.M. to the East. Lodge was called from labor to refreshment at 6.00 p.m.

A splendid banquet was served to the Brethren at 6.30 p.m. by the ladies of the O.E.S. on the premises of Knox United Church. The toast to Grand Lodge and Grand Lodge Officers was proposed by Bro. Chad Warnock and suitably replied to by the M.W. Grand Master.

Lodge was called from refreshment to labor at 7:45 p.m.

The Grand Master and Grand Secretary together with other Grand Lodge Officers were introduced by R.W. Bros. Ballentine and Scott and were given Grand Honors and welcomed to the East.

The representatives of lodges in the District gave a report on their financial standing and activities during the year. The I.P. D.D.G.M.,

R.W. Bro. Butterfield was unable to be present but a comprehensive report of his activities during his term of office was read by R.W. Bro. T. A. Marshall.

W. Bro. Herbert Allen of Apollo Lodge No. 27 was nominated and declared D.D.G.M. elect, subject to the approval of the Grand Master. The next District meeting will be held in Stettler. The exemplification of "Examination of a Visitor" was given by members of Coronation Lodge, and was well received. W. Bro. Wetter of Beaver Lodge delivered an excellent paper entitled "What Masonry Means To Me." Bro. Wetter was complimented by both the Grand Master and Grand Secretary.

The Grand Secretary addressed the Brethren on the benevolence of Grand Lodge and answered numerous questions on the Work of the York and Canadian Rite. Highlighting the evening was the address by the Grand Master which proved to be an inspiration to all present.

The District Meeting was closed at 10.30 p.m.

Ionic Lodge No. 45: My first official visit was to Ionic Lodge accompanied by R.W. Bro. Marshall, W. Bro. Wilkie and Bro. L. J. Marshall of Beaver Lodge. The date of the meeting was August 12th. A spirit of good fellowship and friendliness prevails in this Lodge. The W.M., W. Bro. Sharp and his officers are earnest Masonic workers and show a fine Masonic spirit. The Secretary, W. Bro. Thorp has the books and records in excellent condition. This was indeed a pleasant evening.

Coronation Lodge No. 72: My official visit to this Lodge was at a regular meeting held on September 6th accompanied by a number of Brethren from Beaver Lodge. The business was carried out in a capable manner by W.M. Bro. Paul Steele. This Lodge is very active. The books and records are well kept by the Secretary, R.W. Bro. Butterfield. Friendliness, sociability and harmony are a high mark in the lodge.

Monitor Lodge No. 120: Official visit was made on September 13th with visitors from Czar, Lovernna, Beaver and Coronation Lodges. The large attendance from Coronation proved a fine gesture and an indication of the feeling toward sister lodges. Lodge was capably opened by W.M. Bro. Hedley and his officers and the routine business conducted in an able manner. W. Bro. Camp assumed charge of the lodge and conferred the second degree. R.W. Bro. Bob Topham assisted by the officers ably conferred the E.A. Degree on two candidates. The officers take a keen interest in the work and with new members coming in, Masonry is progressing favorably in the lodge. The books and records are well kept. This was a very busy evening and lodge was closed at a late hour.

Apollo Lodge No. 27: Official visit made on November 1st. I was cordially received and invited to the East by W. Bro. Proctor. It being Past Master's Night the lodge was officered by Past Masters. The M.M. Degree was conferred on Bro. Robertson. The first section was given by Bros. Proctor and Robinson and the second section by R.W. Bro. Cameron. The degree team was made up of Past Masters and

the work was done in an excellent and flawless manner. Visitors were in attendance from Bashaw, Brooks, Calgary, Alix, Mirror, Coronation, Castor, and Windsor and Mattawa, Ontario. A banquet was held at the close of the evening.

Bow Valley Lodge No. 140: Official visit was made on November 2nd and accompanied by Bros. Macartney, Wilkie and Harbottle. The W.M. Bro. Thomson conducted the meeting in a creditable manner and the officers and members take a keen interest in the affairs of the lodge. The books and records are well kept by the Secretary, W. Bro. Dewar. There were visitors from Drumheller, Symbol and Kerrobert. Harmony and goodwill is prevalent throughout the lodge.

Beaver Lodge No. 56: Official visit was made on December 1st. I was presented by R.W. Bro. Macartney and welcomed to the East by W.M., W. Bro. Brown. The business of the lodge was conducted with dignity and proficiency and a new slate of officers was elected for the coming year. The affairs of the lodge are in good condition and the books and records are in excellent order under the capable direction of R.W. Bro. Marshall who has acted as Secretary for 23 years.

On my visit to each lodge I spoke on one of the following topics: "Freemasonry and the New Member;" "Jewels of Freemasonry;" "Freemasonry and The Youth of Today."

Financially the lodges are sound. Three lodges own their own premises and three are renting their meeting quarters. From my observations I have urged that the lodges not in possession of their own property should institute a fund toward this end.

Educational papers on Freemasonry should be given more often and in greater numbers when absence of degree work will permit sufficient time.

I will ever feel deeply indebted to the memory of the District Secretary the late R.W. Bro. T. A. Marshall for his advice and assistance and to R.W. Bro. M. R. Butterfield for his valued support.

I wish to extend my sincere gratitude to the Brethren of District No. 9 for their splendid co-operation during my year of office and extend my heartiest congratulations and best wishes to the D.D.G.M. elect W. Bro. Herbert Allen of Apollo Lodge No. 27.

Most Worshipful Sir, I greatly appreciate the honor and privilege of having served you as District Deputy for District No. 9 during the year 1954-55.

J. S. IRVING, D.D.G.M.

DISTRICT No. 10

I am pleased to submit for your consideration the report of my visitations as your District Deputy Grand Master in District No. 10 for the year 1954.

My first official duty was to call and preside at the District meeting which met at the Masonic Temple, Vermilion, on Thursday,

October 7, 1954, and at which 98 delegates were in attendance, every lodge in the District being represented, and I now desire to make particular reference to this meeting.

The District Meeting

The Grand Lodge officers in attendance included Most Worshipful Peter Dawson, the Grand Master; Rt. Worshipful Brother E. H. Rivers, the Grand Secretary; Rt. Wor. Bro. S. C. Heckbert, Deputy Grand Master; Rt. Wor. Bro. R. S. Sheppard, Snr. Grand Warden; and others.

The afternoon session was more or less informal, giving the delegates time to get acquainted and discuss different topics of interest.

The Grand Master had a sitting with the Masters and Wardens of the different lodges respecting the discharge of the duties appertaining to their respective offices.

At 6.30 the delegates adjourned to the Legion Hall when they were guests of the Vermilion Lodge at a very delightful banquet. The Lodge was called to order at 8 o'clock by Wor. Bro. R. N. Brennen, Worshipful Master Vermilion Lodge and after the formal opening the Lodge was turned over to the District Deputy and the District Meeting proceeded with. The M. Wor. The Grand Master was introduced by R. Wor. Bro. Sam Hardin, Past D.D.G.M. and Rt. Wor. Bro. Norman Crooks, No. 38, and accorded Grand Honors, following which the Grand Master and the Grand Lodge officers as well as the delegates present, were extended a cordial welcome to the Town of Vermilion and the District Meeting by Rt. Wor. Bro. S. C. Heckbert, D.G.M., as Mayor of the Town of Vermilion.

R. W. Bro. D. A. Thomson, P.D.D.G.M. reported the activities in District No. 10 for his year of office. Two noteworthy events, he said, required special mention, these being the Constitution and Consecration of St. George's Lodge No. 169 at Elk Point, and that of Avon Glen No. 170, Edmonton, events indicating the steady growth of Masonry in the District. He expressed thanks to his Secretary, Wor. Bro. Fred Mitchell, for his untiring assistance and wished his successor every success.

The Senior Grand Warden, R. Wor. Bro. Sheppard, referred briefly to the financial status of the different lodges, which he found in a substantially sound condition.

The M. Wor. Grand Master presented to V. Wor. Bro. H. J. Payne, of Vermilion No. 24, a certificate of Honorary Life Membership in his Lodge in recognition of his long and useful service. Wor. Bro. Payne made a brief reply.

An address by the Grand Master on the topic "There is an alarm at the Door", was the outstanding feature of the meeting. It was cogent with advice and suggestions as to the importance of what guarding well the door of entrance to the Lodge meant and its importance in the well-being of a Lodge.

R. W. Bro. Puffer, Avon Glen, extended the Grand Master the thanks and appreciation of the members for his thought-provoking talk.

The Grand Master then presented R. W. Bro. D. A. Thomson, with the Regalia of a P.D.D.G.M., in appreciation for his work as District Deputy for District No. 10 in 1954. The recipient expressed his thanks and said he would be proud to wear the Regalia presented.

The only nomination received for the office of D.D.G.M. for 1955-56 was that of V. Wor. Bro. Charles Sinclair of Avon Glen No. 170, Edmonton. The V. Wor. Brother accepted the office, promising to emulate the good work done by his predecessors.

On motion it was decided the District Meeting for 1955-56 be held at Acacia Hall, Edmonton.

The masters of the different lodges gave brief reports of the condition of Masonry in their respective home lodges, indicating greater progress and increased interest in Masonry by young men. The reports were most encouraging.

Interesting papers on the "Lodge and the Absent Member" the "Lodge and the Community", were given by Wor. Bro. Miller, St. George's and Wor. Bro. J. H. Batty, Kitscoty. The "Lodge" invites me "to study Masonic Truth" by R. Wor. Bro. W. E. Gullin, St. Alban's, was read by V. W. Bro. Ray Reiersen, St. Alban's.

"How to receive a visitor" in a Lodge was exemplified by two members of Vermilion Lodge, No. 24.

The Grand Secretary R. Wor. Bro. Rivers, in a brief talk, urged a goodly attendance at Grand Lodge, expressed the value of a study of the Grand Lodge proceedings and invited a greater use for the study of Masonry being made of the facilities provided through the Grand Lodge Library.

The meeting was closed by the District Deputy to meet in 1955 in Acacia Hall, Edmonton. He thanked all the delegates for their attendance and expressed his appreciation for the helpful contributions made by them towards the cause of Masonry.

Visitations

My Visitations to the Lodges in the District were as follows:— St. George's No. 169, Sept. 21st, 1954; Kitscoty No. 131, October 26th, 1954; St. Alban's No. 145, November 27th, 1954; St. John's No. 25, December 6th, 1954; Hope No. 38, January 10th, 1955; Vermilion No. 24, February 1st, 1955; Acacia No. 11, February 10th, 1955; Norwood No. 90, March 1st, 1955; Avon Glen No. 170, March 2nd, 1955; Empire No. 63, March 21st, 1955.

Generalizing my visitations, I found the Lodges to be moving ahead as manifested by increasing membership, attractive appearance of Lodge rooms, more and better lodge furniture and appointments, more attention given floor and degree work, the minute books well kept with clear record of Lodge proceedings; receipts and disbursements duly recorded and the financial status kept in sound

condition. The arrears of dues in most of the Lodges are merely negligible; in one or two they would appear somewhat high and deserving of attention.

I found the once-almost forgotten (in some lodges) Historical Registers to be kept up to date, accounting for the history or notable events not only of the Lodge but as well, of the community which it serves. In the years that lie ahead these historical Lodge records will be found of incalculable value as well to the individual Lodges as the community at large.

The Lodges are also improving their libraries, which appear now to meet their immediate requirements. A library is a valuable adjunct to a lodge and should be extensively used and enlarged from time to time.

In my addresses I endeavored to impress upon the members the matter of maintaining close relationship with community efforts, thus enabling them to carry the Gospel of Masonry to their neighboring people; that it was their duty to keep the beacon light of their lodge so shining as to make it an effective medium in uplifting the moral tone and welfare of the community.

I can say that Masonry in the District, as a whole, is making progress and that the utmost harmony prevails throughout and that with such competent and efficient officers, as at present, we may look forward with confidence to greater advances in future.

I wish, in closing, to extend my sincere thanks and appreciation to all the officers and members for the reception extended to me as your representative.

I wish to thank Rt. Wor. Bro. Dave Thomson, Past D.D.G.M., who so kindly acted as "my guide, philosopher and friend" on my visits to the Edmonton Lodges; to Rt. Wor. Bro. S. C. Heckbert, D.G.M., and the members of Vermilion Lodge who escorted me on my visits to the country Lodges. I also thank the District Secretary, Bro. C. T. Heckbert for his valuable assistance. I wish my worthy successor, V. Wor. Bro. Charles Sinclair, Avon Glen, the best of success and like cordiality and kindness as was so unselfishly extended to me.

I very much enjoyed my year of office; enjoyed meeting old friends and making new ones, and retire in the hope that Masonry shall continue to move along and flourish and as one District Deputy succeeds another, each one will leave behind him something for the lodges to think about, something that will make us all better Masons and better citizens.

J. W. G. MORRISON, D.D.G.M.

DISTRICT No. 11

I have the honor to submit for your consideration my report on Masonic District No. 11 as your representative for 1954-55.

District Meeting — The District Meeting was held in Blackie at Granite Lodge hall on Nov. 17, 1954. In the afternoon an informal

meeting was opened and an interesting question and answer period was followed by an informal discussion, led by the Grand Master and Grand Secretary. Afterwards, the Masters of the various lodges were given instruction by the Grand Master, as were the secretaries, who met briefly with the Grand Secretary.

At six-thirty, somewhat over seventy Brethren sat down to a fine banquet, catered to by the ladies of St. Thomas Dinton W.A. The usual toasts were proposed and replied to in a very able manner. W. Bro. Cecil Kumlin kindly acted as toastmaster.

The district meeting was formally opened at 8 p.m. and at 8.15 M.W. Bro. Peter Dawson, Grand Master, and R.W. Bro. E. H. Rivers, Grand Secretary, were received according to ancient custom, and accorded Grand Honors. A short period of silence was observed in honor of our departed Brethren. The minutes of the last District Meeting were read and confirmed. Each lodge in the district was well represented, and the Masters of the respective lodges presented their reports, which were all favorable, and assured us all that Masonry is progressing both materially and spiritually in District 11.

R.W. Bro. Wm. Kane gave a concise report of his year in office, and was presented with full regalia and congratulated for a job well done by M.W. Bro. Peter Dawson, Grand Master.

R.W. Bro. P. Asplund of Cresset Lodge No. 136 gave a paper on "Canadian Rite," explaining and demonstrating some of the floor work, and signs. This proved very interesting, and was well received by the Brethren.

Bro. B. Springer of Granite 127 presented a paper on history and origin of "York Rite," which was also greatly appreciated by the Brethren.

Exemplification of an "Examination of a Visitor" was ably presented by three of the officers of Champion Lodge 84.

A discussion period followed.

W. Bro. James Buchan of Champion Lodge No. 84 was duly elected as D.D.G.M. for the ensuing year, subject to the approval of the Grand Master, and by open vote it was decided to hold next District Meeting in Champion.

R.W. Bro. E. H. Rivers spoke on the Liability Insurance Plan offered by Grand Lodge for the constituent lodges, and explained how it could be implemented in the various lodges.

The main address of the evening, "There is an alarm at the door," was very ably presented by M.W. Bro. Peter Dawson, G.M. It gave each and every Brother food for thought, and an ideal for which to strive.

I believe this could be termed a very successful meeting, and it was well supported by every lodge in the District.

I visited every lodge in the District once, officially, and some of them several times unofficially. I found for the most part that the lodges were doing very well, interest is high, attendance above

average. From a financial standpoint, most of the lodges are solid, with net worth showing an increase every year. There is, however, a tendency for some of the members to be a year behind in dues. This could be in part due to restricted quotas, as these lodges are actually farmer lodges. The officers, many of them young men, are doing a splendid job, and I am convinced that each, according to his ability, is doing his utmost to fill the position entrusted to his care. The Masters, too, from observations I have made, I found to be proficient, and intensely interested in doing everything in their power to improve the welfare of their respective lodges.

Several of the lodges have P.D.D.G.M.'s acting in the capacity of secretaries, and this very important office in a lodge is filled with Brethren of a very high calibre throughout the entire District.

Historical Records are not kept up as well as they should be, and in some of the lodges they are non-existent. Most of the lodges have, or are, taking steps to incorporate and take advantage of the Liability Insurance, which is available to them through Grand Lodge.

It was my honor and privilege to act as Installing Master, with the assistance of several Past Masters to whom I am very grateful, at the Installation Ceremonies of all the lodges in the district, but one. R.W. Bro. D. D. McQueen and R.W. Bro. Robbie of Vulcan Lodge No. 74, kindly consented to officiate at Milo Lodge 172, and I would at this time, like to express my thanks to them.

The Lodges — Robert Burns No. 49: Membership of 42. The oldest Lodge in the district; is not large, but is well established, with a good complement of officers and Past Masters. They own their own hall and can be proud of its beautiful furniture and rug.

Vulcan Lodge No. 74: Membership 106. A very fine, active lodge, with the largest membership of any in the District. The officers are of a very high calibre, and the degree work is well done. Many Past Masters and several Past D.D.G.M.'s take an active interest and part in the Lodge. Their Lodge notice is a commendable piece of work, and shows that careful and intensive planning is used. They meet in a rented hall, but under such favorable conditions, as to nearly make it foolhardy to own rather than rent. This Lodge is in a healthy financial state, and I feel that its future is bright indeed.

Champion Lodge No. 84: Membership of 64. Is another well established Lodge. Now owns its own hall, and is rightfully proud of progress made both materially and spiritually. Its officers are good and interest is high. Prospects are bright.

Nobleford Lodge No. 111: Membership of 30, of whom only 10 are resident members. It meets in the Town Hall, for which they pay a very nominal rent. Attendance is of a very high percentage of its resident members. One cannot help but be impressed with the friendliness and sincerity of this fine little lodge, whose members are carrying on in the very best Masonic tradition.

Granite Lodge No. 127, Blackie: Membership 86. This is my Mother Lodge (the second largest in the District) and I am happy to say,

seems to be prospering. Many new members are knocking at her door. This necessitates quite a lot of degree work, which for the most part is well done. The Lodge Hall is used exclusively by the Brethren, who are taking steps to pay off the balance owing on it. In the past year or two, new furniture has been purchased, and the hall completely redecorated. Prospects are good indeed.

Cresset Lodge No. 136, Barons: Membership of 45. This Lodge, though not large, is a very active and alert lodge in a good town. It is blessed with very good officers throughout, and Past Masters who are anxious to do their part. With such a combination, I can see only a very successful future in store for Cresset Lodge No. 136. This year they instituted what is to be an annual Masonic Bonspiel for District 11, and it was an unqualified success. They own their hall.

Milo Lodge No. 172: Membership 13. This newly constituted lodge is to be congratulated as they already own their own Lodge hall, and have it well furnished. They were unfortunate in losing their newly installed Master, W. Bro. Glaze, soon after they were constituted, but they carried on with the assistance of W. Bro. Jorgenson, and W. Bro. Glen Dishaw, who in January of this year was installed as the new Master. This Lodge experienced some difficulty, which could perhaps be chalked up to "growing pains," but I am happy to say that this difficulty seems to be overcome, and Milo Lodge 172, is living up to its high promise. The officers are very interested and the calibre of their work is indeed high.

There were several Special Meetings throughout the year, which I believe merit special mention:

1. Ceremony of Constituting and Consecrating Milo Lodge No. 172, A.F. & A.M., on September 16, 1954. It was my first attendance at a ceremony of this nature and I was greatly impressed, as I am sure all the Brethren of the District were, with the solemnity and dignity of this ceremony led by M.W. Bro. Peter Dawson, G.M. and assisted by several other Grand Lodge officers including R.W. Bro. Heckbert, Deputy G.M., R.W. Bro. E. H. Rivers, Grand Secretary, M.W. Bro. Jackson, I.P.G.M., M.W. Bro. Ireland, R.W. Bro. Canon W. H. Morgan, V.W. Bro. B. C. Jakeman, and others.

R.W. Bro. McQueen acted as Installing Master, assisted by other Grand Lodge Officers. Credit is due R.W. Bro. McQueen for his work in drawing up the program, as well as the other brethren from Vulcan Lodge for the interest and help they have tendered Milo Lodge. The meeting was preceded by a very fine banquet, and although the weather was wet, and the roads, therefore not good, this meeting was one of the highlights of the year.

2. Wild Game Supper at Vulcan Lodge No. 74, held on Nov. 2, was greatly appreciated by the Brethren of the District, as it always is. The Fellowcraft Degree was conferred very capably by the Master and Officers of the Lodge on three new Brethren, one of whom was the son of the Worshipful Master, W. Bro. Wm. Munro. Unfortunately owing to a previous engagement, M.W. Bro. Peter Dawson was unable to be present, but M.W. Bro. A. D. Cumming ably filled in. This festive meeting is always well attended and is eagerly anticipated by

the Brethren of the District, as well as the Brethren of North Star Lodge, Lethbridge, who generally attend in a body.

3. First Annual Masonic Bonspiel held in Barons and sponsored by Cresset Lodge No. 136 on March 21, 1955. Twelve teams from the seven District Lodges were treated to a fine day's curling under ideal conditions on three sheets of artificial ice. M.W. Bro. Peter Dawson kindly donated a trophy which I was privileged to present to the winners, the L. Turner rink from Barons. Two other rinks, the Munro rink from Vulcan and the Thurber rink from Blackie, were also presented with prizes, courtesy of the Brethren of Barons. A sumptuous banquet was served by the ladies of the Eastern Star, and at the well attended meeting that followed we enjoyed a fine address on the "Symbolism of Masonry" by M.W. Bro. Allen Brooks, P.G.M. of the Grand Lodge of Saskatchewan.

Thus ended a fine day of Masonic fraternalism, fellowship, and good sportmanship. Cresset Lodge is to be congratulated for the considerable effort put forth by all the Brethren.

In conclusion let me thank you most sincerely M.W. Brother for your kindness in accompanying me on several of my official visits, for your kindly advice and encouragement. I would also like to express my appreciation to R.W. Bro. E. H. Rivers for his assistance, to my father, W. Bro. R. H. Thurber, who acted as District Secretary, and all the Brethren throughout the District who were always ready to lend a supporting hand when required. It has been a year of experience that I shall always remember and cherish, and I believe that Masonry is truly flourishing in District No. 11.

To my successor, W. Bro. J. Buchan of Champion Lodge No. 84, I offer my congratulations, with the wish that he may have the same fine co-operation and fellowship.

JACK H. THURBER, D.D.G.M.

DISTRICT No. 12

I wish to submit my report as District Deputy Grand Master for District No. 12 for the year 1954-55.

The District Meeting was held in the Central Masonic Temple, Edmonton on October 8, 1954. At 4.00 p.m. an informal meeting of the Worshipful Masters, Wardens and Secretaries of the various Lodges was held with the Most Worshipful, the Grand Master and the Grand Secretary. A very interesting and informative period was spent. At 6.30 p.m. the Brethren gathered for an enjoyable banquet.

The District Meeting convened at 7.30 p.m. with the officers of West Edmonton Lodge 101 in the chairs. It was my pleasure to officially receive the Most Worshipful the Grand Master who was accompanied by other Grand Lodge Officers.

Two interesting exemplifications were given during the meeting. Exemplification of a Board of Trial led by R.W. Bro. E. Briggs and

assisted by V.W. Bro. W. R. Horner and W. Bros. Crowle and Ritchie, and exemplification of the Right and the Wrong Way under the direction of R.W. Bro. G. Campbell assisted by W. Bro. R. Crowle and R. Martins. Both exemplifications were instructive and were well received by the Brethren attending.

W. Bro. W. Lewis of Pembina Lodge 126, Sangudo, was elected D.D.G.M. for the year 1955-56 subject to the approval of the Grand Master.

The Grand Secretary gave a short talk on matters of interest. This was followed by an outstanding and inspiring address by the Grand Master on the subject "There is an Alarm at the Door."

The meeting closed with the assistance of the M.W. Grand Master.

My official visits were made as follows: Sept. 1, Onoway Lodge 138; Sept. 16, Whitecourt 153; Oct. 4, Pembina 126; Oct. 12, Mayerthorpe 148; Nov. 3, West Edmonton 101; Nov. 8, Jasper 14; Nov. 18, Whitecourt 153; Nov. 19, Patricia 91; Jan. 13, Saskatchewan 92; Jan. 20, Ivanhoe 142.

Other fraternal visits were paid to Lodges and at all meetings I found harmony and good fellowship prevailing. During my official visits instruction in various phases of our ritual was given with a view to more uniformity in the work of our Canadian rite. It was also my endeavor to impress on the members their duty as Masons to their fellow men and their community.

Degree work was exemplified in an excellent manner by the various Lodges both in the rural and urban areas. Attendance with the exception of one lodge in the district is keeping normal with special nights in city lodges being above average.

Of special interest is the fact that the three principal offices in Mayerthorpe Lodge 148 are occupied by brothers, W. Bro. S. H. Hughes, Master; Bro. E. L. Hughes, S.W.; and Bro. L. D. Hughes, J.W. They are doing an excellent job in conducting the affairs of the Lodge.

I had the honor and privilege of occupying the chair of King Solomon in Jasper Lodge No. 14 when the third degree was exemplified by Past District Deputy Grand Masters. Fourteen P.D.D.G.M.'s took part and upheld the reputation of Grand Lodge officers in grand style.

I believe the Lodges in District 12 will continue to uphold the dignity and good work of the Craft and am pleased to report the condition of Masonry in District 12 as good.

It has been a privilege and pleasure to serve as your representative Most Worshipful Sir, and I would like to extend my thanks to you and all Brethren who made this happy year possible. My thanks to those who so willingly attended me on my official visits and a special thanks to my secretary W. Bro. Reg Parton for his untiring efforts.

To my successor, W. Bro. Lewis, I wish a successful and happy year, and bespeak for him the same courtesy and co-operation extended to me by the District Lodges.

A. T. POTTER, D.D.G.M.

DISTRICT No. 13

I have the honor to submit for your consideration my report as District Deputy Grand Master for Masonic District No. 13 for the year 1954-55. I would first, Most Worshipful Master, thank you and Right Worshipful Brother E. H. Rivers for your kind assistance during my office and also for help with the District Meeting.

The District Meeting was held at Sexsmith in the Legion Hall on July 14th. The Grand Master, M.W. Bro. Peter Dawson, M.W. Bro. Sam Harris, R.W. Bro. E. H. Rivers, Grand Secretary, were in attendance.

The District Meeting was opened by the officers of Sexsmith Lodge at 2 p.m. and all Grand Lodge officers were received in the proper form. The weather was lovely and all Lodges in District 13 were represented in large numbers. It was, I believe, a record crowd. The First Degree was exemplified by officers of Spirit River Lodge No. 116, and discussed.

Reports from the Masters of the Lodges in District were read and progress was quite favorable.

The banquet was held at 6.30 p.m. and Labor was resumed at 8.00 p.m. Exemplification of an examination of a visitor was conducted by R.W. Bro. A. H. Abbott, and discussed. A question period followed.

M.W. Bro. Sam Harris very capably presented R.W. Bro. Gilpin with the regalia of P.D.D.G.M. Splendid addresses were given by all Grand Lodge officers, M.W. Bro. Sam Harris, R.W. Bro. E. H. Rivers, followed by the address by M.W. Bro. Peter Dawson, which was very educational.

July 15th, the Grand Master, Grand Secretary, M.W. Bro. Sam Harris and I journeyed to Peace River where Lodge was held in the evening, consisting of a round table discussion and question period, which I am sure, was enjoyed by all.

During the year, I visited officially the Lodges in District No. 13 as follows:

Northland No. 147 on Oct. 12th; Wahpun No. 88 on Oct. 14th; Spirit River No. 116 on Oct. 18th; Hythe No. 156 on Oct. 28th; Peace River No. 89 on Nov. 4th; Grande Prairie No. 105 on Nov. 9th; Sexsmith No. 160 on Dec. 7th; Lake Saskatoon No. 106 on Jan. 6th.

I also made several unofficial visits to some Lodges in the District and had the pleasure of attending Peace Lodge, G.R.B.C., at Dawson Creek, accompanied by a large number of members from the different Lodges in District.

I found the Lodges in the District progressing quite well and some Lodges showed great improvement, taking a great interest in the work of Masonry. I had the pleasure of witnessing a number of candidates being initiated into Masonry, the work being very well done by the various officers.

I wish to thank all members for their kind assistance, co-operation

and reception in making my year as District Deputy Grand Master a pleasant, and I hope, a profitable one. I especially wish to thank those Brethren who accompanied me in my travels throughout the District. I would like, at this time, to thank R.W. Bro. N. H. Swallow for acting District Secretary. He performed this duty most capably, and assisted me in every way.

Finally, may I extend to my successor, W. Bro. Robert Newcom, my best wishes for a successful year.

H. J. MURRAY, D.D.G.M.

DISTRICT No. 14

I have the honor to submit for your consideration and approval my report as District Deputy Grand Master for Masonic District No. 14 for the year 1954-55.

The District Meeting was held at Youngstown in the Lodge room of Acadia Lodge on August 11, 1954. The meeting was opened by W. Bro. R. E. Barker and the regular officers of Acadia Lodge. I was then officially received as D.D.G.M., and assumed the gavel.

I then had the honor of officially receiving you as Grand Master of Masons in Alberta along with R.W. Bro. E. H. Rivers, Grand Secretary. After you had returned the gavel to me, examination of a visitor was exemplified by R.W. Bros. L. E. Helmer and I. D. Barton, R.W. Bro. J. G. Odell acting as the visitor.

After a question period the meeting was called from labor to refreshment at which time all Masters and Wardens present met informally with you to discuss Lodge Work. The secretaries met with R.W. Bro. Rivers for instruction. After a very enjoyable banquet labor was resumed.

R.W. Bro. J. Waterhouse gave his report on his work as D.D.G.M., after which he was invested by you, M.W. Sir, with regalia presented to the District by the family of the late R.W. Bro. W. C. Ager. The reports of the Masters of the various Lodges showed Masonry in District 14 to be in a very satisfactory and progressive condition.

W. Bro. G. M. Hewson of Hand Hill Lodge was elected D.D.G.M. for 1955-56, subject to your approval, and Delia was chosen as the place of the next District Meeting. Your address, M.W. Sir, was very instructive and was much appreciated.

Berry Creek Lodge No. 158: This is my home Lodge. I made my official visit on September 22. This is a small Lodge and the resident members are widely scattered. In spite of this average attendance is fair. The Lodge room is in very good condition. The officers are proficient in their work. The financial condition is good and harmony is very evident.

Empress Lodge No. 161: On September 30 I visited this Lodge accompanied by R.W. Bro. Forster and Bro. A. Torrie. It was a

pleasure to see the F.C. Degree put on so efficiently by the officers who are all young men. The Lodge room is in fine shape. The building is the property of the Lodge. The books are well kept. The attendance is very good and the spirit of Masonry prevails.

Oyen Lodge No. 104: My next official visit was to this Lodge on October 5 accompanied by R.W. Bro. P. Davie of Youngstown. Several of the Brethren from Berry Creek were there also.

This is the only Lodge in the District working the York Rite. An E.A. Degree was very ably put on by a staff of young officers. The Lodge room and furnishings are very good. The meetings are well attended. This is a very progressive lodge.

Acadia Lodge No. 82: On October 12 I visited this Lodge. There was a very good turn out, several of Crocus Lodge members being in attendance. Acadia is a small lodge with only 15 resident members. However, the attendance is very good considering that several of these are elderly Brethren. They have a very efficient secretary. The officers conduct the Lodge in a very able manner.

Crocus Lodge No. 115: On October 26 accompanied by several from Acadia Lodge I visited this lodge. The Lodge room and furnishings are good. The officers know their work. At this meeting, after examination, R.W. Bro. Waterhouse presented aprons to two newly raised Brothers. The Lodge is in good financial position and is showing progress.

Hand Hill Lodge No. 98: Accompanied by R.W. Bro. Helmer and W. Bro. Baldwin I visited this Lodge on November 10. The officers do their work very well. The Lodge room is attractively decorated and the furniture is good. The books are well kept and harmony is very much in evidence.

Hanna Lodge No. 78: I made several visits to this Lodge. My official visit was made April 4, 1955. During the year, along with Hanna Chapter R.A.M. and the O.E.S., this Lodge undertook an ambitious building program which they carried to completion in a splendid manner. They now have a very fine building. Most of the labor was done by the members and the material paid for by voluntary subscription. The fact that non-Masons assisted shows the respect in which the Order is held in the Hanna district. The officers are well versed in the work and the books are efficiently kept. The manner in which the members worked together toward this end is sure proof of the harmony that prevails.

Craigmyle Lodge No. 132: My final visit was made to this Lodge on April 12, 1955. R.W. Bro. Helmer and W. Bro. Sinclair accompanied me. There was a good turn out at this meeting. The average attendance at this Lodge is very good. The officers who are all young men are proficient in their work and the books are well kept. The Lodge room and furnishings are in very good condition. It was a pleasure to visit this Lodge with its fraternal welcome.

In conclusion, M.W. Sir, I would say that the condition of Freemasonry in District 14 is excellent in every way, fraternally, socially and financially.

Before closing I wish to thank you, M.W. Sir, for confirming my election and the Brethren of District 14 for entrusting me with this office and for the support and encouragement they have given my efforts.

EGBERT O. COULTIS, D.D.G.M.

DISTRICT No. 15

I have the honor to present, for your approval, my report as District Deputy Grand Master of District No. 15 for the year 1954-55.

The District Meeting was held in Delburne on Thursday, August 12th, 1954, all seven Lodges of the District were well represented, there being a total of 90 in attendance. Registration commenced at 3 p.m. and an informal meeting with the Grand Master and Grand Lodge officers was held between 3.30 and 5 p.m. The general discussion was greatly enjoyed. After a banquet at 6.30 p.m. and the usual toasts, Lodge was opened at 9.30 by the officers of Cavell Lodge No. 125. I was then introduced by my predecessor, R.W. Bro. Longson of Irricana Lodge No. 137 and after opening the meeting received the M.W. the Grand Master and Grand Lodge officers in due and ancient form.

The Worshipful Masters of all Lodges in District 15 were present and gave their reports, following this W. Bro. Ben Holt of Fidelity Lodge No. 76, Bashaw was elected D.D.G.M. for the year 1955-56, subject to the approval of the Grand Master. Bashaw was chosen as the place for the District Meeting of 1955-56. M.W. Bro. Rev. Peter Dawson, Grand Master addressed the Brethren and his message was greatly appreciated by all privileged to hear it.

I have officially visited the Lodges of District No. 15 as follows: Ancient Landmark No. 163 on Oct. 7th, 1954; St. Andrew's No. 66 on Nov. 11th, 1954; Cavell No. 125 on Nov. 15th, 1954; Irricana No. 137 on Nov. 16th, 1954; Acme No. 60 on Jan. 20th, 1955; Cyprus No. 113 on Feb. 16th, 1955; Fidelity No. 76 on March 8th, 1955.

I have made several unofficial visits and was present at the District Bonspiel at Acme on January 5th, 1955.

The work of the Lodges is very good and the officers take a great interest in their Lodges. The books and records are all in good hands and are well kept.

The membership in District No. 15 remains about constant, not being subject to the fluctuation of population of other parts of the Province, and the Grand Lodge Bulletin has about 100% coverage.

I should like to take this opportunity to congratulate my successor W. Bro. Ben Holt of Fidelity Lodge, and to wish him the very best of everything for his year. I would also like to thank the Brethren of the District for the wonderful reception accorded me on each and every one of my visits. It has made my year in office a memorable and pleasant one.

I wish to say, in conclusion, that I consider it a great privilege to have represented you, M.W. Sir, in District No. 15. I have enjoyed the work and trust that my efforts may have furthered the cause of Freemasonry.

J. P. ENGLISH, D.D.G.M.

DISTRICT No. 16

I beg to submit for your approval my report as District Deputy Grand Master for District No. 16, for the year 1954-55.

The annual District Meeting of this District was held in the Masonic Hall, Carbon, on Thursday, November 18th. All Lodges in this District were well represented. 124 of the Brethren attended.

Upon the arrival of the M.W. Grand Master, M.W. Bro. Peter Dawson, the Grand Secretary, R.W. Bro. E. H. Rivers and the immediate Past Grand Master, M.W. Bro. W. H. Jackson, an informal meeting was held, at which many topics of interest were discussed, and much useful information given.

A turkey banquet was served in the basement of the United Church at 6.30 p.m., after which the usual toasts were given and replied to. The District Meeting was opened by the W.M. and officers of Carbon Lodge when the W.M.s of the various Lodges vouched for their members present. As D.D.G.M., I was officially welcomed and declared the meeting open. The Grand Master, M.W. Bro. Peter Dawson, accompanied by his Grand Lodge Officers was then received, saluted with Grand Honors, and conducted to the East.

The election for D.D.G.M. for 1955-56 resulted in the choice of W. Bro. W. A. McCrimmon of Symbol Lodge No. 93, subject to the approval of the Grand Master, and the place of meeting was decided on as Drumheller.

An exemplification of the "Examination of a Visitor" with R.W. Bro. Bessant of Carbon Lodge and W. Bro. C. R. Bragg of Rockyford Lodge as the Examining Committee and R.W. Bro. W. A. Braisher of Carbon Lodge as the "Visitor" created considerable interest and some amusement.

Interesting addresses were given by the Grand Secretary, R.W. Bro. E. H. Rivers and M.W. Bro. W. H. Jackson and then the Grand Master gave a most interesting and instructive address entitled "There is an Alarm at the Door."

I have visited each Lodge in my District, once officially and some unofficially. I have also made a special trip with my District Secretary to examine the books of each Lodge, and beg to report as follows:

Symbol Lodge No. 93: I visited this Lodge on October 14th and saw the First Degree conferred on three candidates. I again visited on February 10th, when two candidates were raised to the Third Degree. At both these meetings the work was done exceptionally well and the officers and Past Masters are to be commended for the impressive manner in which these degrees were conferred. With regard to the examination of the Lodge books, the cash book, card cabinet and ledger are well kept by the secretary, the black book is not quite up to date, the Historical Register I was shown dated from 1922 to 1951. I was informed there was another Historical Register for the earlier years, but the secretary was unable to find it. The average attendance is 53% of the resident members. This Lodge is the oldest in this District and has the largest membership — 164,

of whom 10 are Life Members. Grand Lodge Bulletins are sent to all members with Lodge notices. The Lodge Notices do not have the impress of the Lodge Seal as required by Section 161 of the Constitution. I did not receive the Financial Statement and Statement Work until late in March. The Lodge Books are kept in a locked desk in the Lodge Room.

Carbon Lodge No. 107: This is my own Lodge and I have attended all the meetings and assisted with the Work. The attendance is satisfactory, being about 70% of the Resident Members. All of the Lodge Books are well kept and up to date. The Historical Register is a complete record of all the important events in the history of the Lodge since it was instituted in 1918. This is the work of the present secretary, R.W. Bro. W. A. Braisher. The Books are kept in a safe in the Lodge Room. This Lodge has had a committee on Masonic Education since 1933, and all the meetings are planned in advance and would seem to interest the members as shown by the attendance. Grand Lodge Bulletins are sent to each member with the Lodge Notices. The annual Church Service was held in the United Church, Carbon, on Sunday, October 17th and was attended by 51 Master Masons. The church service was conducted by the M.W. the Grand Master, Rev. Peter Dawson, who gave an instructive and thought provoking sermon entitled "The Challenge of the Church to Freemasonry."

Rockyford Lodge No. 123: I visited this Lodge on September 2nd when one candidate was passed to the Fellow Craft Degree. I gave an address on "Citizenship and Freemasonry." I examined the Lodge Books at a later date. The books are well kept by W. Bro. S. G. Frayne, who has been secretary for the past two years. The Historical Register was up to date. This has been done by the present Registrar, W. Bro. County, and I greatly appreciate his work in this connection. The Grand Lodge Bulletin is sent to 25 of the 61 members. The attendance of the resident members averages 60%. The Brethren take a keen interest in all phases of the Work.

Hussar Lodge No. 130: On September 13th I paid an official visit to this Lodge and saw the First Degree conferred on one candidate. The work was well done and W. Bro. Montgomery is a very capable Master. He has had experience as a Secretary, which is a great help in conducting the Lodge business. The attendance is not large, the resident members being 53 with an average attendance of 13. Grand Lodge Bulletins are sent to all members with Lodge Notices. The Lodge Books are kept in a cupboard in the Secretary's office. I have not yet received their Financial Statement and the Statement of Work was not sent to me until the latter part of March. I inspected the Lodge Books making a special trip for that purpose. The Lodge Books appear to be well kept but the Returns to Grand Lodge had not been sent in at February 18, 1955. There was no Historical Register. They had one, which I understand was well written up, but a few years ago the Registrar took it home to bring it up to date and lost it. They have procured a new Historical Register, but nothing had been written in it at the time of my visit.

Drumheller Lodge No. 146: I visited this Lodge on October 19th. There was no degree work, but there was some interesting discussion

on certain portions of the Constitution. I addressed the Lodge on the subject of "Citizenship and Freemasonry," and my District Secretary also gave an address entitled "The Legend of the Third Degree." I inspected the Lodge Books at a later date. The Secretary's Books are well kept and I think this Lodge has a very capable secretary in R.W. Bro. W. H. D. Anderson. I did not see the first volume of the Historical Register, but the one I saw was not up to date. Apparently the Registrar of the past two years did not make any entries. A new Registrar has been appointed this year and I trust the results will be satisfactory, indeed I think they will. Grand Lodge Bulletins are sent to the members. The average attendance of resident members is 39%.

Standard Lodge No. 152: I made my official visit to this Lodge on December 20th. There was no degree work, the meeting being for the election of officers for the ensuing year. I made a special trip to see the Secretary in February and examine the Lodge Books. I did not see the card cabinet, but the Secretary's Books I saw were very well kept. They do not appear to have used their Ledger since 1940. I did not get an explanation as to why the use of the Ledger had been abandoned. The Historical Register did not have the lists of officers for recent years and the list of members was not up to date. I found the early history of the Standard village and of the Standard Lodge very well written and I thoroughly enjoyed reading it. The average attendance is 52% of resident members. Grand Lodge Bulletins are received by the members.

Four of the Lodges in this District have a Benevolent Fund. These are Symbol No. 93, Carbon No. 107, Rockyford No. 123 and Drumheller No. 146. Carbon, Rockyford and Hussar own their own halls and Symbol and Drumheller state they are joint owners of the Temple in Drumheller, where they met. Ample insurance appears to be carried by all Lodges.

Only one Lodge — Carbon — keep their Lodge Books in a safe. The others are either kept at the Secretary's house or place of business or in the Lodge Room. I would suggest that the Lodges give this matter serious consideration, as in the past, several Lodges have had their records destroyed by fire.

The matter of Historical Registers also requires careful consideration. I would suggest that each Lodge ask their Registrar to read at the December meeting, what he has written during the year. If there has been nothing written it would be unwise to re-appoint him.

In conclusion I wish to thank the Brethren of District No. 16 for electing me to the office of D.D.G.M. and for the kindly manner in which they received me on my official visits. I also wish to thank the Carbon Brethren who accompanied me on my visits and my District Secretary R.W. Bro. W. A. Braisher for the efficient manner in which he carried out his duties. I deeply appreciate the assistance and advice given by the M.W. Grand Master and the R.W. Grand Secretary on numerous occasions.

May I extend to my successor, W. Bro. W. A. McCrimmon, my best wishes for a successful term of office.

ALFRED HOIVIK, D.D.G.M.

DISTRICT No. 17

It gives me great pleasure to submit my report as your District Deputy for District No. 17 A.F. & A.M. for 1954-1955.

The Annual District Meeting was held in Buffalo Park Lodge hall in Wainwright on Wednesday, October 6th, 1954, and was very successful. The meeting was particularly honored by the presence of the M.W., the Grand Master, the M.W. Bro. Peter Dawson, also R.W. Bro. Carl Heckbert, D.G.M. and R.W. Bro. E. H. Rivers, Grand Secretary.

The meeting was preceded by a meeting of the Grand Master and Grand Secretary with the Masters, Wardens and Secretaries of the District and an informal discussion of Masonic subjects such as, Public Liability Insurance, Incorporation of constituent Lodges, tenant insurance and other subjects.

After a banquet catered to by the ladies of the Eastern Star the district meeting was opened at 8:00 p.m. and all lodges were represented excepting Palestine No. 46 and Connaught No. 69.

Much light and instruction was derived from the talks and discussions during the meeting and W. Bro. C. Smallwood of Irma was unanimously elected to be our D.D.G.M. for the ensuing year. Irma was selected as the location for the next District Meeting.

Each lodge in the district was visited at least once, and I found each lodge very enthusiastic in its work, the meetings well attended and the condition of the lodges generally healthy.

I was particularly fortunate to have R.W. Bro. Pryce Jones accompany me on most official visits, and I wish to take this opportunity to thank the officers and members of the Buffalo Park Lodge No. 44 for their support during the past year, and a special thanks to Bro. J. E. Bradley who acted as District Secretary.

JOHN DAVIDSON, D.D.G.M.

DISTRICT No. 18

It affords me a great deal of pleasure to submit for your approval a report of the condition of Masonry, and also the splendid financial position of all the Lodges in District No. 18.

As has been the custom of this District, I arranged my official visits early and had all but one completed at the time of the District Meeting. I would strongly recommend this, as it affords the D.D.G.M. an opportunity to meet the Master and Officers of each Lodge before the District Meeting.

I would like to comment here on the courteous and cordial manner in which my District Secretary, W. Bro. Mumby and myself, were received at each and every meeting we attended. The books of the Lodges were in splendid condition, up to date and, all officers very proficient in their work.

I would recommend M.W. Sir that if you should visit some of our Lodges in District 18, that you ask to see their Historical Registers, as they are masterpieces, of not only Lodge events, but contain complete records of community and world conditions.

The District Meeting was held in the Crossfield Masonic Hall, Wed., Oct. 13th and was attended by yourself M.W. Sir, R.W. Bro. Rivers, and representatives of each Lodge in District 18. An informal meeting was held in the afternoon. At 6 p.m. a banquet was prepared by the Starlite Chapter of the O.E.S. and was served by many of our local High School Girls.

At 8 p.m. the District Meeting was opened by various members of the Lodges in District 18 assuming various stations. Reports were received from the W.M. of each Lodge, followed by a very fine report by R.W. Bro. Gardiner, P.D.D.G.M., who was then presented with a D.D. regalia, a gift of all the Lodges in District 18. After some discussion a motion was passed to assess each Lodge an amount to cover the cost of the P.D.D. regalia in advance, so that the "agent" would not have to wait for payment until the returns were all in. The election for office of D.D.G.M. resulted in W. Bro. S. Bird of Crescent Lodge No. 87 declared elected, subject to the approval of Grand Lodge. To W. Bro. Bird my very best wishes and I am sure he will receive the same loyal support that all Lodges of this District have accorded me.

The dates of my official visits were: Crossfield No. 48, Tuesday, Aug. 10, financial condition good, active; Gleichen No. 36, Tuesday, Sept. 7, financial condition good, active; Canada, No. 165, Wednesday, Sept. 8, financial condition good, active; Mt. Lebanon No. 54, Tuesday, Sept. 14, financial condition good, active; Calgary No. 23, Friday, Sept. 17, financial condition good, active; Concord No. 124, Saturday, Oct. 2, financial condition good, active; Strathmore No. 53, Monday, Oct. 4, financial condition good, active; Zetland No. 83, Thursday, Oct. 7, financial condition good, active; Crescent No. 87, Tuesday, Nov. 7, financial condition good, active.

I am able to attend all the Installations of the District except one, Strathmore and Gleichen being held on the same night I could only attend one, at Gleichen. I am pleased to report that the Installation and Investiture in every Lodge was put on in a very able manner by members of their own Lodge.

Although we have lost 39 members who have passed to the Grand Lodge above we have a net increase in membership of 77 in District 18.

In closing, M.W. Sir, I would like to express my pleasure at having the opportunity of serving as D.D.G.M. of District 18 and to express my thanks to the Officers and Members of each Lodge for the kind and courteous manner in which I was received on all my visits, and also to my District Secretary, R.W. Bro. Mumby, who gave me such loyal support.

WM. J. WOOD, D.D.G.M.

DISTRICT No. 19

It has been a privilege and an honor to serve you this past year in District No. 19, as District Deputy Grand Master and I submit this report of my activities in the District for the year 1954-1955.

I would like at this time to thank the Brethren of the District for electing me to the office of D.D.G.M. and also for the co-operation and kind reception on my official visits. I have visited each Lodge officially at least once and have been able to attend meetings in different Lodges on other occasions.

District Meeting:

The members of the various Lodges of the District assembled at the Lodge Room in the Westlock Community Hall at 3:00 p.m. and registration was carried out. At this time the M.W. the Grand Master M.W. Bro. P. Dawson met with the Masters and Wardens for an informal discussion on matters pertaining to their offices. The R.W. Bro. E. H. Rivers, Grand Secretary, met with the Secretaries and discussed their problems and different procedures. Both of these discussions were worthwhile and I am sure that each one derived some benefit from them.

Sharply at 5:00 p.m. Westlock Lodge No. 114 opened Lodge and received me as D.D.G.M. in due and ancient form. I then declared the second District Meeting of District No. 19 officially opened. You Most Wor. Sir were then received with Honors, you were accompanied by R.W. Bro. E. H. Rivers, Grand Secretary, and several other P.G. officers. It was a pleasure to have you and Bro. Rivers at this meeting and I wish to thank you for your encouragement and help. All Lodges of the District were represented along with many visitors. The meeting was well attended, some 90 members being registered. The meeting then went into recess at 6:00 p.m. and all members assembled in the basement of the United Church where the Ladies of the W.A. served us with a delightful banquet. Grace was said by the M.W. the Grand Master. At 7:00 p.m. sharp the District Meeting was called from refreshment to labor and reports from the Lodges were received. Several questions were asked as to different procedures and the R.W. Grand Secretary and yourself answered them to the satisfaction of all present.

V.W. Bro. W. S. Kent of Dominion Lodge No. 117 Edmonton was elected D.D.G.M. for the year 1955-1956, subject to the approval of the Grand Master and it was agreed that the next District Meeting would be held at a place to be decided on by the D.D.G.M. elect.

Papers were given by the following members and considerable benefit was derived from discussions.

Bro. Bill Young of Victoria Lodge No. 13 on Absentee Members.

W. Bro. Reg. Parton and Bro. O. P. Thomas Gateway No. 164 on Exemplification of Board of Trial.

V.W. Bro. W. S. Kent of Dominion Lodge No. 117 on Legends and Land Marks of Freemasonry.

Barrhead Lodge No. 171:

A very important Meeting of District No. 19 was held at Barrhead on September 29th when Barrhead Lodge No. 171 was Constituted and Consecrated and the new officers were installed by the M.W. the Grand Master Bro. P. Dawson assisted by several Grand and Past Grand Officers. W. Bro. J. Jesten was installed as first Master. The Grand Master addressed the Lodge in his able way. This was a very good meeting with a large number of visitors present. I took a small part in the Installation Ceremony. After Lodge closed a social hour was spent over the festive board.

I again attended Barrhead on November 18th on my official visit. The new officers conferred the third degree on two candidates. W. Bro. Jesten and his officers are to be congratulated on the efficient way the degree was put on. It was my privilege to be the first D.D.G.M. to visit this Lodge officially after its Constitution. Under its capable officers I am sure that this Lodge will make good progress. I was accompanied on both these occasions by several Brethren of my own Lodge.

Tawatinaw Lodge No. 71:

On September 4th I was requested by the Grand Secretary to investigate the meeting place of Tawatinaw Lodge No. 71, who were having difficulty in getting suitable premises to meet in. I met with the committee who were at the time still trying to make arrangements. After inspecting several possibilities they had in mind the only feasible place was the Community Hall, which was not ideal but was the only place they could get for the time being until something else more suitable turned up. I really was not happy about this arrangement but it was the best that could be found right then.

I was very pleased when I heard several weeks later that they had made arrangements to fix up a small hall above the main floor of the Community Hall. When I was there on my official visit on November 10th, the Lodge Room (although small) was well furnished and comfortable. The Elks Lodge of Athabasca also meet in this hall and shared in the expense of fixing it up. The election of officers was carried out which took up a good deal of the evening. Now that they have a Lodge Room, I believe Tawatinaw Lodge will go forward as it has in the past.

Westlock Lodge No. 114:

I visited Westlock Lodge officially on November 4th, when the third degree was ably conferred by its officers. This Lodge is making good progress under the excellent leadership it has had.

Westlock Lodge has suffered a great loss in the sudden passing of their Secretary, R.W. Bro. W. J. McCullough. Bro. McCullough will be sadly missed in his Lodge and by the craft in general.

Waskatenau Lodge No. 154:

On December 1st, I journeyed to Waskatenau Lodge to make my official visit. This was a long trip having had to go around by Fort Saskatchewan bridge. The Lodge now owns its Lodge Hall and it is very comfortable. The officers conferred the third degree in a capable manner. I am sure that this Lodge will continue to grow.

After Lodge closed a social hour was spent at lunch.

Dominion Lodge No. 117.

I officially visited Dominion Lodge on January 12th, when the second degree was conferred on four candidates. It is always a pleasure for me to visit this Lodge as I know so many Brethren personally. There is a true spirit of Masonry in this Lodge and the records are well kept. I wish to thank R.W. Bro. Lister for his kind remarks regarding the good District Meeting held at Westlock.

Strathcona Lodge No. 77.

I had the privilege of visiting Strathcona Lodge on January 28th. W. Bro. Hunter and his officers conferred the second degree and it was very capably done. I was unable to examine the books and records as they were in the hands of the auditors. However, it would appear from the reports received since, the Secretary has the records well in hand.

Victoria Lodge No. 13

I made my official visit to Victoria Lodge on February 8th, one of the coldest nights we had this winter. However, we had a fair turn out and a good meeting. I attended their previous meeting and saw the third degree conferred on two candidates. This Lodge is about to burst its seams as it is indicated a goodly number of Brethren employed at the Sherritt-Gordon Nickel Plant intend to affiliate. There is a good healthy spirit in the Lodge.

Lamont Lodge No. 94

I officially visited Lamont Lodge on February 14th. There was a good turn out. The books and records are in good shape. There are no arrears. The Lodge is in sound financial condition. The officers conferred the first degree on a candidate, R.W. Bro. Hardin, P.D.D.G.M. of District No. 10 accompanied me on this visit and gave a short and interesting talk on the first degree.

Gateway Lodge No. 164.

I officially visited Gateway Lodge on its regular meeting night on March 8th. There was a good turn out including a number of visitors. The first degree was conferred on a candidate by the officers of the Lodge. The books and records are in good shape. This Lodge is still growing and there is a good healthy Masonic atmosphere.

This District is in a good condition but the distances a D.D.G.M. has to travel are rather great. However, I was able to get outlying Lodges visited before winter really set in. I have visited all the Lodges at least once and in some cases two and three times. It is my intention to make more visits before my term expires.

It is noted by Secretary's reports that there has been an increase in membership. I truly believe this will continue for some time. Some of the Lodges report considerable arrears in dues, but I have been assured that most of these arrears will be paid. Conditions last fall in this area were not ideal as the bad weather had a lot to do with there being a shortage of cash. I know that each Secretary will do his part in getting the arrears cleaned up as soon as

possible. It would be a great help to all Secretaries if the Brethren would attend to the matter of paying their dues early each year.

I want to thank all those who in any way helped or accompanied me on my official visits. I would be very remiss in not especially thanking W. Bro. R. S. Harrison, District Secretary for the fine job he has done. He is a willing worker and accompanied me at all my meetings.

Finally I wish to thank the Lodges for the cordial reception and kindness during my visits.

It has been a pleasure to serve you and I wish my successor in office the very best during his term and may he enjoy the same courtesies extended to me.

R. H. SHEARS, D.D.G.M.

N.W.T. DISTRICT

The Lodge at Yellowknife No. 162 had an active year in 1954 with an increase in membership of 8. As anticipated, the change in personnel in a mining camp, which is generally pretty heavy, was reflected over the years in this Lodge. At the moment, there are 95 members, fifty of whom are non-resident and 45 resident. However, on the occasion of my official visit in February, in spite of very cold weather, there were 30 members present, including four Past Masters and, in addition, four visitors from "outside."

During the year, the grim reaper took his toll, two members having died, one being a charter member, Bro. R. D. McPhee.

In the brief summer, the Lodge held a Masonic picnic at the Girl Guides' camp on Long Lake. Seventy-eight adults and forty-five children attended and the usual events were run, swam or otherwise enjoyed, particularly as the mosquito and black fly season was over. It is proposed to hold this picnic as an annual event.

The "Baby Bonds" issued to pay for the Lodge Hall have all been called for redemption and many have been redeemed or donated to the Lodge. Through the kindness of W. Bro. O. L. Stanton, the medical officer of the district, an organ was donated to the Lodge, which will enhance the Work considerably. A splendid door knocker was donated by Bro. Gordon Allen, the mayor of Yellowknife. A recent addition to the hall is the hanging of framed photographs of the Past Masters and the Grand Lodge Officers responsible for its foundation.

In closing, I may say I feel the Lodge is carrying out its function in an eminent degree and has a splendid future.

CHARLES E. GARNETT, P.D.D.G.M.

It was moved by M.W. Bro. R. J. Bradley (51) and seconded by R.W. Bro. D. Patterson (83) that the reports of the District Deputy Grand Masters be received and referred to the Committee on the Condition of Masonry. Carried.

REPORT OF THE BOARD OF BENEVOLENCE

To the M.W. The Grand Master Officers and Members
Of the Grand Lodge, A.F. & A.M.

M.W. Sir & Brethren:

We have the pleasure in submitting herewith the Report of the Committee of Benevolence.

Regular meetings of the Board were held each month when all matters pertaining to Benevolence were attended to.

Early in the Masonic year the Lodges were requested to give a full report on each of the cases in which they were interested. This was done with a twofold purpose, first to ascertain that the conditions pertaining to the case had not materially changed and secondly to satisfy the Board that proper care was being given. The results of the reports indicated that increases were required in several instances and these were duly granted.

There is a tendency in many Lodges to be somewhat parsimonious in the amount requested or needed to take care of their beneficiaries, forgetting that the dollar does not buy as much today as it did in bygone days. In several instances the Board agreed to accept two-thirds of the cost instead of one-half as formerly, in order that proper provision may be made. Where the Lodge has not been financially able to bear a portion of the cost we have cheerfully accepted the full amount.

The Board is always willing to give any assistance that is within our power and if the Secretaries of the Lodges will reply as promptly as they possibly can on each of the cases, then they will also receive prompt attention. Time and again the form which we require to deal properly with the application is sent out and sometimes two or three months elapse before we receive the report back. In the meantime we do not know just how the Beneficiary or the party to whom they refer will be faring. Sometimes we are able to make a grant pending the report, but we request that the Lodges give some consideration to those who are in need and give us a full and complete report.

In the Proceedings in future the cases will be designated by a number instead of giving the initials of the beneficiary which will tend more to concealing the identity of the recipient.

V.W. Bro. F. W. Parry of the Southampton Benevolent Association has for the past 15 years served this Grand Lodge well in the care of one of our beneficiaries who passed away recently. The Board wishes to express our thanks and deep appreciation to Bro. Parry for his kind consideration.

Fraternally submitted,
Wm. Ireland, President

Moved by M.W. Bro. W. Ireland (9), seconded by M. W. Bro. A. D. Cumming (134). That the Report of the Board of Benevolence be received and adopted. Carried.

REPORT OF THE COMMITTEE ON FINANCE

To the M.W. The Grand Master, Officers and Members
of the Grand Lodge of Alberta A.F. & A.M.

M.W. Sir and Brethren:

Your Finance Committee has held regular meetings during the year and all Financial business of Grand Lodge has been carefully considered. The Auditor has regularly examined the books and accounts and his report and the Financial Statements are now in your hands. The Bonds listed have been examined in the Safety Deposit Box of the Bank of Nova Scotia, where they are held, and found in order.

I must again express my appreciation to M.W. Bro. H. E. Howard for carrying on during my temporary absence.

It is recommended that payments to the Superannuation Fund from the General Fund and the Relief Fund should be reduced from \$1,000 to \$500.00 each. The fund now stands at \$19,000.00 and there is no apparent need to build it up so quickly.

The Albertan Job Press have again been awarded the contract for the printing of the Proceedings, their bid of \$5.60 per page, an increase of \$1.15 over 1954, being the lowest of four tenders received. This year 600 copies will be printed and two copies sent to each Lodge, additional copies will be available at \$1.00 per copy as long as the supply lasts. Copies are sent to all Grand Jurisdictions with whom we are in Fraternal accord.

The Contract for the printing of the Grand Lodge Bulletin for 1955/56 has been awarded to the Co-Op Press of Edmonton, who printed it last year, theirs being the lowest tender received. We have directed that the Lodges be billed for the Bulletin at the start of the season and that a 10% reduction of each account be granted. The accounts this year show a substantial surplus for the Bulletin as the method of billing was changed during the year and receipts are for sixteen months, whilst expenses are for ten months.

It is recommended that provision be made for \$1,000.00 for the Fiftieth Anniversary. This will provide a sum of \$4,000.00 altogether which should be ample.

It is recommended that the District Deputy Grand Masters be paid the sum of \$50.00 for their services during the year 1954/55.

It is recommended that an Assistant Librarian be appointed at an Honorarium of \$300.00 per annum, his duties: to read the Proceedings of other Grand Jurisdictions and write the reviews for publication in the Proceedings.

The Auditors Statement shows a net surplus of \$6,608.82 for the year, which amount has been transferred to the General Reserve Fund. The amounts due from Lodges are about normal and we are pleased to note that the use of Quarterly Statements by the Grand Secretary is working satisfactorily.

We recommend that the Expense account of the Grand Secretary be separated from that of Grand Lodge Officers and that the sum of \$1,000.00 be budgeted for the Grand Secretary and \$500.00 for Grand Lodge Officers. The allowance for the Grand Secretary will enable him to visit more Lodges.

We recommend that M.W. Bro. Ireland be appointed Auditor and that he be paid \$300.00 for his services.

The itemized Budget is presented herewith and it is recommended that it be approved. Income is budgeted at \$24,675.00 and expenditure at \$24,331.00.

A. D. CUMMING, Chairman

MOVED by M.W. Bro. A. D. Cumming (134) seconded by R.W. Bro. O. C. Smith (83) That the Report of the Committee on Finance and the Budget for 1955-1956 be received and adopted.

Discussion: W. Bro. H. A. Chowne (164) Do I understand M.W. Sir, from the Finance Report that the District Deputy Grand Master's allotment for the year is only \$50.00 each?

M.W. Bro. Cumming: That is right. The allotment is placed in the Budget and has to be passed each year.

W. Bro. Chowne: M.W. Sir, while the Board of General Purposes has given this matter a little consideration, I do not think they have gone deep enough because after all is said and done the expenses for a District Deputy going around the country today are high. \$50.00 is not very much, on top of that I appreciate that the District Deputies, as well as myself and fellow members, have done a lot and still do a lot for Masonry. I think there are some of my Brethren today who occupy these Offices who should be recompensed a little more. I say this with all due respect and not as any criticism of this Report, but you notice that the balance of your Grand Lodge Account is over \$6,000.00 and I would like to pass that suggestion along that an increase be provided for the District Deputies in the future.

Grand Master: Any further questions? . . . Are you ready for the question? All in favor signify Masonically. Carried.

M.W. Bro. Cumming: M.W. Grand Master three years ago we passed a Motion that \$1,000. be placed in the Superannuation Fund from both the Relief Fund and the General Fund. This amount is not now necessary as the Superannuation Fund has now reached \$19,000.00 and there is no likelihood of it being used for the next ten or fifteen years. We therefore recommend that this be cut back to \$500.00 from each Fund. I Move, seconded by V.W. Bro. L. E. McKay (165) that the recommendation of the Committee on Finance be approved. Carried.

DECLARATION OF ELECTION OF GRAND MASTER

Grand Master: It is now a pleasure for me to proclaim R.W. Bro. Carl Heckbert (24) elected Grand Master of this Jurisdiction for the ensuing year. (Applause.)

MOTION

Grand Master: Now we come to the Motion of Crescent Lodge No. 87 and Concord Lodge No. 124 re the Work. I might say another word with regard to procedure, that is that the Mover of the Motion will have the privilege of closing the debate. Now can we have that Motion please.

The following Notice of Motion read by the Grand Master:

Crescent Lodge No. 87, Calgary — Concord Lodge No. 124, Calgary

That Grand Lodge be requested to amend the ruling of the Committee on Work, as approved at the Communication of 1948, to permit

subordinate Lodges practising in the Canadian Rite to use the Canvas in the Third or Master Mason Degree.

Motion was presented by R.W. Bro. R. F. Lawrence (87) seconded by V.W. Bro. L. E. McKay (87) and supported by W. Bro. R. T. Martins (101).

Grand Master: Brethren we have the affirmative I wonder is there another side to this debate. Are you all finished? The Grand Master then read the Motion again the Motion was put and Carried.

REPORT OF THE COMMITTEE ON THE WORK

The Grand Master announced that M.W. Bro. G. F. Ellis (124) was unable to be present and had requested M.W. Bro. Howard (28) to present the Report of the Committee on the Work. The following Report was read by M.W. Bro. Howard (28).

To the Most Worshipful, the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

Most Worshipful Grand Master:

We are pleased to report that all questions pertaining to the Work, except those which have already been ruled upon, have been given attention and rulings made. We mentioned last year that the Grand Secretary was receiving many questions on which rulings were still effective, and in order to clarify this further the Committee would call a meeting to check and revise all rulings since approximately 1940.

This meeting was held on December 9th and 10th, 1954, in Calgary, and the work of those two days is reflected in the list of rulings which the Grand Secretary mailed out to the Secretary of each Constituent Lodge in our Jurisdiction.

We would respectfully request that these rulings are not allowed to go out of the possession of the Secretary, but that they are available at each regular meeting so that quick reference can be made to them should any questions pertaining to the Work arise.

May we reiterate the contents of our last paragraph on our report last year which read as follows: "May we bespeak the fullest co-operation of all Constituent Lodges, as this Committee will strive to carry out its duties with impartiality, having only in mind its desire to serve in a truly Masonic spirit."

We should like to add to this, "for the betterment and standardization of the Work in all Constituent Lodges."

You will readily realize that it is impossible to please all Lodges, and your Committee in the fulfillment of its duties cannot take into consideration some traditions and customs of any Constituent Lodge which may be contrary to the rulings which are made, as already stated, in the best interests of the Grand Jurisdiction.

Fraternally submitted,
GEORGE F. ELLIS, Chairman.

MOVED by M.W. Bro. H. E. Howard (28), Seconded by M.W. Bro. H. B. Macdonald (83), That the Report of the Committee on the Work be received and adopted. Carried.

Grand Master: I will now call upon another of our Distinguished Visitors M.W. Brother Nelson C. Hart, Past Grand Master of the Grand Lodge of Canada in the Province of Ontario.

M.W. Bro. Nelson C. Hart: I have been most interested in visiting this Grand Lodge for the first time and I wish to congratulate you on having attained your majority. I understand from the representatives from Manitoba that they take more or less of a daughterly interest in this Grand Jurisdiction as most of the early Lodges here were constituted by the Grand Lodge of Manitoba. Such being the case the Grand Lodge of Canada in Ontario can take a Grand-daughterly interest in this Grand Lodge! Mrs. Hart and I have been received in a most courteous manner and we have enjoyed our stay in your city and visit to this Grand Lodge to the fullest extent and feel quite sure that those of you who will come to Ontario in July will give us the opportunity of receiving you in the same manner that you have received us here and make you feel as much at home as you have made us feel. We are having our Hundredth Anniversary on July 17th of this year. There will be a religious service, a service of thanksgiving for the blessing of the past hundred years. On Monday and Tuesday, 18th and 19th the Regular Session of Grand Lodge, will be held. It will be at the Exhibition Grounds this year and we expect at least 25,000. So if any of you are in the neighborhood or in the Eastern part of Canada, we will be very pleased if you will occupy some of those seats. This year for the Grand Master's Banquet we are expecting 3,000. This will necessarily be limited but if any of you do come we will make you as welcome as we possibly can.

I also wish to express my pleasure at being permitted to attend your Board of General Purposes yesterday. The Reports were pretty much the same as our own, a great many things were discussed and it is an opportunity to get a lot of things off our chests at a closed meeting, whilst preparing Reports for presentation at Grand Lodge. I was happy to learn that your Grand Lodge is also interested in young peoples' work and this morning you struck a very responsive chord when you mentioned something about the various kinds of doctrines being planted in the various parts of the world. We must take some action to see that they do not get spread abroad in the Dominion of Canada. I have been interested in young peoples' work all my life. I teach at the University of Western Ontario. at least I am supposed to teach there and I come in contact with young people a great deal. I have said that the things we would like to see in the young people are Industry, Intelligence and Integrity. Now as far as Industry is concerned, I have heard that the radio and the moving pictures and the increase in wealth has tended to stop the people working as hard as they used to and when we don't work as hard then we are liable to get some of these outside "isms" into our system. Intelligence, of course, most of us hope we have and we would like to do something about that in the Universities and in the Schools, but we must have the peoples' indulgence.

My final word is Integrity and that is something we are probably more interested in as Masons than anything else. I do feel sometimes that we do not have the real fundamental sense of Integrity in the various institutions today, which I think is a great mistake. We have got to get through to the young people. A representative of a large institution said once "Give me the child when he is thirteen years of age and you can have him after that." I am pleased your Lodge is interested in young peoples' work and congratulate you on it. I thank you for your hospitality. (Applause).

REPORT OF THE COMMITTEE ON THE REVISION OF THE CONSTITUTION

Grand Master: We will have the Report of the Committee on the Revision of the Constitution, which will be presented by the Grand Secretary.

Re CONSTITUTION

M.W. Grand Master and Brethren:

I deeply regret that I shall be unable to attend the Communication of Grand Lodge owing to important duties which cannot be avoided. I would request, therefore, that you receive this, my report on the changes required in the Constitution before it is reprinted.

As indicated in the Notice calling Grand Lodge I recommend that the following Sections be added:

18a When a Lodge shall be represented by only two of its proper Officers, the Officer highest in rank may cast two of the three votes.

18b When a Lodge shall be represented by only one of its proper Officers, that Officer may cast three votes for the Lodge.

147a A Member of a Lodge may not hold more than one office therein at the same time.

The first two mentioned Sections were in the Constitution for 1912 and for some obscure reason were deleted from subsequent printings. They will only legalize a practice which has been carried on over the years.

The third Section is to include as a part of the Constitution a rule of Masonic practice that is not at the present time included. It is a part of the Standard Code of By-laws. This was Section 188 in the 1912 Constitution.

I also recommend that Section 201 be amended to include the words 'after such notification' after 'six months' in the third line. The Section to read: 201 If a Lodge notifies an accepted Petitioner to present himself for Initiation and the said Petitioner fails to appear within six months after such notification, then a new Petition and Ballot shall be required.

The above are items that I consider require Notice of Motion, and for which Notice of Motion has been given.

I recommend to this Grand Lodge that the wording of a number of Sections should be changed to express them in better English and clarify their meaning, without altering the intent or meaning of the Section, a list is appended hereto.

200 I would further recommend that Section 200 be broken down. The ruling therein that 'No Candidate can be initiated until at least seven clear days after his election' is a most important one and I would recommend that it follow Section 187 and should read:

A Candidate may not be initiated until at least seven clear days following his election.

The provision in the last line of Section 200 'The use of black cubes instead of black balls is permitted' appears to duplicate authorization already given in Section 204 and I recommend that it be eliminated.

240 In consultation with the R.W. Grand Secretary I learn that Section 240 of the Constitution, requiring Secretaries to submit lists of Masters, Wardens and Past Masters entitled to vote, has largely been ignored and that it serves no useful purpose. I recommend that it be eliminated. I am of the opinion that if this is unanimously agreed to that the usual Notice of Motion may be waived as it is not important and the Lodge is required by Section 162 to submit a Certificate of Election.

I consider that the description of the method of giving the Grand Honours, presently contained in the pamphlet 'Ceremony of Laying a Cornerstone' should be included in the Constitution for the information of all members.

Fraternally submitted.

G. M. BLACKSTOCK,
Past Grand Master.

R.W. Bro. R. F. Lawrence: M.W. Sir the point of clarification.

The Grand Master interjects: Which particular recommendation are you referring to?

R.W. Bro. Lawrence: M.W. Sir, the one that recommends that no officer may hold more than one Office in the Lodge.

Grand Master: We will discuss that now then.

R.W. Bro. Lawrence: The point I wish to raise M.W. Sir is this, is the Chairman of a Committee considered an Officer of the Lodge? In other words, our Senior Warden is the Chairman of the General Purpose Committee?

Grand Secretary: M.W. Sir the Officers of the Lodge are listed in Sec. No. 142 of the Constitution. (Sec. No. 142 quoted). The Chairmen of the various Committees are not listed as Officers.

Grand Master: Any further questions? Grand Secretary will you read the first recommendation?

Grand Secretary: Amendment Sec. 18A and 18B, read by the Grand Secretary. The practise of the Senior Officer present carrying the votes of the absentee has never been broken in this Grand Lodge but the provision for its use was deleted from the Constitution in the 1912 Revision. This is only going to legalize something that has regularly taken place.

Grand Master: We will take the report as a whole. Are you ready for the question? All in favour? Carried.

REPORT OF SPECIAL COMMITTEE ON CEREMONIALS

To the M.W. the Grand Master, Officers and
Members, Grand Lodge of Alberta, A.F. & A.M.

M.W. Grand Master and Brethren:

The Committee appointed by the M.W. the Grand Master, consisting of:

M.W. Bro. F. P. Galbraith,
M.W. Bro. C. C. Hartman, and
M.W. Bro. W. H. Jackson (Chairman)

to consider the matter of revision of certain Grand Lodge Ceremonials begs to report as follows:

1. Ceremony of Opening and Closing District Meetings:

This Ceremonial is somewhat complicated and presents many difficulties in getting the District Meeting started, the Committee recommends that a shorter and simpler method be adopted in which the D.D.G.M. assumes control of the gathering and opens his meeting without any preliminaries. A copy of the proposed opening and closing ceremonial is here attached.

2. Lodge Installation Ceremonial:

This Ceremonial is lacking in clarity of the distinction between the workings of the two Rites, being made up principally in the Canadian Rite, the Committee therefore recommends that in cases where the wording is not compatible to both Works it be made so.

3. General: and common to most Ceremonials, the Committee recommends that:

The word "Master" be substituted for the word "Sir" in all cases where it appears in addressing the Grand Master or a Worshipful Master of a Lodge.

All of which is fraternally submitted:

W. H. JACKSON,
Chairman.

MOVED by M.W. Bro. W. H. Jackson (8), Seconded by M.W. Bro. F. P. Galbraith (29), That the Report of the Committee on Ceremonials be received and adopted. Carried.

Grand Master: We have with us this afternoon M.W. Bro. Tomhave, Past Grand Master of Minnesota.

M.W. Bro. Tomhave: M.W. Grand Master, Distinguished East, Brothers all. This is my first visit to your Grand Lodge and I want to say, yesterday afternoon I was met at the Airport by two of your Past Grand Masters Brother Bond and Brother Bradley. That evening I heard all about Hereford Bulls. This morning Brother Bond introduced His Honour the Mayor, I thought it was spreading it on pretty thick! I want to bring you greetings from the Grand Lodge of Minnesota. We hope these inter-Grand Lodge visits will be continued and I wish that I can come back here again. I have enjoyed myself and marvel at the attendance at these session. We have a considerably larger Grand Lodge than you but we don't have an attendance in comparison to yours. You should be congratulated. It shows your interest in Masonry. It is great thing not only for your country but our country. Brethren it is a pleasure to be here. I thank you. (Applause)

Grand Master: Brethren it is just five minutes to four o'clock. The Ballot will be closed at 4 o'clock. The Committee on the Scrutinizers will be:

M.W. Bro. W. Ireland (9), Chairman,
M.W. Bro. R. J. Bradley (51),
R.W. Bro. L. D. Nicoll (41),
R.W. Bro. L. J. Rosling (9),
R.W. Bro. R. F. Lawrence (87),
R.W. Bro. O. C. Smith (83),
R.W. Bro. A. T. Potter (101),
R.W. Bro. L. J. Little (7),
R.W. Bro. T. B. Donald (165),
V.W. Bro. M. J. Brodie (63),
V.W. Bro. A. B. King (11),
W. Bro. C. F. Steele (83).

The Grand Lodge called off at 4 o'clock p.m.

EVENING ENTERTAINMENT

A Banquet was held in the Palliser Room of the Palliser Hotel at Calgary at 6:45 p.m., Wednesday, the 8th day of June, with some 350 members in attendance. Grace was said by the Grand Chaplain, Rev. Canon W. H. Morgan (165). The Chairman was the Junior Grand Warden, R.W. Bro. S. G. Bannan (86). Following the singing of 'O Canada' a delicious meal was served. The Loyal Toast to The Queen and the Craft was honoured.

The Chairman welcomed the Brethren present and introduced members at the head table, coupling his remarks with a few Irish witticisms for which he is well known.

The Grand Organist, Bro. H. Rimmer (1) presided at the piano and Bro. W. E. Davis was enthusiastically received as soloist for the evening.

The M.W. The Grand Master, M.W. Bro. Rev. Peter Dawson, also welcomed the Brethren and mentioned some of the trips made during the year.

The Chairman then introduced the Guest Speaker, Bro. Dr. Frank S. Morley (9), Ph.D.(Edinburgh), B.A., D.D., of Grace Presbyterian Church, Calgary.

Bro. The Rev. Dr. F. S. Morley

THE GOLDEN SPURS OF MASONRY

A young theological student had delivered his trial sermon before the college principal. The great man sat in gloomy silence. The young student addressed him fearfully. "Will it do, sir?" "Will it do what?" roared the principal.

Quite right! A sermon or speech should be trying to do something. Far more important than its subject is its object. It is said that the task of the Church is "to make the indifferent different". So I want to make the object of this speech clear at the beginning: it is "to make the indifferent different".

My theme comes from "The Vision of Sir Launfal" by James Russell Lowell:

"My golden spurs now bring to me,
And bring to me my richest mail,
For tomorrow I go over land and sea,
In search of the Holy Grail".

1. Our Traditions — That is the first Golden Spur — the spur of memory. With wonder and awe we trace the amazing story of men who rose above race and language, carrying the torch of a faith in one God, living by the rule of the free brotherhood of mankind, and declaring in the very stone the sovereign authority of a universal moral law. Civilisations rose and fell, Nations flourished and then passed out of existence as if they had never been. But the Masonic creed did not die. It was carved by the Creator in the very hearts of great men of every race.

In the oldest classic of China, The Book of History, written twenty centuries before Christ, we read, "Ye officers of the Government, apply the compasses". So Mencius in his sixth book of philosophy related, "A Master Mason, in teaching apprentices, makes use of the compasses and the square. Ye who are engaged in the pursuit of wisdom must also make use of the compass and the square.

From the very beginning, man saw in architecture the symbols of world truth and order. Far back in the primeval dawn of history is the story of two pillars — Strength and Wisdom — that formed the entrance to eternity. The Mayans and Incans believed that three

pillars supported the heavens — Strength and Wisdom, and they added Beauty. Did not men everywhere in the ancient world worship pillars as symbolic of the gods? Do we not find Hannah in her prayer for Samuel, her son, relate that "the pillars of the earth are the Lord's and He hath set the world among them"? So that boy later would erect pillars at Mizpeh and Shen as Jacob had done before him at Bethel and Joshua at Gilgal.

One of the most fascinating of the rulers of antiquity was Ikhnaton, the wonderful Egyptian monarch, who founded a new city exactly square and built pyramids of astounding mystery — squares supporting triangles, enclosing in their foundation the symbols of building — the arc of a circle, the trestle-board, the rough cube, the polished cube, the serpent-symbols of wisdom, a stone bearing the Master's Mark, and a hieroglyphic word meaning Temple. But all this is surrounded by the amazing faith of Osiris and Isis, who conquered death, so that the pyramid is a tale of that victory.

Or would you like to hear the legendary accounts of Masonry bound up in the racial lore of the Phoenicians, in the Parthenon of Greece, in the Mystery Religions of Asia Minor, of Persia, and Greece? Is not the Quest of the Holy Grail itself part of that Masonic story — the search for the lost Cup of Christ or the Lost Word?

A fascinating document of 1436 is entitled, "Certain questions with answers to the same concerning the mystery of masonry written by King Henry the Sixth and faithfully copied by me, John Laylande, antiquarian, by command of his highness", reads — "What mote it be? — It is the knowledge of nature, of reckoning, of weights and measures, of constructing buildings and dwellings.....Where did it begin? — It began with the first men of the East.....Who brought it to the West? — The Phoenicians who, being great merchants, came first from the East.....How came it to England? — Pythagoras, a Grecian, travelled to acquire knowledge in Egypt and Syria, and in every other land where the Phoenicians had planted Masonry.....He formed a great lodge at Crotona, and made many Masons, some of whom travelled into France,...from whence, in process of time, the art passed into England".

But Laylande was wrong. Masonry had long since been in England. The old missionary Augustine in 604 had sent back to Italy for some of the Comacine Masters. The Masonic architects had been responsible for the vast building program of roads, bridges, temples, and stately edifices that composed Roman Cities. The friendly reception given Christianity in Rome was partly due to the fact that Christ was a carpenter. Tolerated for centuries, Diocletian bitterly persecuted the Masons and the survivors formed a community in Comacina, in Lake Como.

Leader Scott in *The Cathedral Builders* tells of the magnificent work of building that these Comacine architects did throughout Europe of the Middle Ages. All through the continent they travelled, carrying their peculiar designs, their wonderful artistry, "builders of a privileged class, absolved from taxes and servitude, and free to travel about in times of feudal bondage".

Surely every student knows of the magnificent work of building the Comacine architects did throughout Europe of the Middle Ages. All through Europe they travelled, given special privileges, acknowledged as members of a privileged class, free from taxes and feudal servitude, allowed to travel from country to country, establishing that glorious Gothic architecture. They wore white aprons and gloves, had oaths, tokens, grips, and passwords, recognised as symbols King Solomon's Knot and the Lion's Paw, and were ruled by Masters and Wardens.

It was recorded of Athelstan, grandson of Alfred the Great, in England, that "he brought the land to rest and peace and built many great buildings of castles and abbeys for he loved Masons well".

I could go on for a long, long time with this, the golden spur of history. But I must not. President Wilson once said to a young man who applied for a job and kept boasting of his ancestry, "Young fellow, you remind me of a potato. The best part of you is underground". We have other golden spurs. The best part of us is not underground.

2. The Golden Spur of Liberty. When we study the history of democratic freedom certain names leap up at us. They are Masonic names. These men were members of the Masonry. Listen — Milton and Locke of England, Garibaldi and Mazzini of Italy, George Washington of America, Bobbie Burns of Scotland. Do I need to describe them? In a day when a tyrant like Mussolini could say, "We spit on freedom", when the Communists could fill labor camps and override hundreds of millions of innocent people with tyranny, do we not need to listen to these voices again? Men like this made us free and can only keep us free. Glorious individuals, who feared despotism in government.

3. The Golden Spur of Law. Mankind knows no more stirring drama than the legend of the heroic Hiram, dying in protest against licence and in defence of law. For liberty without law becomes licence. What are the Square and Compass if not symbols of the laws of the universe, the principles by which buildings are constructed and the planets move? What is the Great Light of the Bible but the revelation of the Law of God saying, "Obey or perish"? There is no liberty without law: no music can be written, no game can be played, no country can be prosperous and peaceful, no great character can be formed.

4. The Golden Spur of Personal Integrity. Masonry has been very careful to admit only men of highest personal probity. We must continue to be careful. In 1910 the Pierce Arrow was an aristocrat among automobiles and the name itself was worth millions. But some years afterward the name became worth comparatively little, as the project lost its former appeal. So, too, Masonry could lose its great name if it became slack concerning character qualifications.

Let us keep Masonry only for those men of personal integrity. Men whose word is their bond. Men who have dignity of the inward

spirit. In a day when the emphasis is on social security, when everybody is seeking a handout, when the trend is toward the herd state, let us set ourselves grimly against the prevailing opinion. We are developing a race of leaners. We want to lean on the government, forgetting that governments must lean on the people.

A man tells about his boys playing baseball. They gave the youngest lad a "subsidy" by way of an extra strike because he was smallest. But when he grew and became as good as the rest he still wanted to keep his subsidy. Is this not a parable of our age? We all want subsidies. The trouble in our country is that too many adults and not enough children believe in Santa Claus. If you want to see what Government subsidies will make of people who are forced to depend on them, look at the pitiful plight of the Indians.

We want the Golden Spur of Personal Integrity which will put persons above property, character above cash, decency before dollars. Who will not drift with the social tide. Everywhere I hear men talking about their "rights", oblivious to the rights of others. We want, not so much A Bill of Rights, as a Bill of Responsibilities. Like the preacher whom Coolidge went to hear — "What did he preach on?" "Sin". "What did he say?" "He was against it" — I too am against sin. But what I dread most is not the sins of society, but the insensibility of society, its callous acceptance of wrong, its indifference to the truths and principles that made democratic greatness.

Toynbee, easily one of the six greatest minds of our day, says that of the twenty-one civilisations, all of them without exception have been destroyed from within, not without. No external circumstance of climate or conqueror could beat them. Sophocles and Shakespeare both saw this truth, that both nations and men are destroyed from within. So Meredith wrote,

"In tragic life, God wot,
No villian need be, passion spins the plot;
We are betrayed by what is false within".

Canada and the United States do not need to fear the Russians. We can beat Communism any day. We need to fear the corroding, luxury-loving, dependent, supine spirit that makes us soft and false.... "What is false within".

5. The Golden Spur of Challenge. We live in a time of change which we must accept. "Your hair looks like a mop", reproached the father. "What's a mop, daddy?" asked his daughter. Life changes and we must change too.

The road crew was about to blast some obstinate rock from the roadbed. A yell of alarm went up! A boy sat down on the stone just where the dynamite was going to blow. The mother angrily came running, "Johnny, you just sit there! Don't you move! If they hurt you they'll pay for it!"

Many people have that attitude. They refuse to move, and they'll get their stupid heads blown off if they don't. Remember that the medical fraternity called William Harvey crackbrained because he

taught the circulation of the blood. They said in 1842 that the bath-tub should be condemned as a "corrupting luxury". Daguerre was condemned to an asylum for contending that human likenesses could be reproduced on tintype. Metal ploughshares were condemned because they would pollute the soil.

Yet if we went back to the age before Benjamin Franklin flew his kite, productivity would go down 90%. The labor required to produce a bushel of wheat has gone down since 1830 from sixty hours to two hours. At the time when Marx wrote his Communist faith, he watched women in England, harnessed like animals, pulling coal cars out of the mines and trudging along the towpaths pulling canal boats. Children from the age of nine worked fifteen hours in the mines. Read Dickens and know how these pitiful infants were brutally maimed, beaten, starved, and allowed to die like flies from tuberculosis and other ailments in their overworked, overcrowded conditions.

We live in another age. Yet how far we are from happiness! The Hayden Planetarium in New York in a joking spirit of pure fun advertised trips to the moon, also saying that the journey would be 240,000 miles, uncomfortable, hard on the blood pressure, chilly, and without anything interesting since the moon was arid and no conversation would be possible, they actually got 18,000 applicants in a few days! One woman wrote, "It would be heaven to get away from this busy earth. I honestly wish God would let me get away... and just go somewhere where it's nice and peaceful, safe and secure". So folk are scared of the challenge of our age. They lack faith.

6. We need, therefore, the Golden Spur of Faith. A cultured, clever, Italian woman I met on the train from Venice to Paris almost wept as she maintained, "Europe has no future because Europe has no faith. Europe cannot recover. She is doomed. People without a faith cannot survive. Cannot achieve". A great psychiatrist says that Europe suffers from a lack of God. That it is like a disease. It is the root of psychological disease, he says. People drift, people go mad, people destroy, people live in fear, who have no God — so he says. H. G. Wells said that there was "a God-shaped blank at the heart of the world".

Now Masonry is built on faith — faith in God. The Great Architect of the Universe is the Mind, the Heart, the Source of all things. Morality without faith in God? Don't be silly! No such thing can survive. The good life without God? Impossible! Unknown!

7. Finally — The Golden Spur of Fraternity. The Golden Spur of Fellowship and Goodwill. What a joy it was when I was in Ireland to have the Masonic brotherhood make me welcome! What good times we had! The best times I had anywhere. I was a stranger, but they made me welcome. Around the festive board at the close of meetings all loneliness dissolves. I was among brethren. So it is everywhere.

Loneliness is one of the most tragic facts of our day. People are lonely. "I Walk Alone", a popular song hit goes. The person

who walks alone is a monster. The triangle of life takes in God at the top, with man and his brother at the other points. "Love or perish" says the psychologist, Joshua Liebman. Hatred ruins. Hatred is like pulling down your house to kill a rat.

"Beloved, let us love one another, for love is of God. And every-one that loveth is born of God and knoweth God". (Prolonged applause).

R.W. Bro. R. S. Sheppard thanked Dr. Morley for his eloquent address and the timely advice it contained. The applause of the Brethren indicated their appreciation.

The evening meeting closed with the singing of 'God Save the Queen'. The Masters and Wardens Association of Calgary Lodges were hosts to all Brethren during the evening.

SECOND DAY (Morning Session)

Labour resumed at 9:00 a.m. June 9th.

Grand Master: Again welcomed the Brethren and before commencing the business of the morning called on R.W. Bro. Merle Kidder, Deputy Grand Master of the Grand Lodge of North Dakota.

R.W. Bro. Kidder: Distinguished Guests, and Brother Masons, I have noticed that through lifetime, one person's loss is another's gain even to the time of your death the undertaker makes some money. My grave loss was a lost voice but I am getting a little of it back and your great gain is that you won't have to listen to that hour and a half talk I was going to give. I know that you would be disappointed if I didn't say that I was very happy to be here. Although my name is Kidder, I am not kidding when I say that I am surely happy to be here and bring greetings from the Grand Lodge of North Dakota. I had two distinct reasons why I wanted to come to Calgary. As a boy I had a brother whom I worshiped as a hero, rather a rough and ready chap, he used to write glowing stories of Alberta and the Calgary area. He told of the friendliness of the people and the spirit that existed in this fine community many years ago. He used to ride in the Stampede and I even looked to see if I could see pictures of him but I guess they were not of the dates when he was here. He is now dead and I welcomed the chance to see the area that he told of and I am sure he didn't tell all the story. I really appreciate the friendship that I found in this community and area. I will go back with a warm spot in my heart for Alberta and Calgary. The second reason why I was anxious to come here is the last ten years I have been official Representative in the Grand Lodge of North Dakota for the Grand Lodge of Alberta near the Grand Lodge of North Dakota. I wanted to see what type of people I was representing. After this I shall humbly represent you because I know that I am not worthy to represent such a group as I have found here in Calgary. I have enjoyed every minute of my stay here from

the time I got off the plane to the present moment. I might say that we should, or somebody should give a medal for meritorious Masonic service beyond the duties of a Mason, to Brother Bond who has been my custodian while here and several others who have contributed to my entertainment. Bro. Bond has just gone all out to not only show me Calgary but the surrounding country in my spare time and I only just got my Tux on in time last night for the Banquet. But I thoroughly enjoyed my trip out to the country. I know North Dakota will have a warm spot in their hearts for Alberta and on behalf of North Dakota I bring greetings and hope that you will find opportunity to come down and enjoy our hospitality and I know that it cannot equal yours but we will do our best and we hope to see all of you. I thank you. (Applause)

Grand Master: I will now call on R.W. Bro. J. Russell Oliver from British Columbia, to bring us a word of greeting.

R.W. Bro. J. Russell Oliver: M.W. Grand Master, Distinguished Guests and Brethren, I come today in a dual capacity and I come with very mixed feelings. First, M.W. Grand Master I have to express to you and your Grand Lodge, the deep regret of the M.W. Grand Master of British Columbia that he could not be with you at this session. At his request I came through to try and represent British Columbia in my small way. Secondly I come M.W. Sir, to bring my personal greetings to you as Grand Master of the Grand Lodge of Alberta, with which I Affiliated forty-two years ago and am still a member. Very recently I was asked to relinquish representation of the Grand Lodge of Vermont and to accept, owing to the death of my good friend R.W. Bro. D. D. Munro, the Commission to which you most kindly agreed that I represent Alberta in British Columbia. So I come with very mixed feelings in this dual capacity. I was very interested, particularly in the summarization of the year's work by the District Deputy Grand Masters. These Reports appeal to me because I happen to have been Chairman of the Board of Correspondence of British Columbia for twelve years. I don't know whether my friends in the same capacity are agreed with some of the comments that are made, but they should know that these things are all done in good will. We have all different ways of doing things. We have the same object in view. I was interested M.W. Sir in the Historical records. You know I used to be a Secretary here thirty-nine years ago. When I went to Vancouver I was one of the Brethren who started a Lodge in Vancouver and they persuaded me to be the Secretary of that Lodge for two years, but these two extended to eighteen. During that period I learned the value of Historical Registers and the system in British Columbia being so different from the one in Alberta, where each Secretary is a law unto himself in regard to his own records. Here I presume you still have the same way, you buy everything from the Grand Secretary. As my good friend the late M.W. Bro. Kemmis, was Grand Secretary at the time, I bought an Historical Register from him and installed it in that Lodge in British Columbia. When I went up there a few years ago it was right up to date when I saw it about

two weeks ago I was able to see my successor keeps up the good work, it is a marvellous thing. I have prepared two reports on two different Lodges in Vancouver, one for twenty-one years and another for twenty-five years and if one had to go through all the Minute Books and Grand Lodge Returns and old records to try and compile the history of the Lodge believe me Brethren it is a terrible job. I would like to support your Deputy Grand Master for making a very strong representation to your Grand Master that every Lodge should try and appoint a Registrar capable of keeping up that good work. Now is the time to do it. You have finished fifty years and by the time another fifty comes very few of us will be around at all, although I think I will likely be here for seventy-five. And now M.W. Sir, I must not keep you. I just want to thank you and the Brethren deputed to look after me, I really felt that I came home, I am so much in the home atmosphere that I am going down tomorrow to pay a visit to North Star No. 4. I have not seen them since 1918. I think I know there are lots of my good friends still there. There is going to be a fitting culmination for the honour I had conferred on me to represent British Columbia at this meeting. (Applause)

Grand Master: R.W. Bro. Oliver we appreciate these greetings and we wish you would extend our greetings to your Grand Master.

REPORT OF THE BOARD OF GENERAL PURPOSES

A meeting of the Board of General Purposes was held immediately following the close of Grand Lodge in Edmonton on June 10th, 1954, with R.W. Bro. S. C. Heckbert, D.G.M. in the chair. The Chairmen of the various Committees were elected and the composition of the various Committees was left to the Grand Master and the Grand Secretary to arrange, in accordance with the Provisions of the Constitution. The meeting adjourned to meet in Calgary on June 7th, 1955.

The Board met in the Masonic Temple, Calgary, at 2 p.m. on June 7th, 1955, the President, R.W. Bro. S. C. Heckbert presided and welcomed the 37 members present as well as visiting Brethren, M.W. Bro. Nelson C. Hart, P.G.M. (Ontario), M.W. Bro. R. E. Emmett, G.M., Manitoba, M.W. Bro. T. C. Jackson, G.S., Manitoba and Bro. R. E. Esplen of Ladner, B.C., formerly W.M. of Nanton Lodge No. 17 in 1906.

The minutes of the previous meetings having been approved as read the case of W. Bro. Stewart Hutchings of Crossfield Lodge No. 48, Crossfield was brought before the Board. The Grand Secretary reported that W. Bro. Hutchings had been found Guilty of Unmasonic Conduct by a Commission of Grand Lodge which sat on June 2nd, 1954 and that the sentence had been one of indefinite suspension with a recommendation for expulsion. Particulars of the case were given in which it was shown that W. Bro. Hutchings had been found Guilty by the Supreme Court of Alberta of Theft and Receiving Stolen Property. W. Bro. Hutchings had been notified to appear before the Board but did not appear or have Counsel. Motion that the Board recommend to Grand Lodge that W. Bro. Hutchings be expelled was passed unanimously.

The reports of the various Committees were received and the Chairmen directed to present them to Grand Lodge. The following Committee reports were read:—Grand Treasurer, Jurisprudence, Grand Librarian, Condition of Masonry, Fraternal Relations and Correspondence, Finance, Charters and New Lodges, Research and Education, and Bulletin Committee on Revision of the Constitution and Committee on Revision of Ceremonials. All reports will be given in full to Grand Lodge.

Fraternally submitted,

S. CARL HECKBERT, D.G.M., President.

It was moved by R.W. Bro. S. C. Heckbert (24) seconded by R.W. Bro. R. S. Sheppard (11) that the report of the Board of General Purposes be received and the recommendation therein covering expulsion of W. Bro. Stewart Hutchings of Crossfield Lodge No. 48 be confirmed.

The Grand Master drew special attention to the resolution and asked if there was any discussion. There being none the Motion was put and carried.

REPORT OF COMMITTEE ON JURISPRUDENCE

To the M.W. the Grand Master, Officers and Members,
Grand Lodge of Alberta, A.F. & A.M.

M.W. Grand Master and Brethren:

Your Committee on Jurisprudence beg to submit the following report.

The only matter submitted to the Committee is a dispute between Melrose No. 62 at Bawlf and Excelsior No. 80 at Strome as to jurisdiction.

Coal Lodge No. 62 at Bawlf amalgamated with Melrose Lodge No. 139 on April 12th, 1941 as Melrose No. 62, which latter Lodge claimed jurisdiction over the territory of the combined Lodges.

The jurisdiction of a lodge is clearly defined in the Constitution Section 190, therefore a Lodge amalgamating with another loses its Charter and Number and any arrangement between the amalgamated Lodges with reference to jurisdiction would not be in accordance with the Constitution.

The dividing line between Melrose Lodge No. 62 and Excelsior Lodge No. 80 would be halfway between the two as defined in the Constitution.

Fraternally submitted,

W. H. JACKSON, Chairman.

MOVED by M.W. Bro. W. H. Jackson (8) seconded by M.W. Bro. S. Harris (88) that the report of the Committee on Jurisprudence be received and adopted. Carried.

REPORT OF THE GRAND LIBRARIAN

To the M.W. the Grand Master, Officers and Brethren
of the Grand Lodge of Alberta, A.F. & A. M.

M.W. Sir and Brethren:

I beg to submit herewith my report as Grand Librarian.

The following volumes have been presented to the Library, through the kindness of V.W. Bro. M. J. Brodie (63), from the collection of the late W. Bro. W. H. Noble (63).

Speculative Freemasonry	A. S. McBride
Symbolism of the Three Degrees	O. D. Street
Symbolic Freemasonry	H. L. Haywood
Mackey's Masonic Jurisprudence (Revised)	R. L. Clegg
The Master Builders	Lorne Pierce
The Builders	J. Fort Newton
Jewels of Masonic Eloquence	C. O. Fritz and C. N. Harmon

A Catalogue of all the books in the Library, indexed under Subjects and Authors, compiled by R.W. Bro. Canon W. H. Morgan, has been supplied to every Lodge and Grand Lodge Officer and now that this has been accomplished it is hoped that the Brethren will be

able to make much more use of the Library. In the Catalogue I have requested those Brethren who cannot call at the Library to apply through the Secretary of their Lodge and have requested that all books be returned in Thirty days or that an extension be requested. We should be able to keep track of the books in this manner.

It is hoped that Brethren who know of good books that should be in the Library will send word to the Grand Lodge Office. It is hoped that the Library will be built up gradually both by the purchase of good volumes and by presentation of others by interested Brethren.

We have, as in past years, received the Proceedings of nearly all Grand Lodges with whom we are in Fraternal accord, a list will be found at the beginning of 'reviews'. Many Grand Lodge Bulletins are also gratefully acknowledged.

Faternally submitted,

E. H. RIVERS, Grand Librarian.

MOVED by R.W. Bro. E. H. Rivers (51) seconded by R.W. Bro. Canon W. H. Morgan (165) that the report of the Grand Librarian be received and referred to the Committee of Research and Education. Carried.

REPORT OF THE COMMITTEE ON RESEARCH AND EDUCATION AND THE EDITOR OF THE BULLETIN

To the M.W. The Grand Master, Officers and Members,
of the Grand Lodge of Alberta, A.F. & A.M.

Most Worshipful Grand Master and Brethren:

I am most happy to report that we have this year attained one objective that all Lodges subscribe for our Grand Lodge Bulletin, but we are still some distance from the objective of a Bulletin for every member. Fifty-two Lodges increased the number of their subscriptions and there were small reductions in the case of six Lodges. Our thanks and appreciation is extended to the Lodge Secretaries for their assistance in distributing the Bulletins every month. In June 1955 there were 15,800 copies distributed, an increase of 1,200 copies.

My sincere thanks again extended to all Brethren who have so kindly contributed articles to the Bulletin during the year. Without their assistance it would be rather difficult to carry on.

Research and Education

More use is being made of our Grand Lodge Library and new books are being regularly added. The Grand Secretary will be glad to loan books on request.

Faternally submitted,

SAM HARRIS, Editor of the Bulletin,
and Director of Research and
Education.

MOVED by M.W. Bro. Sam Harris (88) seconded by M.W. Bro. H. E. Howard (28) that the report of the Committee on Research and Education be received and adopted. Carried.

THE REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

To the M.W. the Grand Master, Officers, and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren:

We are happy to report no matters have been referred to your Committee for consideration during the past year.

Fraternally submitted,
C. M. MACLEOD, Chairman.

The above report was presented by the Grand Secretary. MOVED by R.W. Bro. E. H. Rivers (51) seconded by R.W. Bro. J. Booth (51) that the report of the Committee on Grievances and Appeals be received and adopted. Carried.

**REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY
1954 - 1955**

To The Most Worshipful, The Grand Master, Officers and Members,
The Grand Lodge of Alberta, A.F. & A.M.

Your Committee named to report on the Condition of Masonry begs to submit herewith an outline of conditions as they appear from information gleaned from the reports of the District Deputy Grand Masters of the Nineteen Districts and the special territory of Yellowknife, information on the latter having been provided by the Special Representative of the Grand Master for that territory.

With the membership presently standing at the grand total of 17,334 it would seem that the increase in membership, so prevalent in recent years, while somewhat diminished, is being fairly well maintained despite the normal removal by transference to other jurisdictions, or through the toll of death which is gradually becoming more noticeable as our Province grows older. The loss of many who did so much towards pioneering Freemasonry in the Province of Alberta is a matter for the deepest regret.

The reports of the District Deputy Grand Masters have much in common and a study of their remarks, in comparison with those of several previous years gives rise to the belief that very considerable advancement has been made in the field of Masonic education. It is felt by your Committee that this is due in no small measure to the widening distribution and the more general use of the Grand Lodge Bulletin, so ably edited by Most Woshipful Brother Sam Harris of High Prairie and to whom the thanks of the Grand Lodge are due. It is found that the Bulletin is, in many cases, distributed to 100% of the membership of the Lodge, while in other Lodges it is only partially effective. Your Committee strongly recommends that ways and means be found to have the Bulletin placed in the hands of every Mason in the Jurisdiction during the coming year.

A number of the District Deputy Grand Masters intimate that papers prepared for study by the Officers of the Western Canadian

Grand Lodges at the annual Banff Conference are being utilized for study purposes in individual Lodges although in many Lodges the papers are not made available but are apparently retained by the Secretaries or others and it is our belief that much more general use should and could be made of the valuable information contained in the papers so that they could form a worth while adjunct to Masonic education which is so desirable for our members. We hear much of the worth of giving 'side benchers' something of interest to do in the Lodge and we feel that a study of the papers would benefit not only the Brethren asked to prepare them for individual Lodge presentation, but the membership as a whole.

Material available through the medium of the Banff Conference, the Bi-ennial All Canada Conference and the Washington Conferences of Grand Masters and Grand Secretaries could doubtless be utilized to great advantage on behalf of the membership and similarly it is urged that much wider use be made of the wealth of study material contained in the Annual Proceedings, published at considerable cost and tremendous effort each year. Addresses contained in the Proceedings, especially those of the Most Worshipful the Grand Master, the Grand Secretary and visiting Masonic leaders are not as generally read and studied as they might be and it is our belief that Lodge meetings would be enhanced in value and in interest by the more widespread use of this valuable material.

DISTRICT MEETINGS

It has become general practice in recent years for the Grand Master and the Grand Secretary to attend all District Meetings thus giving the membership at large an excellent opportunity of meeting their leaders personally and securing first hand information on matters of vital interest and importance. The reports of the District Deputy Grand Masters make it clear that the organization of the District Meeting, with usually an afternoon session given over to informal discussion and an evening meeting for the more formal type of instruction, is serving a most useful purpose. Members who might hesitate to introduce a matter for discussion at a formal meeting appear much more eager to present queries for reply at the 'open forum' type of gathering and it is our feeling that more and more of the members should be encouraged to attend the District Meeting.

The present plan of the Secretaries meeting informally with the Grand Secretary appears to be having worth while results and is highly commendable.

Demonstrations of Masonic procedure, such as the Introduction of a Visitor, the Board of Enquiry, etc., etc., have unusual value and if given at the District Meeting serve to reach a fair percentage of the Membership of the District. It is recommended that this type of instruction be continued and enlarged. The preparation and presentation of papers on subjects of Masonic interest are also serving a most useful purpose and it is felt that following the presentation of such papers ample time should be permitted for discussion so that major points of interest may be emphasized.

The District Deputy Grand Masters, in their reports, indicate that the attendance at District Meetings is quite representative and that in practically all cases each Lodge in the Jurisdiction has been represented at the appropriate District Meeting; the few Lodges which were not represented during the current year should be impressed with the necessity of repairing the deficiency.

Suspension For Non-Payment of Dues

Your Committee views with some concern the fact that there were about one hundred suspensions for non-payment of dues during the present Masonic year; while adverse conditions in agriculture may be held to some extent responsible for this condition there is some indication that lack of interest in the work of the Lodges as at present organized may have some bearing. It may be significant that in three of the nineteen districts some forty-eight suspensions were found necessary, while the remaining sixteen districts suffered the loss of the remaining fifty-two members through this cause, an average of less than four suspensions per district. It is recommended that special inquiry be made into the conditions which caused such a heavy ratio of suspensions in the three districts referred to in an endeavor to ascertain the cause and, if at all possible, to affect a remedy.

Books and Records

In the case of the methods and the care used in maintaining Lodge books and records generally there seems to be quite general acceptance, by the District Deputy Grand Masters, of the belief that the records are well kept and that in the main, financial records indicate a healthy condition among the Constituent Lodges.

There is not such general agreement that the Historical Records are well maintained, however; in the case of one District Deputy Grand Master's report it was stated that the Historical Records of the Lodges under his supervision were "masterpieces of efficiency," other reports indicate a wide divergence of opinion as to the value of such records as presently maintained. In this year of celebration of a half century of progress in our Grand Lodge it is a matter for the utmost regret that individual Historical Records in our Lodges should lack any of the value that should characterize the progress that is so evident. Permanent records of the magnificent contribution of our pioneer Masons, both in the Fraternity and the Community should be available to posterity, and it is our belief that more active steps should be taken to secure this desirable result.

Reports for years back establish the fact that the Historical Records have generally been neglected or poorly assembled and it is recommended that greater than usual attention be given to this matter in the coming year. It may well be that sufficient care is not being given to the selection of the personnel made responsible for the compilation, in interesting form, of the history of the Lodge and its ardent supporters. It is felt that a particular "flair" for this type of production is a requisite in the individual selected to perform this vital duty and it may well be that a special appeal to the Worshipful Masters of our Lodges would have the desired effect.

Membership

According to the reports studied the Lodges throughout the Jurisdiction made a net gain in membership of some 340 members, the total number of those being raised to the Sublime Degree or becoming members through affiliation having been reduced through death, dimit or suspension for non-payment of dues. When it is realized that one hundred members were lost to the Craft during the year through the latter cause there is some indication that this to some extent preventable cause is a serious one and demands studied attention and remedy. There can be no quarrel with the policy of issuing notices of suspension at the stipulated time and under the stipulated circumstances, but it is recommended that in every case possible a personal advance be made to the member before he is suspended and that where deemed advisable in the best interests of the member and the Lodge careful and sympathetic consideration be given to financial assistance to the member who desires to retain his connection but is suffering unusual financial burden.

A situation which, perhaps, requires some attention is that created by the influx into our Province of large numbers of men engaged either in our rapidly expanding industrial system or the armed forces of our country. Reference is made particularly to such areas as that at Fort Saskatchewan, the Edson area and the Royal Canadian Air Force base at Cold Lake and army establishments elsewhere large numbers of men many of them enjoying Masonic affiliation, will doubtless be drawn into these areas in the immediate future and it is felt that the hand of fellowship extended at the proper time might do much to enlarge our membership and broaden the quality of our service to the strangers within our midst.

Attendance

Reports of the Officers charged with direct contact with the Constituent Lodges indicate that there is a general uptrend in attendance; it has been interesting to note estimates of fifty, sixty or seventy per cent attendance and while the rural Lodge may be said to lead in percentage figures there are instances where the District Deputy Grand Masters have expressed pleasure in reporting some betterment in the city Lodges. The more recently consecrated Lodges appear to be particularly fortunate in their percentages of attendance and it may well be that the smaller Lodge is in a position to offer more general participation in Lodge activity, thus creating a greater desire to attend. Such being the case it might be worthy of more than usual attention to the possibilities of further extension of the fabrication of our Lodge system, especially where the large Lodge indicates a lower than average attendance record. The extension of Masonic education, the generous use of gifted speakers and the inclusion of greater and greater number of members in presenting the work are doubtless having an effect.

The Work

District Deputy Grand Masters generally, report that the Work, in both rites used in Alberta is being well done by the Officers of the Lodges; their belief is substantiated by other Grand Lodge Officers

who have had an opportunity to see the work presented and thus to formulate an opinion. It would appear that the constant vigilance of the Grand Master, the Grand Secretary and other Grand Lodge Officers and the more general use of the informal sessions of the District Meetings to impart knowledge are having an effect of value. It is suggested that at future District Meetings queries for reply might be previously submitted in writing, so that the Officer charged with the responsibility of replying to the question might be in a somewhat better position to make a considered reply and thus give a fully informative response to the inquirer and others present.

Benevolence

It should be realized by every member of the Order that a Grand Lodge Benevolent Committee meets regularly during the year for the express purpose of granting financial and other assistance to members of the Fraternity and/or their dependents. The utmost care is used in making monetary advances, but on no occasion where it is shown that distress exists is the deaf ear turned to the appeal. The co-operation and assistance of the individual Lodge is an absolute necessity in this onerous task and proceedings of the Committee would seem to indicate that this co-operation is freely and unselfishly given at all times. There is a great responsibility resting on the Constituent Lodge to make sure that cases of dire need are brought to the attention of Grand Lodge and that they are prepared to accept their responsibility where necessary.

Consecration of New Lodges

During the Masonic year now closing two Lodges which had been operating Under Dispensation were Consecrated and Consecrated by the Most Worshipful the Grand Master, assisted by his Officers; the Lodges, situated at Milo and Barrhead, having demonstrated their ability to carry on in the accepted tradition were granted full rights of operation. In each case the Ceremony was impressively conducted and the Lodges launched upon their important work. The members of your Committee, and indeed, members generally will extend their sincere congratulations and best wishes for an effective contribution to the welfare of their respective communities.

Corner Stone Laid

On May 18th, last, the Most Worshipful, the Grand Master, accompanied by the Deputy Grand Master and other Grand Lodge Officers attended at Red Deer to lay the cornerstone for a new Masonic Temple in that thriving centre. The Ceremony was an impressive one and was attended by a large number of Masons, indicating unusual interest in the construction of a much needed Masonic edifice. Minutes of the Communication will be found in the Proceedings. The good wishes of all go to the membership of the Red Deer Lodges in their great step forward.

Conclusion

While all the material contained in the reports of the District Deputy Grand Masters was found of interest, it will be evident that a report of this nature can be made to contain only the points of

general interest. Without doubt the reports indicate that Masonry is in a firm and strong position in our great Province; While there are weaknesses in our structure, they present opportunity for the future and it behooves each of us, as a Member of the Great Order to bend our shoulder to the wheel in an endeavor to overcome weakness and to ever further establish our position.

Among the unusually interesting items which go to make up the history of the year just concluded are the occasions honouring our older members, of which two merit special mention. The Meeting at Medicine Hat on February 8th, 1955, when three members were presented with Fifty Year Jewels; W. Bro. Sprague was presented with a Seventy Year Bar to his Jewel and R.W. Bro. W. H. Williams was honoured after thirty-one years as Secretary.

The Meeting of Perfection Lodge No. 9 on March 29th in tribute to the magnificent contribution of Most Worshipful Brother W. M. Connacher, the oldest living Past Grand Master in Alberta and for sixty years a valued member of the Order. R.W. Bro. S. C. Heckbert, Deputy Grand Master represented the Grand Master on this delightful and unusual occasion and made a presentation on behalf of Perfection Lodge, M.W. Bro. Connacher suitably replying.

During the year a number of Lodges obtained special dispensations for the purpose of attending Divine Service. Such services are doubtless of value to the members and make a certain impression upon the public mind.

Mention has been made of several instances where adjacent Lodges have gathered at a central point for the purpose of engaging in curling competitions; there can be no doubt but that the spirit of fraternity may thus be engendered; such gatherings have value, always provided that the dignity of the Order is maintained.

The thanks of this Grand Lodge must go to R.W. Bro. Chas E. Garnett, P.D.D.G.M., for this thoughtful and interested co-operation with Lodge No. 162 at Yellowknife in his capacity as Representative of the Grand Master, N.W.T.

It is our belief that the District Deputy Grand Masters have carried out their duties in accordance with the spirit of Masonry and that in their work they have made a valuable contribution to the welfare of the Order. We wish to recognize their faithful service by recommending to the Most Worshipful the Grand Master that the rank of Past District Deputy Grand Master be conferred upon the following Brethren:

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

To the M.W. the Grand Master, Officers and Members of the
Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren:

Your Committee to whom the Address of the Grand Master was referred has reviewed, with keen interest, the Grand Master's Message to this, the Fiftieth Annual Communication of the Grand Lodge of Alberta A.F. & A.M.

In retrospect, what a busy year the Grand Master has experienced but one which we are sure he will long remember as outstanding in his Masonic career. It is the opinion of your Committee that, if possible, the Grand Master's Address should be read by every Freemason in our Jurisdiction for we feel confident it would engender enthusiasm among the membership for the philosophies of our Fraternity.

Your Committee heartily concurs with the Grand Master that we, as Freemasons, should rejoice in the fact that we are citizens of this fair and happy Province, privileged as we are to meet together in brotherly love and unity, and that we should uphold our great principles, staunchly opposing those ideologies which have engulfed so many countries of the world.

Since the formation of our Grand Lodge in 1905, Freemasonry in this Grand Jurisdiction has advanced a long way and it is significant that in this year of 1955, when Alberta is celebrating its Fifty golden years of progress, we, too, as a Grand Lodge, are commemorating our Golden Jubilee.

Your Committee commends the Grand Master's kindly reference to those members of our Craft who, during the year, have passed from this earthly abode to the Grand Lodge Above. May we emulate their good deeds and ever hold their memory verdant in our hearts.

We concur in the Grand Master's congratulatory praises to those Brethren who have received Jewels for Fifty, Sixty and Seventy years of service in Freemasonry.

It is noted with satisfaction the Grand Master was present at every District Meeting in the Province last year. These meetings were largely attended and confirmed a high level of enthusiasm and interest in our Fraternity. We believe the inspiration of our Grand Master's messages did much to elevate and inspire the members of our Fraternity to increased effort to promulgating the principles of Freemasonry.

We commend the Grand Master for his many lodge visitations during his term in office, also for inter-Grand Lodge visitations. It is gratifying he was able to visit so many of the other Grand Jurisdictions during the year, thus helping to cement the fraternal bond of fellowship between the various Grand Lodges.

It is noted that Charters have been granted to Milo Lodge No. 172 and to Lodge No. 171 at Barrhead. May these two new Lodges increase in numbers and influence.

It is a pleasure for the Committee to learn that no Rulings were made by the Grand Master during the past year, which is indicative of the harmonious relationship among all the Brethren.

It is pleasing to note the attendance of the Grand Master at the Annual Inter-Provincial Conference of the Officers of the Four Western Masonic Jurisdictions, which was held in Banff, and to learn of the splendid support given by the Grand Lodge Officers in all four Jurisdictions.

We agree with the Grand Master's remarks regarding the celebration, in October next, to commemorate the Fiftieth Anniversary of the formation of our Grand Lodge. Doubtless this will be a highlight in our Masonic history.

We concur in the Grand Master's laudatory remarks regarding the Grand Lodge Bulletin and congratulate M.W. Bro. Sam Harris for his outstanding contribution to our Masonic life. The Bulletin should be read by every Member of our Fraternity for it contains much of interest and of value.

The Grand Master's reference to the small percentage of attendance at Lodge meetings is worthy of careful thought. Leaders in Masonic circles all over this continent are deeply concerned about this condition which so seriously affects our solidarity as a fraternal organization. The attendance of members at Lodge meetings is of prime importance. It is the barometer of our influence as a force in the moral and spiritual life of our country.

Freemasonry has stood the test of many generations and many centuries; it has seen the rise and fall of empires and dynasties, of many philosophies, and many fads and fallacies; and doubtless will see the rise and fall of many more. Masonry is truth in action. May we have the power of penetration to discern the peculiar dangers and delusions with which our age is replete, and the strength to meet them through the teachings and truths of our beloved philosophies.

On behalf of the Brethren, we extend to our Retiring Grand Master our grateful thanks for his inspiring leadership during the past year. He has been an emissary for good in our Fraternity. May he long be spared by a Kindly Providence to continue his good work in the interests of Freemasonry in this Grand Jurisdiction.

Respectfully and fraternally submitted,

H. B. MACDONALD, Chairman.

O. C. SMITH

REPORT OF THE COMMITTEE ON THE GRAND SECRETARY'S REPORT

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren:

It is not often that a Committee has the pleasure of reading a report so comprehensive as that of your Grand Secretary. Not only does it cover completely the activities of the Grand Lodge office but it demonstrates unmistakably the efficiency and industry with which the Grand Secretary has discharged his arduous duties during the year. Your Committee considers that this jurisdiction is fortunate in having a Grand Secretary with the office experience possessed by R.W. Bro. Rivers and would wish to compliment him on the unusually valuable report he has prepared.

Year after year two points are dealt with in the report of the Grand Secretary, and year after year the Committee on his report mentions them and urges that action be taken to correct them and year after year nothing is done about them. Your Committee this year suggests that the time has come to take some decisive action on both.

Six hundred copies of the Proceedings of Grand Lodge were printed and distributed in accordance with the instructions of Grand Lodge last year but once more cases occurred where Officers of Lodges did not know of the existence of these Proceedings, letters came to the Grand Lodge office asking for information which was printed in the Proceedings and three D.D.G.M.'s wrote, asking for the names and addresses of Secretaries of the Lodges in their Districts which, of course, already appeared in the Proceedings. It is obvious, as the Grand Secretary points out, that the instructions of Grand Lodge to have selected portions of the Proceedings read in open Lodge, are not being carried out, and your Committee would suggest that specific instructions be given to the D.D.G.M.'s to see that this is done.

The second hardy perennial, is the question of Dispensations. It was pointed out by this Committee last year, as it has been in other years, that the granting of a Dispensation is the granting of per-

mission to violate the constitution of Grand Lodge and that the fact that so many of them are granted indicates the need for some revision of the Constitution or the curtailment of the issuance of these Dispensations. As in other years, the large majority were issued for two things: to wear regalia at Divine Service and to change the Night and/or Hour of Regular Meeting. Of the 126 Dispensations issued this year 33 were for the former and 51 for the latter, 84 in all — exactly two-thirds of the total. Your Committee would suggest that the continuance of this practice brings the Constitution into disrepute and that steps be taken to change the Constitution to permit these things without Dispensation or that they be banned entirely.

Your Committee was glad to see that the Grand Master had authorized the issuance of a bar to a Fifty Year Jewel to members with sixty or seventy years membership, and would urge Grand Lodge to approve this action. It would go further and suggest that consideration be given to the provision of suitable Jewels or Bars to members with Fifty years service as a Past Master and Fifty years service as D.D.G.M. As our Jurisdiction will pass its Fiftieth Anniversary this year possibly this would be a suitable time for this action. The Grand Secretary's efforts to get the Lodges to recognize their senior members are endorsed and recommended to Grand Lodge for approval.

Your Committee has nothing but the highest praise for the Grand Secretary's incredible effort in checking the membership of every Lodge in the jurisdiction, nearly one in three of which was found to be inaccurate. While the amount of work involved was enormous the benefits from it will be equally so and will continue indefinitely. It is doubtful if any single piece of office work could contribute more to the overall benefit of this Grand Lodge and our profound thanks are due to the Grand Secretary.

For many years our Grand Secretaries and the work of Grand Lodge office have been seriously handicapped by the late arrival of the semi-annual Returns and this year is no exception. After setting out his own difficulties with these Returns, the Grand Secretary mentions some of the methods by which other Grand Lodges meet the problem. He also asks again, as his predecessors have done for years, for the co-operation of the Secretaries. Your Committee considers that some definite penalty should be set for failure to deliver Returns before February 1st and August 1st in each year, either by fining the Lodge in default, in accordance with Section No. 133 of the Constitution or on some other basis, or disqualifying their Officers from voting at the next Grand Lodge.

The Grand Secretary's suggestion as to keeping a record of the copies of the Work has merit, your Committee considers, and might be given a trial.

The Grand Secretary's new policy of sending out informative letters to the Lodges is excellent and the institution of the quarterly statement plan is also to the mutual advantage of the Lodges and Grand Lodge.

Your Committee would suggest that the Lodges which have not yet taken advantage of the Grand Lodge Public Liability Insurance

policies give the question immediate consideration with a view to acquiring this invaluable protection.

The suggestion put forward by the Grand Secretary for the elimination of Section No. 240 of the Constitution should, in the opinion of your Committee, be submitted to the Committee in charge of the next revision of the Constitution.

It is sound policy, in the judgment of your Committee, to have one copy of the newly printed Constitution sent to each Lodge without charge as the Grand Secretary suggests.

This Report could not be closed without again expressing to the Grand Secretary this Committee's feeling of satisfaction at having a man of his calibre in charge of the Grand Lodge Office. He is fortunate in his comparative youth and Grand Lodge is fortunate in being able to look forward to many more years of his devoted service.

Grand Master: I will now call on R.W. Bro. R. C. Hodsmen, Senior Grand Warden of Saskatchewan.

R.W. Bro. Hodsmen: M.W. Grand Master and Brethren all, My first words must be to express the regret of our Grand Master M.W. Bro. Partridge at his inability to be here to attend this Fiftieth Annual Communication of the Grand Lodge of Alberta, our Sister Jurisdiction. My M.W. Grand Master commissioned me to bring this greeting and best wishes to the Grand Lodge of Alberta on this auspicious occasion. I also wish to make mention of our Grand Secretary, M.W. Bro. Tate, a frequent visitor to your Grand Lodge sessions, and express regret at his inability to be here today. It was through unusual circumstances that I, Grand Senior Warden, was delegated to represent the Grand Lodge of Saskatchewan at this Communication which you are now holding. It may be fitting that the junior Jurisdiction, in number of years, represented at this gathering should be represented by the Junior Grand Officer on this dias. Last night Rev. Bro. Morley suggested to us that one of those things which we should look to is our history and past in order that we may build the future on that. The representation of other Grand Jurisdictions is a tribute to the historical past of Masonry in Western Canada. The representation of our Sister Grand Lodge of Minnesota is a tribute to the time when the first Masonic Lodge in Western Canada operated under a Charter from the Grand Lodge of Minnesota. I have no doubt that many of you are familiar with the story of this military Lodge commissioned by the Grand Lodge of Minnesota, holding its meetings at Pembina, south of the Manitoba border. The Canadian soldiers from Winnipeg were closest to the source of

supplies and the Americans at that military fort contacted the Winnipeg gentlemen with whom they were dealing and received applications from some of these Winnipeg Brethren, of course, at that time it was a regular settlement, and some of the men travelled over one hundred miles through Indian infested territory to receive their Degrees and due to the circumstances they received all Three Degrees in one trip and then returned to Winnipeg and retained their interest in the operations of what was then known as "Northern Light Lodge" under the jurisdiction of the Grand Lodge of Minnesota. In the course of time the Indian trouble having subsided somewhat on the American side of the territory, the American forces were apparently withdrawn and the Winnipeg Brethren petitioned the Grand Lodge of Minnesota for a change in domicile, Pembina to the Red River Settlement and that Petition was granted by the Grand Lodge of Minnesota. Unfortunately troublesome times followed in Western Canada, leading up to the Riel Rebellion and the seizure of the Fort at the Red River Settlement and the subsequent arrival of the British force to restore order. During those upset times the old Northern Light Lodge, as it is affectionately referred to in Manitoba, because of the fact that there is now a Northern Light Lodge operating in that Jurisdiction, the Northern Light Lodge disappeared but it came back again. The British force which occupied the fort contained a number of Masonic Brethren, before long they petitioned the Grand Lodge of Canada in Ontario. We yesterday heard the Grand Lodge of Canada referred to as the Grandfather of the Western Canadian Jurisdictions and this apparently was the beginning of that association when a Charter was granted to the first Lodge operating in the Red River Settlement. In the course of time three Lodges were formed there and by that time they were in a sufficiently strong position to take over a Jurisdiction for Masonic matters from the head of the Lakes to the Rocky Mountains and from the International Border to the North Pole. They petitioned the Grand Lodge of Canada in Ontario to be recognized as a Sovereign Grand Lodge and in due time were recognized as such. The number of Lodges grew in strength and numbers until the time when our two Western Provinces, Alberta in 1905 and Saskatchewan in 1906, Petitioned the Grand Lodge of Manitoba for recognition as a Sovereign Grand Lodge and this was granted on a temporary basis. That leads me back to the point where I, as a Junior Grand Officer, represent the Junior Grand Lodge here this morning, and therefore M.W. Sir I am most happy to have the honour and the privilege to convey to you the fraternal greetings and best wishes on this your Fiftieth Anniversary, from the Grand Lodge of Saskatchewan.

Before I take my seat, I too would like to express my appreciation to you Brethren who have been most kind and for the hospitality extended to me on this occasion. (Applause).

The Grand Master announced that the Notice of Motion by Concord Lodge, in reference to the sponsoring of a DeMolay Chapter had been withdrawn.

REPORT OF COMMITTEE OF FRATERNAL RELATIONS & CORRESPONDENCE

To the M.W. the Grand Master, Officers and Members of the Grand Lodge of Alberta A.F. & A.M.

M.W. Sir and Brethren:

We, your Committee on Fraternal Relations and Correspondence, beg to report as follows:

Two applications for fraternal recognition have been received: The Grand Lodge of the State of Israel and the United Grand Lodge of Germany. Your Committee recommends that these requests be tabled and held over until next report.

Conditions in some Grand Lodges in South America appear to be still in an unsettled state.

Conditions in Europe appear to be progressing favorably, especially in France where there are three Grand Lodges, only one of which displays the Great Lights on its Altar. One of the Grand Lodges, not until recently displaying the Great Light in its Altar, has now decided to do so and there is hope of their amalgamating with the Regular Grand Lodge in France.

We thank the many Grand Lodges who have kindly sent us copy of their Proceedings, these have been reviewed and the Reviews printed in our Proceedings.

WM. IRELAND (9), Chairman.
F. P. GALBRAITH (29),
SAM HARRIS (88),
F. J. KAVANAGH (142)

M.W. Bro. Ireland also read the Foreword to the Reviews, to be found at the back of the Proceedings and Moved, seconded by M.W. Bro. Sam Harris (88) that the report be received and adopted. Carried.

REPORT OF THE COMMITTEE ON CHARTERS & NEW LODGES

To the M.W. the Grand Master, Officers and Members of the Grand Lodge of Alberta A.F. & A.M.

M.W. Sir and Brethren:

The two Lodges to whom Charters were granted, at the last Annual Communication, were Constituted in due and Ancient form as follows:

Barrhead Lodge No. 171 — September 29th, 1954.

Milo Lodge No. 172 — September 16th, 1954.

The Ceremony in each case was performed by the M.W. the Grand Master assisted by other Grand Lodge Officers.

There are at the present time no Lodges under Dispensation.

Fraternally submitted,

S. G. BANNAN,
Chairman.

Moved by R.W. Bro. S. G. Bannan (86), seconded by R.W. Bro. S. H. Hardin (25) that the report of the Committee on Charters and new Lodges be received and adopted. Carried.

REPORT ON THE BANFF CONFERENCE

To the M.W. the Grand Master, Officers and Members of the
Grand Lodge of Alberta A.F. & A.M.

M.W. Grand Master:

The Fourteenth Annual Conference of the four Western Canadian Jurisdictions was held on September 9th, 10th, and 11th, 1954, at Banff.

There were twenty representatives of the member Lodges present; four from Manitoba, four from Saskatchewan, nine from Alberta, and three from British Columbia. We had three distinguished guests from the Grand Lodge of Minnesota — the Grand Master, the Deputy Grand Master, and the Assistant Grand Secretary; two from the Grand Lodge of North Dakota — the Grand Master and the Grand Secretary; and three from the Grand Lodge of Montana — the Grand Master, the Grand Secretary, and one past Grand Master.

This being Alberta's year to hold the Presidency, all meetings were chaired by our own M.W. Bro. W. H. Jackson, with M.W. Bro. Peter Dawson as Vice President. Our President was most fortunate in procuring M.W. Bro. G. M. Blackstock to be our fraternal hour speaker. Bro. Blackstock delivered a most masterful and thought-provoking address entitled "What of Tomorrow?", and started our sessions off in an atmosphere of inspiration. From the expressions received afterwards both in the open meeting and personally by the Secretary; it aroused a greater enthusiasm as well as a feeling of greater determination to measure up the standards that were so splendidly portrayed by our Guest speaker.

Seeing that all constituent Lodges have received copies of the papers delivered at this Conference, may I respectfully suggest that if time does not permit to have all of the papers read and studied, that it would be a splendid investment for all of our Lodges to peruse carefully the address of M.W. Bro. Gilbert Blackstock.

I am pleased to report that it is an accomplished fact that our fraternal meetings are more than ever key-noting the rest of our Conference, and we sincerely hope that this phase of our Conference will continue to be an uplift to our Brethren who attend. Last year we were very pleased to see a goodly number of our own Brethren from Cascade Lodge present at our Fraternal hour meeting, and hope that their attendance will continue to increase.

Four splendid papers were delivered by the member Brethren, and the discussion following each paper was all that could be desired, as the Brethren entered into the discussion periods whole-heartedly, and with the desire to not only improve themselves by a greater understanding of their responsibilities, but to carry this message back to members of their respective Jurisdictions.

On the first day of the Conference, the ladies were the guests of our Grand Master and his good lady, M.W. Brother and Mrs. Dawson, at a bus drive and luncheon.

This coming September, we hold our Fifteenth Anniversary of this Conference, and we hope to see many more of our old time members in attendance, who were the stalwarts in laying the foundation of our aims and objectives on which our meetings from year to year seems to prosper.

Our thanks are again tendered to the Officers and members of Cascade Lodge No. 5, for their usual kind comradeship and hospitality.

This year the Presidency is vested in the person of our good friend and Brother, Karl Warwick, Grand Master of British Columbia, and the Vice-Presidency in our R.W. Brother, Carl Heckbert. The Guest speaker for the Fraternal hour will be one of our old-time members from British Columbia, M.W. Bro. Roy Long, and we are looking forward with keen anticipation to his address which will be entitled, "A Bunch of Keys".

We cordially invite all Master Masons who can spare the time, to attend our Conference, and even though they do not participate in the discussions, your Secretary is quite confident that they will be more than repaid for the time spent.

Fraternally submitted,

GEORGE F. ELLIS,
Conference Secretary.

The report was presented by R.W. Bro. S. C. Heckbert on behalf of M.W. Bro. G. F. Ellis (124) and R.W. Bro. Heckbert (24) moved, seconded by R.W. Bro. R. S. Sheppard (11) that the report be received and printed in the Proceedings. Carried.

REPORT OF THE FIFTIETH ANNIVERSARY COMMITTEE

M.W. Grand Master and Brethren of the
M.W. Grand Lodge of Alberta:

Not long after the last Communication we were confronted with many difficulties with regard to holding the celebration of the Fiftieth Anniversary on the day immediately following the Annual Communication in 1955 and upon request of the M.W. the Grand Master, it was decided to further consider the matter.

A Meeting was called and the matter was further discussed. It was decided that the Fiftieth Anniversary celebration should be held on a date as near to the actual date, viz., 12th October, 1955, as it could be conveniently held and that it can be held in the City of Edmonton. Upon enquiry it was found that Friday, 14th October, 1955, was the most convenient date.

Accordingly with the concurrence of the M.W. the Grand Master it was decided to change the plans to the following:

1. To hold a Special Communication to celebrate the Fiftieth Anniversary, to be called to meet on Friday, 14th October, 1955, at 2:30 p.m. in the Auditorium of the Central Masonic Temple, Edmonton.

2. That a Banquet be held on the same evening at 6:30 p.m. in the Macdonald Hotel, Edmonton.
3. That a charge of \$2.00 be made for tickets to the said Banquet.
4. That a souvenir programme of the Special Communication and Banquet be prepared, this to include a short historic sketch and the photographs of all the Past Grand Masters.

We are fortunate in being able to secure the consent of M.W. Bro. William Douglas, Past Grand Master of our Mother Grand Lodge of Manitoba and Grand Historian thereof, to be the Guest Speaker at the Banquet, and our own M.W. Bro. Gilbert M. Blackstock to be the principal speakers at the Special Communication.

A letter was sent on the 15th November, 1954, by the M.W. the Grand Master, to all Grand Lodge Officers, and Officers and Brethren of all Constituent Lodges, advising them of the change in date and place and directing that it be read at the next Regular Meeting of each Lodge following receipt thereof.

R.W. Brother the Grand Secretary was of great assistance to us and we appreciate his diligence and care.

All of which is respectfully submitted,
on behalf of the Committee,

H. E. HOWARD,
Chairman.

Moved by M.W. Bro. H. E. Howard (28), seconded by M.W. Bro. H. B. Macdonald (83) that the report of the Fiftieth Anniversary Committee be received and adopted. Carried.

HONORARY RANK CONFERRED

M.W. Bro. Sam Harris (88): Brethren, it is always a great pleasure for us to receive visitors from other Grand Jurisdictions at our Communications and as a slight token of our esteem, M.W. Grand Master, I would like to move that the Rank of Honorary Past Grand Master be conferred on M.W. Bro. Nelson C. Hart, P.G.M. of the Grand Lodge of Canada in the Province of Ontario, on M.W. Bro. R. E. Emmett, Grand Master of the Grand Lodge of Manitoba and on M.W. Bro. J. B. Tomhave, P.G.M. of the Grand Lodge of Minnesota.

That the Rank of Honorary Past Deputy Grand Master be conferred on R.W. Bro. Merle Kidder, D.G.M. of the Grand Lodge of North Dakota.

That the Rank of Honorary Past Senior Grand Warden be conferred on R.W. Bro. R. C. Hoddsman, Senior Grand Warden of the Grand Lodge of Saskatchewan.

That the Rank of Honorary Past Junior Grand Warden be conferred on R.W. Bro. J. Russell Oliver, P.D.D.G.M. of the Grand Lodge of British Columbia.

Also that we honour ourselves and the two Brethren who were active at the time this Grand Lodge was formed by conferring the rank of Honorary Past Junior Grand Deacon on W. Bro. James Cook, formerly of Medicine Hat Lodge No. 2 and W. Bro. R. J. Esplen, formerly of Nanton Lodge No. 17 and both now members of the Grand Lodge of British Columbia and have served Freemasonry for more than fifty years, may the Most High give them health to serve for many more years.

Motion seconded by M.W. Bro. R. J. Bradley (51) and carried with applause.

M.W. Bro. H. B. Macdonald (83) stated that he was informed that M.W. Bro. A. M. Mitchell (77) was quite ill and he moved, seconded by M.W. Bro. W. H. Jackson (8), that the Grand Secretary send a telegram of greeting and best wishes for a speedy recovery. Carried.

M.W. Bro. Ireland (9) moved that the Grand Tyler be paid \$20.00 for his services at this Communication, seconded by V.W. Bro. E. H. Mitchell and carried.

Grand Master: Brethren, we have come to the close of this session, we have had a very good meeting, it has not been necessary for me to call anyone to order or have the Sergeant at Arms put you out. It has been a joy and a pleasure to preside.

M.W. Bro. Sam Harris: M.W. Grand Master, I think that this body would be very remiss in its duty if they did not express to the Masters and Wardens Association of Calgary Lodges, their appreciation for the manner in which they entertained us last night and arranged for our comforts (Applause).

M.W. Grand Master: It is not necessary for me to put the motion, your applause will convey the appreciation of the Brethren.

Grand Lodge was then called off for fifteen minutes whilst the Grand Director of Ceremonies prepared for the Installation of Officers.

INSTALLATION OF GRAND LODGE OFFICERS

M.W. Bro. W. H. Jackson (8) acted as Installing Grand Master and was assisted by the V.W. Grand Director of Ceremonies, V.W. Bro. W. A. Noble (2). The newly elected Grand Master, R.W. Bro. S. Carl Heckbert (24) was presented by a friend of many years standing, **R.W. Bro. J. W. G. Morrison (24):**

"M.W. Grand Master, I have the honour to present R.W. Bro. Sidney Carlos Heckbert to be invested as Grand Master of Masons in the Grand Lodge of Alberta for the ensuing year, he has signified his willingness to accept the Office and is now ready to be installed."

The M.W. The Grand Master was then installed in accordance with the ancient ceremonies and the other Grand Lodge Officers were invested for the ensuing year. At the conclusion of the Ceremony the V.W. Grand Director of Ceremonies made the Proclamation in the East, West and South and the newly Installed and invested Officers were greeted with Grand Honours.

M.W. Bro. W. H. Jackson: Such is the nature of our organization, one Grand Master who with his Officers has conducted the destinies of the Craft in the Jurisdiction for one year, lays down his gavel of authority and another Grand Master, with new Officers, picks it up to guide the great Fraternity another step along its chosen path. I think that it would be most fitting at this special milestone in our History, to pause a moment or two to reaffirm our Obligation and re-dedicate ourselves to the practice of the great principles of our Ancient and Honourable Institution.

Let us then re-dedicate ourselves to Freemasonry to impress upon us the duty of cultivating the great tenets upon which the craft is founded; to cause us to think seriously of the lessons which are taught in our ceremonies; of our duty to God and our neighbour; to impel us to walk uprightly in our lives, to strive for our own improvement and for the betterment of our fellowmen, so that humanity at large will benefit by the cultivation of our fraternal feelings and actions.

Let us re-dedicate ourselves to Virtue to remind us that we have been taught to practise the four Cardinal Virtues; that we may be guided by the Virtue of Temperance in an endeavour to avoid excess and vice in every form; that we may be strengthened by Fortitude to do our Duty as it may be disclosed to us, halting not, but doing right for the love of right; that Prudence may direct us in our occupations and desires; that our daily tasks may be undertaken and performed with perseverance and faithfulness; let Justice be our guide in judging others, in our dealings socially and materially and that in all things we do unto others as we would they should do unto us.

Let us also re-dedicate ourselves to Universal Benevolence, in the hope that charitable feelings may be the happy masters of our hearts, leading us, nay, compelling us to remember the unfortunate and the afflicted, to afford them relief and sympathy. My Brethren the practise of these virtues to the fullest extent and meaning will conduce to the promotion of fraternal happiness and prosperity in this Grand Lodge — it will bring blessings untold and will strengthen that golden chain which links in fraternal embrace all the members of our great Brotherhood.

M.W. Grand Master it has been a great pleasure and honor to install you into the Grand East and especially so on this the Fiftieth Installation Ceremony of this Grand Lodge. I want to extend to you my heartiest congratulations and also assure you that you will have the hearty co-operation and loyalty of every member of the Craft in this Jurisdiction. I trust that the G.A.O.T.U. will richly bless your tenure of office.

The Grand Lodge is now in your hands, M.W. Grand Master and I would ask you as your first official act to present to M.W. P.G.M. Peter Dawson, his Past Grand Master's Jewel.

Presentation of P.G.M. Jewel

M.W. Grand Master: M.W. Bro. Dawson, it is my pleasure to present to you the Jewel of your Office as P.G.M. of this Jurisdiction. I venture to hope that the presentation of this Jewel, and its receipt

by you, will be no means indicate the cessation of your interest in the Grand Lodge of Alberta and I am sure that it will not. Personally it has been a great pleasure to work with M.W. Bro. Dawson during the past year and it is a great privilege at this time to be able to present this Jewel. It is our hope that he may be spared for many many years to wear the Jewel and to wear it with honor and distinction.

M.W. Bro. Peter Dawson: Thank you very much.

Grand Secretary: Brethren, many of you do not know that our newly installed Grand Master was made a Mason in the Jurisdiction of New Brunswick, F. & A.M. I have a letter from the Grand Secretary of New Brunswick, V.W. Bro. R. D. Magee, as follows:

"When your Grand Lodge meets and after Carl has been Installed, I wish that you would extend to him, on behalf of the Grand Lodge of New Brunswick and myself personally, all fraternal greetings and felicitations for a happy year in office. You can tell him that we feel that the Craft in Alberta will be extremely well served in that they have as a ruler a New Brunswicker, well grounded in the faith of his fathers, a lover of the Craft and this should make him a good leader of the Craft in your Province.

Personally I know Carl as a soldier. He was sober, industrious and a first class gunner. Capable of all that was given him to do, with honour to himself and to the battery to which he belonged. We were a conglomerate outfit, having been drawn from all parts of Canada, but it was the only battery from Canada that was shown in Military Orders as receiving the D.S.O. When this citation came out, it did not mention what Officers, it mentioned the First Canadian Siege Battery and it is undoubted that men of Carl's stature were responsible for the citation. He is a staunch friend, a true Mason and a man of sterling principles beyond the ordinary and I feel that Alberta Freemasonry will progress under his rule and that he will have a far-reaching effect upon the Craft wheresoever disbursed.

I would like your Grand Lodge to know what others think about your Grand Master.

The letter is signed 'Fibber'. V. W. Bro. Magee is known as 'Fibber' to everybody, M.W. Sir. (Applause.)

M.W. Bro. Jackson: M.W. Grand Master we are glad that your Mother Grand Lodge saw fit to tell us what a good job we had done in electing you as our Grand Master! (Applause.)

M.W. Bro. S. C. Heckbert: My Brethren, before closing this Grand Lodge I would like to take advantage of the opportunity to express to you my very deep appreciation of the honour you have conferred on me and the confidence you have reposed in me. You have done me an honour today which I shall remember with pride and humility all the days of my life. My association with the Grand Lodge of Alberta has been for the past thirty years. I attended the twenty-fifth anniversary of the Grand Lodge in Calgary in 1930 and at that time it was my privilege to make the acquaintance, an acquaintance that

grew into friendship that I value very highly, with a large number of men who have preceded me in this office. Men who have maintained the dignity and traditions of the office, which I shall endeavor to do during the next twelve months. I should just like to assure you that I deeply appreciate the honour that you have seen fit to confer upon me, a member of one of the smaller Lodges of this Jurisdiction and I can only assure you that with your co-operation and the help of the G.A.O.T.U. I shall do my utmost, as far as my health and capabilities permit me, to justify the honour.

I shall do my utmost to keep in mind the great mission of Freemasonry and also that there is no right without a paralleled duty, no liberty without the supremacy of the law, no high destiny without first perseverance and no human greatness without self denial.

You have given me your support, during the past few years, as a Grand Lodge Officer and I ask that you continue to give me your support during my term as Grand Master. I am confident that I shall have that support and I can assure you Brethren that I shall need it to advance the interests of this great Fraternal Order, not only among Masons, but as it relates to the Community in which it has its being.

As you know the Fiftieth Anniversary will be celebrated in Edmonton on October 14th next and I now extend to all of you a very cordial invitation to be present, an invitation that will of course be repeated officially a little later. I would like to make sure that every Lodge in this Grand Jurisdiction is represented so that we may fittingly celebrate the tremendous importance and magnificent contribution of the pioneer Masons of the Jurisdiction.

May I say 'Thank you' to M.W. Bro. W. H. Jackson for the very nice way in which he conducted the Installation Ceremony and now as we close, I thank you Brethren from the bottom of my heart for an honour that I shall always appreciate. (Applause.)

R.W. Bro. R. S. Sheppard, D.G.M., R. W. Bro. S. G. Bannan, S.G.W., and R.W. Bro. D. D. McQueen, J.G.W., also expressed their appreciation at having been elected.

Grand Lodge Closed

The business of the Communication being concluded Grand Lodge was closed in Ample Form, and with Prayer by The Grand Chaplain, at 12.15 p.m.

Grand Secretary.

AT REST

M.W. BRO. J. T. MACDONALD

It is with great regret that we record the death of the Dean of our Past Grand Masters, M.W. Bro. John T. Macdonald who passed away in Calgary, Alberta, on August 23rd, 1954, at the advanced age of 80 years.

Brother Macdonald was our Grand Master in 1909-1910. Being an invalid for many years he was unable to attend our Annual Grand Lodge Communications. Brother Macdonald was born in Charlottetown, Prince Edward Island, and came to Calgary 57 years ago and opened the first government creamery in Alberta. He served for several years as Chairman of the Calgary School Board, the Children's Shelter and as a Judge of the Juvenile Court. Previous to his retirement from business many years ago he was Manager of the Government Insurance Board.

To his relatives and many personal friends we extend our sincerest sympathy.

*"One after another we see them pass
Down the dim lighted stair
We hear the sound of their steady tread
In steps of centuries long since dead
As beautiful and as fair"*

M.W. Brother George Moore

M.W. BROTHER GEORGE MOORE
1884 — 1954

The passing of M.W. Brother George Moore, at Kelowna, B.C., on November 22nd, 1954, came as a distinct shock to all the Brethren of the Jurisdiction. Scarcely a year had passed since he had retired from the Office of Grand Secretary and he had only resided at Kelowna for a few months.

George Moore was born at Wigginton, Oxfordshire, England, on February 10th, 1884, he received his education in England and came to Canada in 1903, coming west to Calgary immediately. His early years were spent in the Construction trade and when the first World War broke out, he enlisted in the 89th Overseas Battalion. He was later transferred to the Canadian School of Musketry and appointed a Sergeant Instructor in Musketry, holding this position for the duration of hostilities. Following the War Bro. Moore returned to Calgary and was employed in the City Hall until 1929, when he accepted the post of Secretary-Manager of the Calgary Masonic Temple Co. Ltd., to manage the Temple that had just been completed.

Brother Moore was initiated into Freemasonry in Calgary Lodge No. 23 on April 21st, 1922; he was Raised on June 16th, 1922 and was elected Worshipful Master of his Lodge in 1929, having a most successful year. He was elected Junior Grand Warden of the Grand Lodge in 1936 and Most Worshipful Grand Master in 1939. It was during this year that the Second World War commenced and this Grand Jurisdiction was thankful for his firm leadership.

In 1943 M.W. Brother Moore was elected to the office of Grand Secretary and it was probably during the tenure of this office for a little over ten years that he became so well

known to members of the Craft throughout the North American Continent. Always a keen student of Freemasonry, he was a prodigious reader and had a very retentive memory. As a Speaker he was sought by many Lodges and any who were fortunate enough to obtain his services were amply repaid in the interesting and thought-provoking messages that he carried.

He was active in the discussions of the Banff Conference of Western Jurisdictions as well as in the Biennial Conference of Canadian Grand Lodges, usually held in Eastern Canada, whilst in attending the Conference of Grand Masters of North America, as well as the Conference of Grand Secretaries of North America, at Washington, D.C., he was able to let it be known that Freemasonry in the Jurisdiction of Alberta was on a firm foundation.

At the 1954 Communication of Grand Lodge, M.W. Bro. Moore was elected Grand Secretary Emeritus, in appreciation of his services to this Jurisdiction. His Brethren felt honoured in being able to keep his name on the Roll of Officers.

Brother Moore was twice married, in 1911 to Ella, daughter of Mr. and Mrs. Murdock McLean, of which union there was one son Finlay who now resides at Vancouver. Mrs. Moore passed away in 1943 and in 1950 Bro. Moore married Mrs. Alice McLean, who survives him. To Mrs. Moore and to Finlay we extend sincere sympathy.

Well known as a keen fisherman, Bro. Moore had looked forward for some years to being able to fish in the beautiful lakes and streams of the area he chose for retirement — Kelowna, B.C. — He possessed an enviable collection of fishing equipment and was able to tie an ex-

cellent Fly. He was able to tell many amusing fishing stories.

The passing of M.W. Brother George Moore has removed a keen student of Masonic affairs, one whose judgement was widely respected and one who was ever ready to aid and assist. The vast number of messages he received whilst confined to Hospital bore testimony of the high regard in which he was held in all Jurisdictions of this Continent. The Funeral services were held in the Anglican Church at Kelowna, B.C., on November 25th, 1954 and M.W. Bro. Moore was laid to rest in the cemetery at Kelowna. M.W. Bro. Jackson, P.G.M. represented all members of the Grand Jurisdiction at the services.

*"I saw two clouds at morning,
Tinged at the rising sun,
And in the dawn they floated on,
And mingled into one;
I thought that morning cloud was blest,
It moved so sweetly to the west.*

*I saw two summer currents
Flow smoothly to their meeting,
And join their course in silent force,
In peace each other greeting;
Calm was their course through banks of green,
While dimpling eddies played between.*

*Such be your gentle motion,
'Till life's last pulse shall beat;
Like summer's beam and summer's stream,
Float on, in joy, to meet
A calmer sea, where storms shall cease —
A purer sky, where all is Peace."*

(J. G. C. Brainard.)

OUR OWN JURISDICTION

"Sleep on dear friends; such lives as thine
Have not been lived in vain;
But shed an influence rare, divine,
On those that here remain."

MEDICINE HAT LODGE No. 2**Veterans' Night**

The Regular Communication of Medicine Hat Lodge No. 2, G.R.A. on Tuesday, February 8th, 1955, was one of historical importance. Five of the members were to receive Fifty Year Jewels or Bars. Almost two hundred Masons attended to do honour to the men whose combined Masonic service totaled almost 300 years. Unfortunately R.W. Bro. Dr. Charles Ernest Smyth, who was initiated in Medicine Hat Lodge No. 31, G.R.M. November 17th, 1896, was unable to attend as he now resides in Vancouver, however arrangements were made, with the kind permission of the Grand Lodge of British Columbia, for R.W. Bro. Smyth to be presented with his Jewel in Kerrisdale Lodge No. 117, on the same evening, by M.W. Bro. Rev. Canon G. H. Crane-William, P.G.M. (Alberta). Our good Brother was not well enough to attend and the presentation had to be made privately at his home, later.

The senior recipient was W. Bro. Samuel William Sprague, who was initiated in Corinthian Lodge No. 13, Hampton, N.B. on July 11th, 1883, Passed August 8th, 1883 and Raised September 12th, 1883. He was Worshipful Master of Corinthian Lodge from 1887 to 1892 — six years. W. Bro. Sprague affiliated with Medicine Hat Lodge No. 31 early in the century and being moved took his Dimit. He again affiliated with Medicine Hat Lodge No. 2 on July 7th, 1908 and has been an active member ever since, seldom missing a meeting. W. Bro. Sprague was presented with two bars to his Fifty Year Jewel, for '60' and '70' years. Bro. Sprague was 96 on October 19th, 1954.

Bro. James Henry Wyatt was initiated in St. Thomas Lodge No. 44, St. Thomas, Ontario, November 4th, 1897, Passed December 15th, 1897 and Raised April 20th, 1898. He affiliated with Medicine Hat Lodge No. 31, G.R.M. on February 14th, 1905.

Bro. Jeremiah Keohane was initiated in Medicine Hat Lodge No. 31 G.R.M. on June 9th, 1903, Passed August 4th, 1903 and Raised December 1st, 1903.

Bro. Arthur Parsons Burns was initiated in Medicine Hat Lodge No. 31, G.R.M., on January 26th, 1904, Passed March 29th, 1904, Raised June 2nd, 1904.

The presentations were made by the District Deputy Grand Master, R.W. Bro. M. J. S. Lloyd, acting on behalf of the Grand Master who was unable to be present owing to a bad storm.

In addition to the presentation of Fifty Year Jewels, Medicine Hat Lodge No. 2 also honoured a member who had been Secretary for 31 years, R.W. Bro. W. H. Williams. His successor, V.W. Bro. W. A. Noble, Grand Director of Ceremonies for Grand Lodge this year, presented R.W. Bro. Williams with a suitably inscribed "Past Secretary's" Jewel.

The veterans really enjoyed the meeting and remained to witness the Entered Apprentice Degree being conferred on four Candidates. The meeting will long be remembered and W. Bro. Bruce McKenzie and his Officers are to be congratulated on the excellence of the organization.

Bro. Jeremiah Keohane, a retired C.P.R. Engineer, did not long remain to enjoy wearing his Jewel, he was called to Higher Service on April 29th, 1955.

**THE REPORT OF THE COMMITTEE ON FRATERNAL
CORRESPONDENCE**

The Committee on Fraternal Correspondence have pleasure in presenting their annual Reviews of the several proceedings of the Grand Lodges with which we enjoy reciprocal relations, and trust much interest and profit shall accrue to our readers.

This portion of our annual proceedings takes up considerable space in the book and is somewhat expensive unless some benefit is accruing to our membership. In an endeavour to cut down on the space, your Committee have presented a topical review which is divided into three sections, namely: Canadian, British and American and others and invite discussion by the Craft of this idea. Heretofore, the proceedings of each Grand Lodge was reviewed by a team of Brethren without any attempt at co-relating the facts of particular interest and therefore represented a hodgepodge of repetitious banalities which were boring to read. Your committee have no desire to discontinue these reviews as they feel the material contained therein could be of considerable value to the Lodges by way of an educational program if they are being used, but they have no evidence that such is the case. The work of preparing these reviews has been a labour of love and we trust love's labour has not been in vain.

To those interested the Committee would remind them that the volumes listed are in the Grand Lodge Library and may be loaned to those wishing to make further study on any of the subjects.

The appreciation and thanks of the Committee is due to R.W. Bro. L. D. Nicoll, V.W. Bro. M. J. Brodie and W. Bro. C. P. Blacklee, for their help and to R.W. Bro. Canon W. H. Morgan and the Grand Secretary for compiling the Reviews.

Chairman.

In reviewing the Proceedings of all of the Jurisdictions of the Dominion of Canada it is found that Freemasonry is in a very healthy condition and that there has been a substantial increase in membership. Whilst many new Lodges have been Instituted and Consecrated, we find also that in the older Jurisdictions many Lodges have celebrated their Centenary. The Grand Lodge of Canada in the Province of Ontario in July 1955 will celebrate its Centenary, being the first Canadian Grand Lodge to do so. Great preparations have been made to mark this important milestone.

The Grand Masters, in addressing their Annual Communications, have largely dealt with administrative matters that are of particular interest to their own Jurisdictions, however, there have also been many items that are of interest to the Craft as a whole. M.W. Bro. J. A. Hearn (Ontario) in commenting on Divine Service said "Whilst these Church Services are all to the good and are highly commendable, we should remember that a Mason's church allegiance does not begin and end with these Annual Divine Services. His devotion to his Church and to his God should be a continuous one. Freemasonry is not in itself a Religion but it is, in itself, religious. Freemasonry can never be a substitute for a Church, but it can well be its handmaiden and to that end every Freemason ought to be a regular attendant with the church of his choice." M.W. Bro. Hearn also commented on Lodge Finances, following up a special report of the previous year and stated " . . . the basic charge for Freemasonry in some Lodges is beneath the dignity of the Craft." He follows with the suggestion that Lodge Secretaries should send out Invoices at the beginning of the year "as Invoices are not as easily destroyed as one does a Lodge summons."

M.W. Bro. Perry S. Cochrane addressed the 89th Annual Communication of the Grand Lodge of Nova Scotia, held at Sydney. He accepted a stone from the White House, presented by the Grand Representative of the District of Columbia in the name of M.W. Bro. Harry S. Truman, former President.

M.W. Bro. Ralph T. Pearson was the presiding Grand Master at the 87th Communication of the Grand Lodge of New Brunswick, which enjoys the distinction of being the only Canadian Grand Lodge designated as Free and Accepted Masons instead of Ancient Free and Accepted. M.W. Bro. Pearson was also re-elected for a further term. M.W. Bro. Pearson gave an inspiring address on "Fortitude" pointing out that this one of the cardinal virtues was one of the primary sources of strength needed by all men in their homes, their work and their play — in every portion of their lives. That those possessed of Fortitude were able to stand and face the complex problems of the world without failing their fellowmen, whilst those denied this strength of character became the pawns of whatever forces were in control. "Masonry offers no escape from the world. So long as we live, we are in it, a part of it, and should do what we can to make it a livable, kindly, generous, peaceful world, in which all may participate with joy, security contentment and interest. Masonry is not

some secret way by which we avoid the responsibilities of living in a world made complex by the endless machinations of men. Masonry is a way of life; an understanding of the deep meanings of it, through which we are enabled to taste to the fullest, the joys of true brotherhood, fellowship and the happiness of living, working and doing for each other. And that really takes fortitude."

The 84th Annual Communication of the Grand Lodge of Quebec was held in Montreal. The Grand Master M.W. Bro. C. L. Roman presided, at the commencement of his address, reviewing a busy and what must have been a very successful year, he stated "Even though these words are my swan-song, its melody and music are a few of the notes of an unfinished aria that has no bitter or blighting menace of finality. It is sweet knowledge and lovely hope that the attributes of Heaven never die but persist and burgeon forever in the hearts of men who dedicate their lives to the betterment of a race that has been stumbling, groping and seeking higher ideals for countless eons."

British Columbia met in the old City of Victoria for its Eighty-third Communication. M.W. Bro. Curran, Grand Master, in his address reminded the Brethren that Victoria was the cradle of Freemasonry on the west coast. He also reminded the Brethren "Grand Lodge, my Brethren, is the parliament of Freemasonry in the area embraced within its fold. It is numbered amongst the most democratic of Institutions. I hope the members of the Craft will never forget that fact!"

The City of Winnipeg was the scene of the Seventy-ninth Annual Communication of the Grand Lodge of Manitoba. M.W. Bro. Harry H. Gray, who was prevented by ill-health from carrying out many of his plans, spoke of establishing travelling teams, consisting of two elected Grand Lodge Officers each, for the purpose of visiting Lodges generally, but more especially those in remote areas. Gratifying results had been shown. He recommended that the Service of Rededication that was held be continued and expressed appreciation for the response to the Masonic Brotherhood Disaster Fund.

The Grand Lodge of Prince Edward Island held their 78th Annual Communication in the city of Charlottetown, June 24th, 1954. M.W. Bro. Fred I. Bell reported that he had visited every Lodge in his Jurisdiction. He said "We are indeed proud to proclaim to all the world that Masonry has withstood the ravages of time. But I would here point out the danger of being too self-satisfied. Every member must be ready and willing to contribute, in some measure, to his Lodge and to the ideals which we so proudly proclaim."

Our Sister Grand Lodge met in Saskatoon, Saskatchewan for their Forty-eighth Communication. M.W. Bro. R. L. Hambridge gave a full review of a busy year and concluded his address "I would like to impress on you that the watchword of our great Fraternity is Duty and Service. The building of a Masonic character and a Masonic personality can only be attained by work and the performance of the duty that lies before us. It is in our everyday work that our influence is going to be felt and the performance of our everyday tasks is a duty to be done cheerfully and faithfully. It is by diligence and perseverance alone — by the constant use of our working tools —

that we can attain that physical, moral and spiritual status which will entitle us to the approval of the Great Architect of the Universe."

R.W. Bro. George R. Williams, District Grand Master of the District Grand Lodge of Newfoundland, under the English Constitution, addressed the Semi-Annual meeting and welcomed the delegates to the first Newfoundland Masonic Conference then being in session. Bro. Williams also addressed the 83rd Annual Communication April 27th, 1954, he gave a full account of his stewardship during the year and concluded "Brethren, let us all be just, upright, sober and industrious, obeying the law, discharging our duties with courage and pride, ever realizing we are privileged to be members of the greatest and oldest fraternity whose members are distributed over the whole earth, united in the bond of serving our Creator and assisting the distressed."

Benevolence in all Canadian Grand Lodges is receiving constant attention, although modern social legislation limits the scope of the assistance to a great extent, it is apparent that all possible is being done where there is knowledge of need having arisen. The Canadian Grand Lodges, generally, prefer to make cash grants to Beneficiaries instead of undertaking the huge capital outlay of a Home, however the Grand Lodge of Nova Scotia have a Freemasons' Home where they had 47 guests and a waiting list of 16.

In the matter of Masonic Education it is found that many Grand Lodges are realizing that the District Deputy Grand Master is the key man and Ontario considered that more time should be taken to instruct the Deputies in their duties before, or immediately after they were Invested. In addition to instructing the Deputies Ontario published a series of "Syllabus of Instruction" which was mailed to all Lodges.

All Grand Lodges were paying attention to the proper rendition of the Ritual and again the D.D.G.M's are the Officers who, in making their visits are in a position to correct and advise, if they are capable of doing so. The universal complaint is again that the Lodges are so busy making members that very little attention is being given to instructing Candidates beyond the obligatory lectures in each degree, after the Third the Candidates are on their own. British Columbia proposes that Instructional Booklets shall be prepared for the use of the Candidates as they advance through the degrees. It will be interesting to know what success this move will attain.

Under this heading it was interesting to note that the Grand Lodge of Canada in the Province of Ontario, through the Grand Librarian R.W. Bro. McGregor, sent books to a member living at Yellowknife, N.W.T., who was visiting our Yellowknife Lodge No. 162.

It is also interesting to note that a number of the Grand Masters appoint the District Deputy, picking a man capable of performing this duty. When elected it is often found that the member chosen has not got the time to spare from his daily avocation to give the Office the attention it warrants.

The approach of Centennial Celebrations and Fifty Year Anniversaries is drawing attention to the Histories of the various Grand

Lodges and more attention is being given to this subject than heretofore. It is noted that the "missing" Historical Registers problem is one that affects many Lodges.

The question of the larger Lodges dividing, or at least starting daughter Lodges is referred to in several Jurisdictions. Many Lodges are so big that it would be utterly impossible for even 70% of their membership to attend a meeting.

The address of the Grand Historian of the Grand Lodge of Manitoba, M.W. Bro. Wm. Douglas, was outstanding. He dealt with the Selkirk Settlers, foundation builders of the Province. M.W. Bro. Douglas was also the recipient of a Fifty Year Jewel, to commemorate fifty years of very active membership in the Craft. Brother the Very Rev. Charles R. Brown addressed the Grand Lodge of Canada in Ontario and referred to Grand Lodge as the balance wheel of Freemasonry. In Quebec the District Grand Chaplain R.W. Bro. Rabbi Charles Bender stated "Our Fraternity is one of the oldest human agencies that has aimed to develop spiritual values as the equalizer among men." M.W. Bro. E. J. Franta of the Grand Lodge of North Dakota addressed the luncheon of the Grand Lodge of Manitoba on the subject "We Walk Together." The statement "You go to your Church and I'll go to mine, but we will walk together" inspired this very interesting address. He stated "It is an undeniable and perhaps regrettable truth that while our belief in God unites us, it is our belief about God, which is religion, that separates us." Our own Grand Master, M.W. Bro. Rev. Peter Dawson addressed the banquet of the Grand Lodge of Saskatchewan. "The Grand design of Freemasonry — is that of being happy ourselves and of communicating happiness to others." E.H.R.

COMMONWEALTH

It is not easy to write a review of the proceedings of the United Grand Lodge of England. They hold Quarterly Meetings, which are strictly business. There is no report of the Grand Master's Address, except for very brief opening remarks. What is found interesting is the reports of the official visits made to Provincial Grand Lodges throughout the world. During the year under review there were reports of visits to South America, Newfoundland, South Africa and Rhodesia. We think we have quite a wide spread Jurisdiction, but it does not entail anything like the distances Grand Lodge Officers of the English Jurisdiction have to travel. It gives us some idea how widespread our Order is.

One very interesting discussion was held, but no decision arrived at. The rules regarding the wearing of Grand Lodge regalia are very strict, and a motion was brought forward to widen its use. After considerable discussion the question was referred back.

The Grand Lodge of Scotland also meets Quarterly and the same thing may be said of their meetings as of the United Grand Lodge of England. During the past year a great amount of work was done

by a Committee on their Benevolent and Charitable funds. These were finally consolidated into one fund, to be known as Grand Lodge Benevolent Fund. From this fund grants were made to recipients all over the world where the Scottish Constitution holds sway. These grants ran all the way from £30 to £50 each.

In the Scottish Year Book 1954 — a most interesting publication— M.W. the Earl of Elgin and Kincardine K. T., Past Grand Master gave a report of his visit to Israel and the constitution of the Grand Lodge of the State of Israel. The Grand Lodge previously existing in Israel had not been recognized by the Grand Lodge of Scotland. After the constitution of the new Grand Lodge by Lord Elgin, a resolution was passed whereby the Grand Lodge of the State of Israel could issue Charters to other groups, provided an assurance be given and an Obligation taken that the Brethren of these Lodges would adhere to the Ancient Landmarks of the Order, and would maintain and support the Constitution and laws of the Grand Lodge of the State of Israel. Immediately after the passing of that resolution, the Masters of all these Lodges were admitted to Grand Lodge, took the Obligation, and received their new Charters.

At the meeting of April 22nd, 1954, a very interesting account was given of an unofficial visit by M.W. Lord Balfour, P.G.M. to a Quarterly Meeting of the Grand Lodge of the State of Israel. He reported that the general relationship among Masons in Israel was very cordial, whether they be Moslem, Christian or Jew.

The Grand Lodge of Ireland also meets Quarterly. To the writer the interesting part of the Annual Report was that giving the reports of the Provincial Grand Masters of which there are thirteen in Ireland and six overseas in Africa, New Zealand, Hong Kong and Bermuda.

The Grand Lodge has 277 Annuitants. The amount paid out from this fund last year was £12,658. 12s. 7d.

The M.W. the Grand Master of New Zealand emphasises a point that has to be brought to the attention of Lodges on this continent as well, namely, that we must be more careful of quality than quantity when considering Initiates, "Freemasonry is not a reformatory."

Membership in New Zealand is 40,954 in 369 Lodges, a net gain of 1,160. Their voluntary contributions to benevolence amounted to £20,126, an average of 10/ per capita.

The Grand Lodge of Victoria reports 203 Lodges of Instruction operating under License of the M.W. the Grand Master. As of June 30th, 1953 their membership reads: 103,776 in 730 Lodges and the amount paid out in Benevolence was £8,912/9/2.

The Grand Lodge of New South Wales reports 823 Chartered Lodges with a total membership of 129,093. Warrants were issued to 14 new Lodges. It is interesting to note that Committees of Investigation are composed of not less than five members, with the Secretary of the Lodge an ex-officio member.

The Grand Lodge of Queensland has 434 Lodges with a membership of 32,698. Their Communications are held in the evening and

last only a couple of hours. One wonders how they do it. The amount paid out in Benevolence was £5,392, besides the maintenance of 24 Brethren in Sandgate Freemasons' Home and 6 boys assisted at a Masonic Home. Queensland Jurisdiction strongly urges Lodges to keep their membership at not over 100, when a Lodge gets over that figure it is strongly urged to proceed in the formation of a new Lodge.

South Australia shows a membership of 23,495 in 184 Chartered Lodges. Four new Lodges were Consecrated during the year. The amount spent on Benevolence amounted to £5,531. This Jurisdiction also stresses the need of not letting a Lodge get too large.

The Grand Lodge of Western Australia consists of 287 Lodges with a membership of 20,681. During the year Benevolence was granted to the extent of £469, in addition to £6,666 from Widows, Orphans and Aged Freemasons Fund. This Jurisdiction amended its Constitution to forbid members from attending or holding membership in any organization which is quasi-Masonic of imitative of Freemasonry, mentioning specially the Order of the Eastern Star. Most Australian Jurisdictions do not look with favor on such organizations.

All the Australian and New Zealand Jurisdictions make mention of the visit of Her Majesty the Queen and the Duke of Edinburgh, and express their loyalty.

JURISDICTIONS IN THE U.S.A.

There are many matters discussed in practically all the American Jurisdictions which can be referred to in a general way without mentioning them under each Grand Lodge individually.

Grand Master after Grand Master mentions in his report the need to emphasize the moral and spiritual side of our work. There seems to be a general feeling that this side of our work is being sadly neglected. There should be far more emphasis placed on the spiritual side of our nature than we are placing. It is significant that in this connection many Grand Lodges issue proficiency certificates after Jurisdiction, it is mentioned that he is an active and prominent layman in his own church. There is a real effort being made to lift the tone of the Lodges to the principles on which Freemasonry was founded.

All Jurisdictions are suffering from the same troubles as our own. There are many Lodges that are much too big so that it is impossible for the true fraternal spirit of Freemasonry to flourish. Many draw attention to the same thing that we are often reminded of — we are making too many members and not enough Masons. Some are even suggesting legislation to limit the number who may belong to any one Lodge. It is acknowledged that it is very difficult to do this, but equitable ways of doing it are being sought.

Masonic education is very much stressed, and all have some concerted effort to carry it on. The Jurisdictions are divided into districts as we have here, but in very many, the Deputies are appointed by the Grand Master and they work under a Grand Lodge officer, the Grand Lecturer. Their main function is to see that the Lodges are proficient in their work, that the work is uniform throughout the Jurisdiction, that Grand Lodge orders are carried out, and that the members are kept well informed on what our grand old Order stands for. I presume that where the Deputies are appointed, it is to ensure that only well skilled and competent brethren get the jobs. In this connection many Grand Lodges issue proficiency certificates to well skilled brethren, who have been able to pass certain tests, and are then entitled to instruct their brethren. Their names are Published in the Grand Lodge report.

Most Jurisdictions have Masonic homes of different types as well as Masonic schools. Most have some endowments, but it is usually necessary to put a per capita tax on all Lodges. One problem that is facing many Jurisdictions is the fact that more and more of the inmates of their homes are chronic invalids, and it is necessary to enlarge their infirmary accommodation, and this costs money. This condition is brought on by the fact that their social legislation of old age pensions, etc., makes it possible for more people to keep their own home, and it is more and more those who are unable to look after themselves that are applying for entry to the homes.

One thing that strikes a Canadian Mason is the fact that so many Grand Masters in the States exercise a certain amount of control over so called higher degrees in the Order. One Grand Master forbade members to join some of the Shrine Temples till they had assurance that certain practices would cease. The Grand Master stated that as other branches postulate membership in a "blue" Lodge as a prerequisite, the profane judge ALL Masonry by what one branch does.

We would like to draw attention to one or two matters that some Jurisdictions have:—

LOW TWELVE LODGES. In case any Brethren are not familiar with this, they are Lodges constituted solely for the purpose of conducting Masonic Funerals. They may not confer Degrees. There are very few who can conduct a Masonic Funeral without reading from the book. In our larger cities we might well have such lodges who would be prepared to conduct a funeral at any time. This would not prohibit any other Brethren from taking part, but it is felt with such a lodge a funeral would be much more impressive.

The Grand Lodge of Minnesota has a Committee of Lodges in Rochester who are prepared to look after any Masons, or their families who may be attending the Mayo Clinic. Perhaps some of our members might be glad to know of this if at any time they should have to go to Rochester.

ARKANSAS

The Grand Master made reference to the Ancient Landmarks, and the wide difference in the minds of Masons as to what they were.

After quoting many sources he said that the fundamental landmark was "All laws and customs that obtain amongst us and do not ultimately find footholds on this basis are thereby earmarked as conventions and conveniences, in no way partaking of the nature of Ancient Landmarks." He was referring to the Fatherhood of God, the Brotherhood of Man, and the Life to come.

COLORADO

From the Grand Orator's brilliant address we cull the following pertinent paragraph:

"Masonry is not a mass-production job. Did you ever watch an operative Stone-Mason? He does not erect a building in one massive effort. He lays each stone, either larger or smaller, on the top of another stone, and when the building is completed it is work of art — but the beauty is in the individual stones. And so it is with Masonry. Masonry is not the forty-three thousand members in Colorado, nor is it the four million in the United States; it is not George Washington nor is it my father, a Past Grand Master. Masonry is me! Masonry is you! We are the Masonic stones! Let us see to it that we — the individual stones — are as perfect as maybe, for if the individual stone is rotten, it will disintegrate and thus endanger the entire structure. Now do you see why you are your brother's keeper? If he is not a good stone, he fails to support his part of the building and, as a consequence, each other stone is in danger. The operative Mason does not place, nor can he place, all of his stones on the face of the building. Some may be hidden from the eyes of men, but make no mistake about it, my brothers, each stone — your stone and mine — is necessary for the proper support of the superstructure."

IOWA

In the course of his address the Grand Master made the following remarks: "I have been a little disturbed by a number of reports which seemed to indicate that, if there were no candidates, there was nothing for the Lodge to do; but, on the same report, the indication was that the Lodge has not made use of film, speakers, or other educational material available; Officers were not attending Grand Lodge Sessions, the Masonic Institutes, or the Secretaries' conferences. I am wondering if, when there is a shortage of candidates in a Lodge, it isn't an opportunity for that Lodge to do some outstanding work in advancing in the lives of its members and in the community, the principles for which we stand."

KANSAS

In the report of the Committee on Masonic Education it was stated "Freemasonry has ever rested its program upon the solid, granite foundation of truth, justice, tolerance, understanding, and brotherly love. We must bring these truths to every member of the Craft, enlighten them with facts not altogether found in the ritual, the form and the degrees. We must see to it that each member of

the Craft has full and complete information which will enable him to do his part in the assumption of leadership in moral fields, which will provide him with stamina to stand up and be counted and to carry into active operation the ideals of truth, justice and freedom. In short, information that Freemasonry, and belief in God, freedom of thought, speech and action, and the practice of every social and moral virtue is also Americansim of the highest and most virile type." This applies to Canadianism as well.

MARYLAND

It is interesting in the report of the Grand Lodge that they hold an annual Summer Lodge of Instruction. In 1953 there was an attendance of 252 Master Masons representing 63 Lodges. This might be a well worthwhile venture to attempt here.

MASSACHUSETTS

The Grand Master deliberates upon the suppression of Freemasonry abroad and then goes on to say: "However, while we condemn, and rightly so, the suppression of Freemasonry by political and religious totalitarianism, let us be sure that we are not guilty of a species of suppression all our own. For there is suppression of Freemasonry not by dictators, but by Freemasons. This is the most fatal suppression of Freemasonry that is practiced today. It is not the result of any conspiracy outside Freemasonry, but an involuntary ineptness that prevents Freemasonry from coming to its complete flowering in the individual and in the Community. Freemasonry is a philosophy of life, or more simply, a way of life. When a man becomes a Mason, he enters on that way of life. If we rightly assume that he meant what he said when he entered upon that way of life, then if he does not walk in it, he is guilty of a serious suppression of Freemasonry."

NORTH DAKOTA

This Jurisdiction has established the custom by which the Grand Master sends to each newly raised Master Mason in the Jurisdiction a Personal letter with an enclosure of the pamphlet "Story of Freemasonry in the United States and Historical sketch of early Freemasonry in North Dakota." This is a step in the right direction. This should encourage newly made Masons to seek more light.

The Grand Orator spoke on the "Intagibles" of life, emphasizing Faith. "As men, as Masons, as Christians, we must exert every effort and every ounce of influence in building every aspect of Faith. While it defies complete understanding, it constitutes the adhesive strength of a free society. In Faith are embedded such elements as Love, some of the ingredients of which are friendliness, kindness, tolerance, co-operation and concern for the other fellow."

RHODE ISLAND

In the Grand Secretary's report he draws attention to the report of the Treasurer of one Lodge showing an operating loss of \$19,000 over a period of 25 years. This was balanced by an income from candidates of \$19,011. The Grand Secretary uses this case as an argument that Lodges should operate on their fees only.

TEXAS

In the course of his address the Grand Master says "We have on every occasion raised this question that we should ask ourselves. 'Why am I a Mason?' In attempting to impress upon each of us that we should search our souls to answer truly that question, in the way that we should answer it, and to assist us to answer it properly, I have asked that we check ourselves on some of the sublime secrets of life, and by those rules of conduct laid down by the great life of Masonry and summed up in the Ten Commandments. We have a great responsibility — that we should take an active part in our government, in our churches, in our schools, and in our homes."

WASHINGTON

A very full account of the case of Glenn C. Vaux and his Masonic Review Digest is given. We will remember the case in our own Jurisdiction. It is mentioned here because the case was taken to court and an injunction obtained prohibiting the use of Masonic emblems except with the consent of the Grand Lodge, through the Grand Master.

THE GRAND LODGE OF THE PHILIPPINES

This Jurisdiction reports that, as at April 1954, there were 10,695 members in 108 Lodges. These Lodges are divided as follows: 93 in the Philippines, 11 in Japan, 2 in Guam, 1 in Okinawa, and one in Korea. The M.W. the Grand Master, M.W. Bro. Mauro Baradi gave a very full account of his years work, which, with copies of addresses given, takes up 75 pages of the Proceedings. He visited Guam, Okinawa, Japan, Korea and also the United States.

A District Grand Lodge of Japan was approved and set up. The District Deputy Grand Master is to be appointed by the Grand Master annually.

A weekly broadcast is sponsored by Grand Lodge "to place the Masonic viewpoint before the public."

THE GRAND LODGE OF VIENNA FOR AUSTRIA

An interesting review of the years work for 1954 — published in English — was issued by this Grand Lodge. An explanation of the "Work on the Consolidation of European Freemasonry" is given showing that the Grand Masters of the Netherlands, Swiss 'Alpina', Luxembourg, Germany and Vienna for Austria have been working together. It appears to be on a sound basis and progress is reported.
